

I respond to your letter dated 12th June 'NOTICE OF A HEARING BEFORE A LICENSING SUB-COMMITTEE'

This email constitutes notice that we intend to attend the hearing on the 30th June.

I, Andrew Cornforth, Event manager and applicant on the premises license will be attending,

I would also request to bring the following additional people

Duncan Thomas, Sound Manager, who will be able to address any questions relation to the Noise Management,

His background in ecology and forestry also qualifies him to support the results of our site suitability survey, in particular where it relates to our analysis of Flood Risk

Patrick Briggs is the Head of PPE Security and will be managing the security for our event, as such he is willing to answer any questions pertaining to crime and disorder, and their organisations procedures, Unfortunately he will be working at Glastonbury this weekend, and will not be able to attend, but he is happy to be included by telephone should the need arise. I have attached the most recent correspondence from Pat as it may be relevant at the hearing

Dan Symmonds at Green Light Safety has recently been engaged as our consultant on all aspects of Health and Safety, he is conducting his own site visit this week to identify any additional points of concern and will be able to elaborate on how any H&S issues will be identified and addressed. He will be assisting us with on site safety check prior to opening. He also has experience of working with Patrick Briggs at previous events and may be able to answer questions on that if needed.

Our DPS Paul Bacon sends his regrets but will not be available for the hearing as he in Lithuania managing another event. I have attached also a statement from him.

I have attached the latest working revision of our EMP which includes the amendments specified in my previous representation. And the Technical guidance to the planning maps Provided by Tom Jones, hopefully I will not need to refer to this, but I have included it as I have quoted it in my representation.

Further Documents I will bring to the hearing to be available for inspection by the sub-committee if requested,  
will be the indication form our insurance company,  
Caterer's Compliance Documents  
an up-to date record of ticket sales.

If there is anything else the licensing sub-committee would like to request we provide, please do not hesitate to contact me and we will do our best to accommodate.

Regards

Andrew Cornforth

Sunset Festival Event Manager
