To receive any announcements the Chairman of the Committee may wish to make.
- 8 **MOTION 565 (COUNCILLORS: MISS E WAINWRIGHT AND MISS J NORTON - 15 OCTOBER 2020)** (Pages 15 - 16)

The following motion (minus Item 4 which was referred to the Scrutiny Committee) has been passed to the Standards Committee from Council for consideration and report.

Council resolves to:

1. Practice equality, fairness and inclusion, and to play its part in creating an equal society for all. There is no place for sexism, racism, bigotry, discrimination or intolerance of any form in our society.
2. Acknowledge that language is a powerful tool for change and inspiration, as well as ignorance, oppression and damaged

relationships, and should be used thoughtfully and respectfully. Many people who do not have a voice in the public domain have to suffer the consequences of inaccurate or insulting language.

3. Review and, if needed, update member training, to equip all members with the language and tools needed to actively promote diversity and inclusivity.
5. Ask that the Chairs of the Equality Forum and Community PDG identify and discuss approaches to reaching hard-to-reach communities in Mid Devon.
6. Show leadership by creating a diversity and inclusion strategy, and seek input from residents and local organisations that have expertise, to ensure the council is inclusive towards diverse and hard-to-reach communities in its recruitment, member representation and service provision. As part of this, review and update the MDDC equalities policy.
7. Explore further opportunities to increase inclusivity, diversity and representation in Mid Devon District Council, including but not limited to amongst women, minority ethnic communities, young people, and carers.

(1) The Fawcett Society and Local Government Information Unit report, 'Does Local Government Work for Women?' found that structural and cultural barriers hold back women's participation in local government. The practices and protocols of local government create unnecessary barriers to participation particularly for women with caring responsibilities. <https://www.fawcettsociety.org.uk/does-local-government-work-for-women-final-report-of-the-local-government-commission>

- 9 **MODEL CODE OF CONDUCT** (Pages 17 - 34)
To consider the new model LGA code of conduct and whether it should be reviewed for potential adoption by the Council.
- 10 **GOVERNANCE REVIEW**
To receive an update from the Monitoring Officer on the implications for this Committee – bearing in mind that Council's original instruction was that significant changes to the Constitution should be considered by the Standards Committee.
- 11 **COMPLAINTS AND TRAINING UPDATE**
To receive an update from the Monitoring Officer with regard to

complaints dealt with since the last meeting. During the discussion it may be necessary to consider passing the following resolution to protect the Members of District, Town and Parish Council's being discussed. The Monitoring Officer may also provide an update on advice, training and support during the year.

ACCESS TO INFORMATION ACT – EXCLUSION OF THE PRESS AND PUBLIC

RECOMMENDED that under section 100A(4) of the Local Government Act 1972 the public be excluded from the next item of business on the grounds that it involves the likely disclosure of exempt information as defined in paragraph 1 of Part 1 of Schedule 12A of the Act, namely information relating to an individual

12 IDENTIFICATION OF ITEMS FOR THE NEXT MEETING

Members are asked to identify any items they would like brought forward to future meetings. Depending on the progress of the Governance Review, there may be a special meeting of the Committee in March or April 2021: after that, the next meeting will be the first meeting of the municipal year 2021 and will be held on Wednesday 2 June 2021.

Covid-19 and meetings

The Council will be holding some meetings in the next few weeks, but these will not be in person at Phoenix House until the Covid-19 crisis eases. Instead, the meetings will be held remotely via Zoom and you will be able to join these meetings via the internet. Please see the instructions on each agenda and read the Protocol on Remote Meetings before you join.

If you want to ask a question or speak, email your full name to Committee@middevon.gov.uk by **no later than 4pm on the day before the meeting**. This will ensure that your name is on the list to speak and will help us ensure that you are not missed – as you can imagine, it is easier to see and manage public speaking when everyone is physically present in the same room. Notification in this way will ensure the meeting runs as smoothly as possible.

If you require any further information please contact Sally Gabriel

Mid Devon District Council - Remote Meetings Protocol

1. Introduction

The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations permit remote attendance in Local Authority meetings.

