agreed to review the impact of the changes in car parking fees in 12 months time following a petition submitted to the Council at its meeting on 27 June 2012. The Cabinet Member for the Environment stated that there had been a long delay in getting the sign on the outside of Multi storey car park in Tiverton advertising 5 hours for a £1. The proper procedure had been followed in respect of the charges agreed last year.

Councillor Mrs J Roach asked the Leader how key decisions taken by Officers under The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 were being published. The Leader indicated that the Council would abide by the legislation.

Councillor F J Rosamond asked the Cabinet Member for the Environment why a report had not been submitted to the Scrutiny Committee about the proposed increases in car parking charges. The Cabinet Member for the Environment stated that the charges for this year and next year had been agreed in 2012. The charges for this year were currently being consulted upon and would come into effect on 1 April.

Councillor R Wright asked the Cabinet Member for the Environment what would happen if there were objections to the proposed car parking charges. The Cabinet Member for the Environment indicated that the Leader had agreed to review the impact of the charges and that would happen. Once the current consultation period had expired the matter would be considered and the review undertaken at the March Cabinet meeting.

Councillor P F Williams asked the Cabinet Member for the Environment how long it would take for the banner on the Multi storey car park advertising the new charge to be erected this year. The Cabinet Member for the Environment indicated that the banner would be erected more quickly than last year.

Councillor Mrs Squires asked for Members support in signing an e-petition the details of which would be included in this week's Information Sheet.

Councillor R M Deed indicated that a Hospital Board containing representatives of the Tiverton Hospital League of Friends was looking at the operation of the Tiverton Hospital. There was no one body to run the Hospital and that caused problems. A consultation was currently taking place on options for a Minor Injuries Unit/Urgent Care Service at the Hospital.

(The meeting ended at 7.55pm)
