Cllr B Holdman
Cllr S Pugh
Cllr Mrs E J Slade

Cllr Mrs M E Squires

#### AGENDA

Members are reminded of the need to make declarations of interest prior to any discussion which may take place

#### 1 Election of Chairman (The Chairman of the Council in the Chair)

To elect a Chairman for the 2021-2022 municipal year

#### 2 Election of Vice Chairman

To elect a Vice Chairman for the 2021-2022 municipal year

#### 3 Start Time of Meetings

Members to agree the start time of meetings for the remainder of the municipal year

#### 4 Apologies and Substitute Members

To receive any apologies for absence and notices of appointment of substitute Members (if any).

#### 5 **Hybrid Meeting Protocol** (Pages 5 - 12)

To note the Hybrid Meeting Protocol.

#### 6 Declarations of Interest under the Code of Conduct

Councillors are reminded of the requirement to declare any interest, including the type of interest, and reason for that interest, either at this stage of the meeting or as soon as they become aware of that interest.

#### 7 Minutes of the Previous Meeting (Pages 13 - 20)

Members to consider whether to approve the Minutes of the last meeting as a correct record.

#### 8 Public Question Time

To receive any questions relating to items on the Agenda from members of the public and replies thereto.

Note: A maximum of 30 minutes is allowed for this item.

#### 9 Chairmans Announcements

To receive any announcements that the Chairman may wish to make.

#### 10 **Performance and Risk Outturn Report** (Pages 21 - 80)

To consider a report of the Operations Manager for Performance, Governance and Health & Safety providing Members with an update on the performance against the Corporate Plan and local service targets for 2020/21. Previously presented to the Cabinet on 6th July 2021.

#### 11 Financial Outturn Report (Pages 81 - 120)

To consider a report of the Deputy Chief Executive (S151) presenting the Revenue and Capital Outturn figures for the financial year 2020/21.

Previously presented to the Cabinet on 6<sup>th</sup> July 2021.

#### 12 **6 Month Leisure Update**

To receive an update from the Leisure Manager.

#### Motion 564 - Motion 564 (Councillors: Miss Wainwright and Miss J Norton – 24 February 2020)

Community Policy Development Group to consider point 2 of the following Motion agreed by Council on 24<sup>th</sup> February 2021:

This Council affirms its role in helping to create an equal and inclusive society for all, and recognises that sexism, racism, bigotry, discrimination, intolerance and bad behaviours in any form play no part in this. This Council also acknowledges that language is a powerful tool for change, inclusion and inspiration, as well as a cause of ignorance and damaged relationships -- it should be used thoughtfully and respectfully, and language and behaviour should be challenged where it is not respectful or conducive to good outcomes for the Council and its residents.

# In order that the Council can play its part locally in building a more understanding and inclusive society, it resolves:

2. That the Equality Forum and Community Policy Development Group be tasked with exploring opportunities to increase inclusivity, engagement and representation at Mid Devon District Council, including by identifying hard to reach or underrepresented communities, and considering how best to engage with them.

#### 14 Work programming session (Pages 121 - 136)

To receive an overview of work programming practices from the Scrutiny Policy and Research Officer and to agree a work program for future meetings

Stephen Walford Chief Executive Monday, 19 July 2021

#### Covid-19 and meetings

From 7 May 2021, the law requires all councils to hold formal meetings in person. However, the Council is also required to follow government guidance about safety during the pandemic. For a short period – probably until 30 June – the Council will enable all people to continue to participate in meetings via Zoom.

You are strongly encouraged to participate via Zoom to keep everyone safe - there is limited capacity in meeting rooms if safety requirements are to be met. There are restrictions and conditions which apply to those in the building and the use of the building. You must not attend a meeting at Phoenix House without complying with the requirements in the new protocol for meetings. You must follow any directions you are given.

Please read the new meeting protocol which is available here: <a href="https://democracy.middevon.gov.uk/documents/s21866/aaaaHybridMeetingProtocolMay2021.pdf">https://democracy.middevon.gov.uk/documents/s21866/aaaaHybridMeetingProtocolMay2021.pdf</a>

If you want to ask a question or speak, email your full name to <a href="mailto:Committee@middevon.gov.uk">Committee@middevon.gov.uk</a> by no later than 4pm on the day before the meeting. This will ensure that your name is on the list to speak and will help us ensure that you are not missed – as you can imagine, it is easier to see and manage public speaking when everyone is physically present in the same room. Notification in this way will ensure the meeting runs as smoothly as possible.