Remote attendance is permitted as long as certain conditions are satisfied. These include that the Member is able to hear and be heard by the other Members in attendance. Also, being able to hear and be heard by any members of the public entitled to attend the meeting (in line with the public participation scheme). A visual solution is preferred, but audio is sufficient.

This also relates to members of the public attending the meeting also being heard. The regulations are clear that a meeting is not limited to those present in the same place, but includes electronic, digital or virtual locations (internet locations, web addresses or conference call telephone numbers).

2. Zoom

Zoom is the system the Council will be using for the time-being to host remote / virtual meetings. It has functionality for audio, video, and screen sharing and you do not need to be a member of the Council or have a Zoom account to join a Zoom meeting.

3. Access to documents

Member Services will publish the agenda and reports for committee meetings on the Council's website in line with usual practice. Paper copies of agendas will only be made available to those who have previously requested this and also the Chair of a virtual meeting.

If any other Member wishes to have a paper copy, they must notify the Member Services before the agenda is published, so they can arrange to post directly – it may take longer to organise printing, so as much notice as possible is appreciated. Printed copies will not be available for inspection at the Council's offices and this requirement was removed by the Regulations.

4. Setting up the Meeting

This will be done by Member Services. They will send a meeting request via Outlook which will appear in Members' Outlook calendar. Members will receive a URL link to click on to join the meeting.

5. Public Access

Members of the public will be able to use a weblink and standard internet browser. This will be displayed on the front of the agenda.

6. Joining the Meeting

Councillors must join the meeting early (i.e. at least five minutes before the scheduled start time) in order to avoid disrupting or delaying the meeting. Councillors should remember that they may be visible and heard by others, including the public, during this time.

7. Starting the Meeting

At the start of the meeting, the Member Services Officer will check all required attendees are present (viewing the participant list) and that there is a quorum. If there is no quorum, the meeting will be adjourned. This applies if, during the meeting, it becomes inquorate for whatever reason.

The Chair will remind all Members, Officers and the Public that **all microphones will be automatically muted**, unless and until they are speaking. This prevents background noise, coughing etc. which is intrusive and disruptive during the meeting. The Hosting Officer will enforce this and will be able to turn off participant mics when they are not in use. Members would then need to turn their microphones back on when they wish to speak.

8. Public Participation

Participation by members of the public will continue in line with the Council's current arrangements as far as is practicable. However, to ensure that the meeting runs smoothly and that no member of the public is missed, all those who wish to speak must register **by 4pm on the day before the meeting**. They should email their full name to Committee@middevon.gov.uk. If they wish to circulate their question in advance, that would be helpful.

At public question time, the Chair will invite the public by name to speak at the appropriate time. At that point, all public microphones will be enabled. This means that, to avoid private conversations being overheard, no member of the public should speak until it is their turn and they should then refrain from speaking until the end of public question time, when all microphones will be muted again. In the normal way, the public should state their full name, the agenda item they wish to speak to **before** they proceed with their question.

Unless they have registered, a member of the public will not be called to speak.

If a member of the public wishes to ask a question but cannot attend the meeting for whatever reason, there is nothing to prevent them from emailing members of the Committee with their question, views or concern in advance. However, if they do so, it would be helpful if a copy could be sent to Committee@middevon.gov.uk as well.

9. Declaration of Interests

Councillors should declare their interests in the usual way. A councillor with a disclosable pecuniary interest is required to leave the room. For remote meetings, this means that they will be moved to a break-out room for the duration

of this item and will only be invited back into the meeting when discussion on the relevant item has finished.

10. The Meeting and Debate

The Council will not be using the Chat function.

The Chair will call each member of the Committee to speak - the Chair can choose to do this either by calling (i) each member in turn and continuing in this way until no member has anything more to add, or (ii) only those members who indicate a wish to speak using the 'raise hand' function within Zoom. This choice will be left entirely to the Chair's discretion depending on how they wish to manage the meeting and how comfortable they are using the one or the other approach.

Members are discouraged from physically raising their hand in the video to indicate a wish to speak – it can be distracting and easily missed/misinterpreted. No decision or outcome will be invalidated by a failure of the Chair to call a member to speak – the remote management of meetings is intensive and it is reasonable to expect that some requests will be inadvertently missed from time to time.

