

The theoretical political balance for committees has been calculated within Modern Gov (Civica), based on the number of Councillors of each political party. Targets are set for each committee and change the committee membership to meet the targets.

The revised allocation is necessary following a resignation and change in party.

Political Balance Summary by Committee and Other Bodies

Committee	▲ CON ▼	Green ▼	LIBDEM ▼	UG ▼	Totals ▼
Audit Committee	1 (0.88)	0 (0.66)	7 (7.02)	0 (0.44)	8 (9) seats