If you would like a copy of the Agenda in another format (for example in large print) please contact Carole Oliphant on:

E-Mail: <u>coliphant@middevon.gov.uk</u>

Public Wi-Fi is available in all meeting rooms.

1.

#### Mid Devon District Council – Hybrid Meeting Protocol

#### 1. Introduction

Remote meetings via Zoom have been used during the Covid-19 pandemic in accordance with the temporary legislation. That legislation ceases to apply from 7 May 2021. However, Covid-19 legislation and guidance continues in place and this places specific requirements for meetings in relation to health and safety, risk assessments and related matters.

The Council has therefore put in place temporary arrangements which will enable meetings to take place in compliance with legislation, whilst providing alternative participation opportunities to maintain a Covid-19 safe environment. All are asked to remember that the Council's offices at Phoenix House are not just meeting rooms – they are the place of employment for many and there are implications beyond just how the meetings are held.

The arrangements set out in this Protocol will apply to meetings from 7 May 2021 to (and including) 30 June 2021, unless the Council decides to change, curtail or extend them. At the date of this Protocol, it is expected that arrangements may change later this year – because the Government may change the law, the Covid-19 pandemic may have further receded and/or the Council makes alternative arrangements.

#### 2. Hybrid arrangements – how will they work?

The primary objective is to ensure that meetings can continue as safely as possible and that the rights of Members and the Public are not diminished simply because the meeting is being held through a mix of online and face-to-face means. The Chairman will retain control and discretion over the conduct of the meeting and the Zoom host will provide administrative support to facilitate the meeting.

<u>Please note that, exceptionally, meeting arrangements may change – in response to legislation, court decisions, or risk. This may include a meeting being postponed, or the hybrid arrangements changing or being withdrawn. We ask that you check the arrangements in advance of joining or attending the meeting.</u>

#### (a) Members (councillors) entitled to vote

All Members entitled to vote in a meeting must be present in the same room – if they are to be classed as 'present' (count towards the quorum) and to cast a vote. If a Member entitled to vote is not in the room, they may still participate via Zoom (see below), but they will not be present (quorum) nor be able to vote.

#### (b) Other Members, Officers and the Public

The Council will use Zoom to enable all other Members, officers and the Public to attend and participate in meetings safely. Zoom will be enabled in all public meetings. Those attending the meeting physically will be able to see and hear Zoom participants via the existing large TV/monitor screens in the meeting rooms.

Those on Zoom will be able to hear Members in the room and see them – although this will be a whole room view and there will be no zooming in on individual members. It is essential therefore those Members present in the room use the microphones at all times and identify themselves before speaking.

There will be some Officers in the room – the Committee Administrator, the Zoom host and, at times, an additional support officer. There may also be a meeting room host to manage the safety of the meeting. All other Officers should use Zoom, unless they are specifically invited into the room by the Chairman of the meeting.

#### 3. Zoom

Zoom is the system the Council will be using for those attending Hybrid meetings remotely. It has functionality for audio, video, and screen sharing and you do not need to be a member of the Council or have a Zoom account to join a Zoom meeting.

#### 4. Access to documents

Member Services will publish the agenda and reports for committee meetings on the Council's website in line with usual practice. Paper copies of agendas will only be made available to those who have previously requested this and also the Chair of a meeting.

If any other Member wishes to have a paper copy, they must notify Member Services before the agenda is published, so they can arrange to post directly – it may take longer to organise printing, so as much notice as possible is appreciated.

The Public should continue to access agendas via the Council's website - and are encouraged to do so even after the offices at Phoenix House are open again.

#### 5. Setting up the Meeting for Zoom attendance

This will be done by Member Services. They will send a meeting request via Outlook which will appear in Members' Outlook calendar. Members and Officers will receive a URL link to click on to join the meeting. The Public will use the Zoom details on the front of the agenda. The telephone dial-in via Zoom will also be available.