When referring to reports or making specific comments, Councillors should refer to the report and page number, so that all Members of the Committee have a clear understanding of what is being discussed at all times.

11. Voting

On a recommendation or motion being put to the vote, the Chair will go round the virtual room and ask each member entitled to vote to say whether they are for or against or whether they abstain. The Member Services Officer will announce the numerical result of the vote.

12. Meeting Etiquette Reminder

- Mute your microphone – you will still be able to hear what is being said.
- Only speak when invited to do so by the Chair.
- Speak clearly and please state your name each time you speak
- If you're referring to a specific page, mention the page number.

13. Part 2 Reports and Debate

There are times when council meetings are not open to the public, when confidential, or "exempt" issues – as defined in Schedule 12A of the Local Government Act 1972 – are under consideration. It is important to ensure that there are no members of the public at remote locations able to hear or see the proceedings during such meetings.

Any Councillor in remote attendance must ensure that there is no other person present – a failure to do so could be in breach of the Council's Code of Conduct.

If there are members of the public and press listening to the open part of the meeting, then the Member Services Officer will, at the appropriate time, remove them to a break-out room for the duration of that item. They can then be invited back in when the business returns to Part 1.

Please turn off smart speakers such as Amazon Echo (Alexa), Google Home or smart music devices. These could inadvertently record phone or video conversations, which would not be appropriate during the consideration of confidential items.

14. Interpretation of standing orders

Where the Chair is required to interpret the Council's Constitution and procedural rules in light of the requirements of remote participation, they may take advice from the Member Services Officer or Monitoring Officer prior to making a ruling. However, the Chair's decision shall be final.

15. Disorderly Conduct by Members

If a Member behaves in the manner as outlined in the Constitution (persistently ignoring or disobeying the ruling of the Chair or behaving irregularly, improperly or offensively or deliberately obstructs the business of the meeting), any other Member may move 'That the member named be not further heard' which, if seconded, must be put to the vote without discussion.

If the same behaviour persists and a Motion is approved 'that the member named do leave the meeting', then they will be removed as a participant by the Member Services Officer.

16. Disturbance from Members of the Public

If any member of the public interrupts a meeting the Chair will warn them accordingly. If that person continues to interrupt or disrupt proceedings the Chair will ask the Member Services Officer to remove them as a participant from the meeting.

17. After the meeting

Please ensure you leave the meeting promptly by clicking on the red phone button to hang up.

18. Technical issues – meeting management

If the Chair, the Hosting Officer or the Member Services Officer identifies a problem with the systems from the Council's side, the Chair should either declare a recess while the fault is addressed or, if the fault is minor (e.g. unable to bring up a presentation), it may be appropriate to move onto the next item of business in order to progress through the agenda. If it is not possible to address the fault and the meeting becomes inquorate through this fault, the meeting will be adjourned until such time as it can be reconvened.

If the meeting was due to determine an urgent matter or one which is time-limited and it has not been possible to continue because of technical difficulties, the Chief Executive, Leader and relevant Cabinet Member, in consultation with the Monitoring Officer, shall explore such other means of taking the decision as may be permitted by the Council's constitution.

For members of the public and press who experience problems during the course of a meeting e.g. through internet connectivity or otherwise, the meeting will not be suspended or adjourned.

19. Technical issues – Individual Responsibility (Members and Officers)

Many members and officers live in places where broadband speeds are poor, but technical issues can arise at any time for a number of reasons. The following guidelines, if followed, should help reduce disruption. Separate guidance will be issued on how to manage connectivity – this paragraph focusses on the procedural steps. Joining early will help identify problems – see paragraph 6.

