## **Agenda Item 8 – amended wording:**

To review the reports and recommendations/actions listed and report their findings and any further or suggested changes not already addressed, to Cabinet for their subsequent consideration. It is requested that this be done in time for Cabinet to receive any reports back to its meeting scheduled for 9<sup>th</sup> July 2020.

*For clarity, the ‘recommendations’ referred to in the resolution are not those which were resolved upon, but those set out in Appendix D to the report to Cabinet on 11<sup>th</sup> June. Those shown in bold have already been resolved upon - so the Committee is being asked to provide their view back to Cabinet of the other (non-bold) recommendations.*

**Available in other languages and formats on request**