#### 6. Public Access and Participation

#### (a) Public Access:

Members of the Public will be able to use a web link and standard internet browser. This will be displayed on the front of the agenda. Members of the Public should attend a meeting via Zoom, unless there are exceptional circumstances justifying attendance in person.

If any member of the Public still wishes to attend in person, they must notify Member Services at least 3 working days before the meeting. Notifications must be sent by email to:

#### Committee@middevon.gov.uk

Day of meeting	Notice given by
Monday	Previous Wednesday
Tuesday	Previous Thursday
Wednesday	Previous Friday
Thursday	Monday
Friday	Tuesday

The meeting risk assessment may need to be updated. Member Services will liaise with the Chief Executive, Monitoring Officer and the Chairman of the meeting. A decision will be taken on whether attendance in person can be safely accommodated.

#### (b) Public Participation (speaking):

Public questions will continue in line with the Council's current arrangements as far as is practicable. However, to ensure that the meeting runs smoothly and that no member of the public is missed, all those who wish to speak must register **by 4pm on the day before the meeting**. They should email their full name to <a href="mailto:Committee@middevon.gov.uk">Committee@middevon.gov.uk</a>. If they wish to circulate their question in advance, that would be helpful.

At public question time, the Chair will ask each registered person to speak at the appropriate time. In the normal way, the public should state their full name, the agenda item they wish to speak to **before** they proceed with their question. Unless they have registered, a member of the public may not be called to speak, except at the discretion of the Chairman.

If a member of the public wishes to ask a question but cannot attend the meeting for whatever reason, there is nothing to prevent them from emailing members of the Committee with their question, views or concern in advance. However, if they do so, it would be helpful if a copy could be sent to <a href="mailto:Committee@middevon.gov.uk">Committee@middevon.gov.uk</a> as well.

#### 7. Arrangements for any person attending meetings at Phoenix House

Anyone attending a meeting in person must observe the following requirements:

(a) For non-voting members, officers and the Public – are there exceptional circumstances to justify attending? If so, please notify in advance and in paragraph 6 above. It is essential that the Council knows who is attending and how many will be in the room, so that the meeting risk assessment can be updated.

- (b) Do not attend if you: have any symptoms of Covid-19; are self-isolating (with or without a positive Covid-19 test); or are in a period of post-travel quarantine.
- (c) Wear a mask at all times except when invited to speak by the Chairman of the meeting. If you have a medical exemption for wearing a mask, please attend via Zoom unless you are a Member who must attend to vote.
- (d) Use the hand sanitiser which is available in the building.
- (e) Follow the directions for entering, moving around and exiting the building. Follow the instructions of any Officer present to manage the safety of the meeting and/or the Chairman.
- (f) Sign into the meeting if requested to do so you may be asked to leave contact details
- (g) Enter and leave the building promptly do not gather inside after the meeting has finished, or during any break in the meeting
- (h) Bring your own water/refreshments, as these will not be available for the time being.
- (i) Maintain social distancing throughout this is 2 metres apart, or 1 metre with additional safeguards (e.g. face masks).

#### 8. Starting the Meeting

At the start of the meeting, the Member Services Officer will check all required attendees are present and that there is a quorum. If there is no quorum, the meeting will be adjourned. This applies if, during the meeting, it becomes inquorate for whatever reason.

The Chair will remind all Members, Officers and the Public attending via Zoom that all microphones must be muted, unless and until they are speaking. This prevents background noise, coughing etc. which is intrusive and disruptive during the meeting. The Hosting Officer will enforce this and will be able to turn off participant mics when they are not in use.

#### 9. Declaration of Interests

Members should declare their interests in the usual way. A Member with a disclosable pecuniary interest is required to the leave the room. If they are attending via Zoom, they will be moved to the waiting room for the duration of the item.

#### 10. The Meeting and Debate

(a) For Members and Officers physically present

Each member should raise their hand to indicate a request to speak. When called, they must identify themselves for the recording and for the benefit of those attending via Zoom. The microphone must be used when speaking – standing will make it difficult for those on Zoom to hear and is discouraged, including at meetings of Full Council.