- Join public Zoom meetings by telephone if there is a problem with the internet. Before all meetings, note down or take a photograph of the front page of the agenda which has the necessary telephone numbers. Annex 1 to this protocol contains a brief step-by-step guide to what to expect
- Consider an alternative location from which to join the meeting, but staying safe and keeping confidential information secure. For officers, this may mean considering whether to come into the office, subject to this being safe and practicable (childcare etc.)
- If hosting a meeting via Zoom (briefings etc.), consider creating an additional host when setting up the meeting. The additional host can step in if the main host has problems – remember that without a host, the meeting cannot close and any information on the screens will remain on view
- Have to hand the telephone number of another member or officer expected in the meeting – and contact them if necessary to explain the problem in connecting
- Officers should have an 'understudy' or deputy briefed and on standby to attend and present as needed (and their telephone numbers to hand)
- For informal meetings and as a last resort, members and officers may be able to call another member or officer in the meeting who can put the 'phone on loudspeaker for all to hear – not ideal, but it ensures some degree of participation and continuity
- Member Services will hold a list of contact details for all senior officers

She outlined the contents of the report stating that this provided evidence of the work that had taken place during the previous municipal year. She highlighted the following:

- The recruitment of the second Independent Person – Mr Rob Jeanes (who was present and introduced himself to the committee); the role of the Independent Person and whether they could be used in additional ways to assist the work of the committee.
- The role of the Deputy Monitoring Officers
- Complaints received under the Code of Conduct which were identified within the annex to the report
- The use of social media and its advantages and disadvantages; the guidance produced by the council and the lack of further national guidance
- Town and Parish Councils and the issues that had arisen with newly elected/co-opted councillors not complying with the requirement to submit a register of interest form within the required timescales. Following discussions with the committee the Monitoring Officer had written to those who had registers outstanding and 2 councillors had (with the agreement of the committee) been referred to the police for investigation. She informed the meeting that the Police had written to the individuals but that the issue had not been progressed any further. In view of the timescales involved she needed to look at proceedings for a Standards Hearing.
- Committee on Standards in Public Life, the committee had considered the report but legislative changes would be required to enact many of the recommendations, however some of the best practice highlighted within the report had been put in place.
- Gifts, hospitality and register of interests and how the system had been streamlined encouraging members to use a new form.

Consideration was given to:

- Whether there had been a rise in the number of complaints in the last year and whether the complaints were against district or town and parish councillors.
- The timescales for dealing with complaints
- With regard to the outstanding Register of Interest Forms and lack of progress made by the police whether the Police and Crime Commissioner should be contacted to follow this up on the committee's behalf

- How the gifts and hospitality forms would be published

RESOLVED that:

- a) The report be **NOTED** and circulated to all Town and Parish Councils for information; and
- b) The Chairman write to the Police and Crime Commissioner seeking assistance from the Police with regard to the 2 outstanding Register of Interest Forms.

(Proposed by the Chairman)

Note: *Report previously circulated, copy attached to minutes.

10 **NEW MODEL CODE OF CONDUCT - CONSULTATION (00-34-18)**

The Committee had before it a *draft model Code of Conduct which had been issued to Monitoring Officers prior to any formal consultation date.

The Monitoring Officer informed the meeting that a consultation document had now been made available and had been circulated to the committee, there was a need to decide how to engage with the wider membership and the town and parish councils. She explained that the consultation period was from 8 June – 17 August and that some of the recommendations from the Committee for Standards in Public Life had been incorporated into the specific obligations of general conduct.

The Deputy Monitoring Officer (Maria de Leburne) then provided an overview of how the new draft code had been formulated through LGA events and workshops; the 12 specific obligations within the model code, the lack of mention of pre-determination within the draft model, and how the use of social media had been incorporated into the 'Civility' section. She then walked Members through the consultation questionnaire.

Consideration was given to:

- The on-line questionnaire and how Members and the town and parish councils should be encouraged to take part in the consultation either individually and/or collectively via the Monitoring Officer
- Whether a request could be made for the consultation period to be extended to allow for the Town and Parish Councils to meet to consider the consultation document

RESOLVED that:

- a) The email correspondence received from the LGA with regard to the consultation process for the Model Member Code of Conduct be forwarded to all Members and to the town and parish councils with a note to encourage participation either individually or by contacting the Monitoring Officer with regard to feeding into a collective response from the local authority; and
- b) The Monitoring Officer write to the LGA on behalf of the Committee requesting an extension to the consultation period to 30 September 2020.

(Proposed by Cllr Mrs N Woollatt and seconded by Cllr C R Slade)

Note: * Draft Code previously circulated, copy attached to minutes.