#### (b) For any person attending via Zoom

The Council will not be using the Chat function. The Chairman will call speakers in accordance with the usual rules i.e. either at Public Question Time, or for Members and Officers, when they raise their Zoom hand to speak.

No decision or outcome will be invalidated by a failure of the Chair to call a member to speak – remote management of meetings is intensive and the Hybrid arrangements are likely to be more so. It is reasonable to expect that some requests will be inadvertently missed from time to time.

When referring to reports or making specific comments, Members and Officers should refer to the report and page number whenever possible. This will help all present or in attendance to have a clear understanding of what is being discussed.

#### 11. Voting

Voting for meetings in person is normally through a show of hands. The Member Services Officer will announce the numerical result of the vote for the benefit of those attending via Zoom.

#### 12. Meeting Etiquette Reminder for Zoom attendees

- Mute your microphone you will still be able to hear what is being said.
- Only speak when invited to do so by the Chair.
- Speak clearly and please state your name each time you speak
- If you're referring to a specific page, mention the page number.

#### 13. Part 2 Reports and Debate

There are times when council meetings are not open to the public, when confidential, or "exempt" issues – as defined in Schedule 12A of the Local Government Act 1972 – are under consideration.

If there are members of the public and press attending the meeting, then the Member Services Officer will, at the appropriate time, remove them to a waiting room for the duration of that item. They can then be invited back in when the business returns to Part 1.

Please turn off smart speakers such as Amazon Echo (Alexa), Google Home or smart music devices. These could inadvertently record phone or video conversations, which would not be appropriate during the consideration of confidential items.

#### 14. Interpretation of standing orders

Where the Chairman is required to interpret the Council's Constitution and procedural rules and how they apply to remote attendance, they may take advice from the Member Services Officer or Monitoring Officer prior to making a ruling. However, the Chair's decision shall be final.

#### 15. Disorderly Conduct by Members

If a Member behaves in the manner as outlined in the Constitution (persistently ignoring or disobeying the ruling of the Chair or behaving irregularly, improperly or offensively or deliberately obstructs the business of the meeting), any other Member may move 'That the member named be not further heard' which, if seconded, must be put to the vote without discussion.

If the same behaviour persists and a Motion is approved 'that the member named do leave the meeting', then (if attending via Zoom) they will be removed as a participant by the Member Services Officer.

#### 16. Disturbance from Members of the Public

If any member of the public interrupts a meeting the Chairman will warn them accordingly. If that person continues to interrupt or disrupt proceedings the Chairman may ask the Member Services Officer to remove them as a participant from the meeting.

#### 17. Technical issues – meeting management

If the Chairman, the Hosting Officer or the Member Services Officer identifies a problem with the systems from the Council's side, the Chairman should either declare a recess while the fault is addressed or, if the fault is minor (e.g. unable to bring up a presentation), it may be appropriate to move onto the next item of business in order to progress through the agenda. If it is not possible to address the fault, the meeting will be adjourned until such time as it can be reconvened.

If the meeting was due to determine an urgent matter and it has not been possible to continue because of technical difficulties, the Chief Executive, Leader and relevant Cabinet Member, in consultation with the Monitoring Officer, shall explore such other means of taking the decision as may be permitted by the Council's constitution.

Where any Member, Officer or the Public experience their own technical problems during the course of a meeting e.g. through internet connectivity or otherwise, the meeting will not be automatically suspended or adjourned.

#### 18. Technical issues – Individual Responsibility (Members and Officers)

Many members, officers and the Public live in places where broadband speeds are poor, but technical issues can arise at any time for a number of reasons. The following guidelines, if followed, should help reduce disruption.

- Join <u>public</u> Zoom meetings by telephone if there is a problem with the internet. <u>Before</u> all meetings, note down or take a photograph of the front page of the agenda which has the necessary telephone numbers. Annex 1 to this protocol contains a brief step-by-step guide to what to expect
- Consider an alternative location from which to join the meeting, but staying safe and keeping confidential information secure. For officers, this may mean considering whether to come into the office, subject to this being safe and practicable (childcare etc.)
- Have to hand the telephone number of someone attending the meeting and contact them if necessary to explain the problem in connecting
- Officers should have an 'understudy' or deputy briefed and on standby to attend and present as needed (and their telephone numbers to hand)

#### Phone only access to zoom meetings

(Before you start make sure you know the Meeting ID and the Meeting Password) – Both of these are available on the agenda for the meeting

Call the toll free number either on the meeting agenda or on the Outlook appointment (this will start with 0800 --- ----)

(Ensure your phone is on 'speaker' if you can)

A message will sound saying "Welcome to Zoom, enter your meeting ID followed by the hash button"

#### • Enter Meeting ID followed by #

Wait for next message which will say "If you are a participant, please press hash to continue"

#### Press #

Wait for next message which will say "Enter Meeting Password followed by hash"

#### • Enter 6 digit Meeting Password followed by #

Wait for the following two messages:

"You are currently being held in a waiting room, the Host will release you from 'hold' in a minute"

#### Wait.....

"You have now entered the meeting"

#### Important notes for participating in meetings

Press \*6 to toggle between 'mute' and 'unmute' (you should always ensure you are muted until you are called upon to speak)

If you wish to speak you can 'raise your hand' by pressing \*9. Wait for the Chairman to call you to speak. The Host will lower your hand after you have spoken. Make sure you mute yourself afterwards.

#### MID DEVON DISTRICT COUNCIL

MINUTES of a MEETING of the COMMUNITY POLICY DEVELOPMENT GROUP held on 23 March 2021 at 2.15 pm

Present

**Councillors** Mrs C P Daw (Chairman)

Mrs E M Andrews, Mrs C Collis, W Burke, L J Cruwys, J M Downes, C J Eginton,

B Holdman and Mrs M E Squires

**Apologies** 

Councillor(s) E J Berry

Also Present

**Councillor(s)** D J Knowles, R M Deed, F W Letch and B G J Warren

Also Present Officer(s):

Jill May (Director of Business Improvement and Operations), Kathryn Tebbey (Head of Legal (Monitoring Officer)), Paul Deal (Corporate Manager for Finance), Lisa Lewis (Corporate Manager for Business Transformation and Customer Engagement), Simon Newcombe (Corporate Manager for Public Health, Regulation and Housing), Catherine Yandle (Operations Manager for Performance, Governance and Health & Safety), Rob Fish (Principal Accountant), Jane Lewis (Communications and Engagement Manager), Clare Robathan (Scrutiny Officer) and Carole Oliphant (Member Services Officer)

#### 72 APOLOGIES AND SUBSTITUTE MEMBERS (0.04.13)

Apologies were received from Cllr E J Berry who was substituted by Cllr C Eginton

#### 73 REMOTE MEETINGS PROTOCOL (0.04.29)

The Group had before it, and **NOTED**, the \*Remote Meetings Protocol.

Note: \*Protocol previously circulated and attached to the minutes

#### 74 DECLARATIONS OF INTEREST UNDER THE CODE OF CONDUCT (0.04.40)

Members were reminded of the need to declare any interests when appropriate.

#### 75 MINUTES OF THE PREVIOUS MEETING (0.05.07)

The Minutes of the Meeting held on  $26^{\text{th}}$  January 2021 were approved as a correct record

#### 76 PUBLIC QUESTION TIME (0.06.12)

There were no members of the public present.

#### 77 CHAIRMANS ANNOUNCEMENTS (0.06.22)

The Chairman informed the Group that she had attended meetings with the Cabinet Member for the Working Environment and Support Services and Customer Services officers to progress the recommendations of the Scrutiny Customer Experience Working Group. She explained that the recommendations were relevant to the work of the Community PDG via the Community Engagement Strategy.

#### 78 COMMUNITY SAFETY ACTION PLAN (0.07.10)

The Group had before it, and **NOTED**, a \*report of the Corporate Manager for Public Health, Regulation and Housing providing an update on the Community Safety Partnership (CSP) priorities and planned activities for the coming year.

The officer outlined the contents of the report highlighting the priorities for the year ahead and changes to grant funding. He explained that direct grants had been replaced with community grants and that he was exploring how the CSP could access grant funding with partners.

He informed the Group that the CSP had sharpened and shaped its priorities and they were aligned with the County priorities and that the CSP would continue to focus on five key areas which were:

- Sexual Violence and Domestic Violence and Abuse
- Youth Risk and Vulnerability
- Problem Alcohol and Drug Use
- Exploitation
- Violent Crime

The CSP would have a focus on building resilience for children and young people across all themes.