Local Government Association

Model Councillor Code of Conduct 2020

Joint statement

The role of councillor across all tiers of local government is a vital part of our country's system of democracy. It is important that as councillors we can be held accountable and all adopt the behaviors and responsibilities associated with the role. Our conduct as an individual councillor affects the reputation of all councillors. We want the role of councillor to be one that people aspire to. We also want individuals from a range of backgrounds and circumstances to be putting themselves forward to become councillors.

As councillors, we represent local residents, work to develop better services and deliver local change. The public have high expectations of us and entrust us to represent our local area; taking decisions fairly, openly, and transparently. We have both an individual and collective responsibility to meet these expectations by maintaining high standards and demonstrating good conduct, and by challenging behaviour which falls below expectations.

Importantly, we should be able to undertake our role as a councillor without being intimidated, abused, bullied or threatened by anyone, including the general public.

This Code has been designed to protect our democratic role, encourage good conduct and safeguard the public's trust in local government.

Introduction

The Local Government Association (LGA) has developed this Model Councillor Code of Conduct, in association with key partners and after extensive consultation with the sector, as part of its work on supporting all tiers of local government to continue to aspire to high standards of leadership and performance. It is a template for councils to adopt in whole and/or with local amendments.

All councils are required to have a local Councillor Code of Conduct.

The LGA will undertake an annual review of this Code to ensure it continues to be fit-for-purpose, incorporating advances in technology, social media and changes in legislation. The LGA can also offer support, training and mediation to councils and councillors on the application of the Code and the National Association of Local Councils (NALC) and the county associations of local councils can offer advice and support to town and parish councils.

Definitions

For the purposes of this Code of Conduct, a “councillor” means a member or co-opted member of a local authority or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

For the purposes of this Code of Conduct, “local authority” includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

General principles of councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, councillors and local authority officers; should uphold the [Seven Principles of Public Life](#), also known as the Nolan Principles.

Building on these principles, the following general principles have been developed specifically for the role of councillor.

In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.

This Code of Conduct applies to you when you are acting in your capacity as a councillor which may include when:

- you misuse your position as a councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor;

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor.

Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and parish councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

Standards of councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect

As a councillor:

1.1 I treat other councillors and members of the public with respect.

1.2 I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidating or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor-officer protocol.

2. Bullying, harassment and discrimination

As a councillor:

2.1 I do not bully any person.

2.2 I do not harass any person.

2.3 I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

3. Impartiality of officers of the council

As a councillor:

3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and access to information

As a councillor:

4.1 I do not disclose information:

- a. given to me in confidence by anyone**
- b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless**
 - i. I have received the consent of a person authorised to give it;**
 - ii. I am required by law to do so;**
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or**
 - iv. the disclosure is:**
 - 1. reasonable and in the public interest; and**
 - 2. made in good faith and in compliance with the reasonable requirements of the local authority; and**
 - 3. I have consulted the Monitoring Officer prior to its release.**

4.2 I do not improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my family members, my employer or my business interests.

4.3 I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5. Disrepute

As a councillor:

5.1 I do not bring my role or local authority into disrepute.

As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or your local authority and may lower the public's confidence in you or your local authority's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of position

As a councillor:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the local authority provides you with certain opportunities, responsibilities and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of local authority resources and facilities

As a councillor:

7.1 I do not misuse council resources.

7.2 I will, when using the resources of the local or authorising their use by others:

- a. act in accordance with the local authority's requirements; and**
- b. ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which I have been elected or appointed.**

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

8. Complying with the Code of Conduct

As a Councillor:

8.1 I undertake Code of Conduct training provided by my local authority.

8.2 I cooperate with any Code of Conduct investigation and/or determination.

8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.

8.4 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

Protecting your reputation and the reputation of the local authority

9. Interests

As a councillor:

9.1 I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority .

You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in Table 1, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

10. Gifts and hospitality

As a councillor:

- 10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.**
- 10.2 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.**
- 10.3 I register with the Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.**

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact your Monitoring Officer for guidance.

Appendices

Appendix A – The Seven Principles of Public Life

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Appendix B Registering

interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in "The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012". You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

"Disclosable pecuniary interest" means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A 'sensitive interest' is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a 'sensitive interest' you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it

Disclosure of Other Registerable Interests

6. Where a matter arises at a meeting which **directly relates** to one of your Other Registerable Interests (as set out in Table 2), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it

is a 'sensitive interest', you do not have to disclose the nature of the interest.

Disclosure of Non-Registerable Interests

7. Where a matter arises at a meeting which **directly relates** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

8. Where a matter arises at a meeting which **affects** –

- a. your own financial interest or well-being;
- b. a financial interest or well-being of a friend, relative, close associate; or
- c. a body included in those you need to disclose under Disclosable Pecuniary Interests as set out in **Table 1**

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied

9. Where a matter **affects** your financial interest or well-being:

- a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
- b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

10. Where you have a personal interest in any business of your authority and you have made an executive decision in relation to that business, you must make sure that any written statement of that decision records the existence and nature of your interest.

Appendix C – the Committee on Standards in Public Life

The LGA has undertaken this review whilst the Government continues to consider the recommendations made by the Committee on Standards in Public Life in their report on [Local Government Ethical Standards](#). If the Government chooses to implement any of the recommendations, this could require a change to this Code.

The recommendations cover:

- Recommendations for changes to the Localism Act 2011 to clarify in law when the Code of Conduct applies
- The introduction of sanctions
- An appeals process through the Local Government Ombudsman
- Changes to the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012
- Updates to the Local Government Transparency Code
- Changes to the role and responsibilities of the Independent Person
- That the criminal offences in the Localism Act 2011 relating to Disclosable Pecuniary Interests should be abolished

The Local Government Ethical Standards report also includes Best Practice recommendations. These are:

Best practice 1: Local authorities should include prohibitions on bullying and harassment in codes of conduct. These should include a definition of bullying and harassment, supplemented with a list of examples of the sort of behaviour covered by such a definition.

Best practice 2: Councils should include provisions in their code of conduct requiring councillors to comply with any formal standards investigation and prohibiting trivial or malicious allegations by councillors.

Best practice 3: Principal authorities should review their code of conduct each year and regularly seek, where possible, the views of the public, community organisations and neighbouring authorities.

Best practice 4: An authority's code should be readily accessible to both councillors and the public, in a prominent position on a council's website and available in council premises.

Best practice 5: Local authorities should update their gifts and hospitality register at least once per quarter, and publish it in an accessible format, such as CSV.

Best practice 6: Councils should publish a clear and straightforward public interest test against which allegations are filtered.

Best practice 7: Local authorities should have access to at least two Independent Persons.

Best practice 8: An Independent Person should be consulted as to whether to undertake a formal investigation on an allegation, and should be given the option to

review and comment on allegations which the responsible officer is minded to dismiss as being without merit, vexatious, or trivial.

Best practice 9: Where a local authority makes a decision on an allegation of misconduct following a formal investigation, a decision notice should be published as soon as possible on its website, including a brief statement of facts, the provisions of the code engaged by the allegations, the view of the Independent Person, the reasoning of the decision-maker, and any sanction applied.

Best practice 10: A local authority should have straightforward and accessible guidance on its website on how to make a complaint under the code of conduct, the process for handling complaints, and estimated timescales for investigations and outcomes.

Best practice 11: Formal standards complaints about the conduct of a parish councillor towards a clerk should be made by the chair or by the parish council, rather than the clerk in all but exceptional circumstances.

Best practice 12: Monitoring Officers' roles should include providing advice, support and management of investigations and adjudications on alleged breaches to parish councils within the remit of the principal authority. They should be provided with adequate training, corporate support and resources to undertake this work.

Best practice 13: A local authority should have procedures in place to address any conflicts of interest when undertaking a standards investigation. Possible steps should include asking the Monitoring Officer from a different authority to undertake the investigation.

Best practice 14: Councils should report on separate bodies they have set up or which they own as part of their annual governance statement and give a full picture of their relationship with those bodies. Separate bodies created by local authorities should abide by the Nolan principle of openness and publish their board agendas and minutes and annual reports in an accessible place.

Best practice 15: Senior officers should meet regularly with political group leaders or group whips to discuss standards issues.

The LGA has committed to reviewing the Code on an annual basis to ensure it is still fit for purpose.