In response to a question asked, the Corporate Manager for Public Health, Regulation and Housing, stated that he would recommend to the CSP that the current schemes were strengthened to include violence against women.

Consideration was given to:

- The statutory partner for the CSP was the Cabinet Member for Community Wellbeing but there was no reason that the PDG could not have greater representation from the Group
- How the CSP would be analysing and responding to the new responsibilities for Local Authorities as a result of the new Domestic Abuse and Serious Violent Crime legislation currently going through parliamentary approval
- The effect of social media and cyber bullying on young people and what the CSP were going to do, including bite size workshop sessions in schools

 The thoughts of the Chairman who recommended to the Group that a Working Group be established to investigate the effect the pandemic had had on the work of the CSP and how priorities may have changed

The Group then **AGREED** to form a Working Group to consider the future priorities and planned activities of the CSP and to bring recommendations back to the PDG. The Members of the Working Group were agreed as:

 Cllr B Holdman, Cllr Mrs M E Squires, Cllr Mrs C Collis, Cllr Mrs E M Andrews and Cllr W Burke

The Cabinet Member for Community Wellbeing was invited to take part in the Working Group.

(Proposed by the Chairman)

Note: \*Report previously circulated and attached to the minutes.

#### 79 AIR QUALITY ACTION PLAN UPDATE (0.31.19)

The Group had before it, and **NOTED**, a \*report of the Corporate Manager for Public Health, Regulation and Housing providing a progress report on Local Air Quality Management and the Air Quality Action Plan for the Crediton and Cullompton Air Quality Management Areas.

The officer outlined the contents of the report and stated that there were two air quality management areas, Cullompton and Crediton. He informed the Group that the action plan had stalled during 2020 as Public Health officers had been redeployed to assist with services dealing with the pandemic.

He explained that S106 funding had been secured to employ an external consultant to assist with the action planning process and producing a technical supplementary document.

He explained that the statutory reporting to DEFRA had been completed and that officers were currently trying to draw out the data collected during the pandemic. It was not known at this stage what air quality levels would look like in the future and if working and commuting practices would change in the future.

In response to a question asked, the Corporate Manager for Public Health, Regulation and Housing stated he would provide data regarding any changes to air quality in Crediton due to the installation of traffic lights in the High Street.

Consideration was given to:

- That the Local Plan had to be in place before the Air Quality Action plan could be updated to include its requirements
- A supplementary planning document would set out how the Council would measure the impact of development on air quality

The Chairman then requested a Member representative to be involved in the preparation of the draft Air Quality Action Plan and Cllr J M Downes agreed to take on the role.

Note: \*Report previously circulated and attached to the minutes

#### 80 CORPORATE ANTI SOCIAL BEHAVIOUR POLICY (0.49.16)

The Group had before it a \*report of the Corporate Manager for Public Health, Regulation and Housing providing the 3 year review of the Corporate Anti Social Behaviour (ASB) Policy.

The officer outlined the contents of the report and stated that the policy had received a light touch update. The policy was to ensure that all ASB notifications were dealt with consistently across the Council and that staff were trained on all tools available to them including different legislation already in place to help tackle the issues.

He explained that the Council had a dedicated corporate resource available who coordinated and trained staff in a consistent way in line with current legislation and practice.

Consideration was given to:

 Court injunctions were case specific and therefore no consistent course of action could be taken

It was therefore **RECOMMENDED** to the Cabinet that:

It approves the updated Anti Social Behaviour Policy as attached in Annex 1

(Proposed by the Chairman)

**Reason for the decision –** To ensure a consistent approach across the organisation in line with current legislation and practice

Note: \*Report previously circulated and attached to the minutes

#### 81 **REGULATION OF INVESTIGATORY POWERS (1.01.18)**

The Group had before it a \*report of the Head of Legal Services (Monitoring Officer) providing the annual review of the Council's Regulation of Investigatory Powers Policy.

The officer outlined the contents of the report and stated that this was the annual review of the Policy which had been in place for a number of years. The Information Commissioners Office (ICO) reviewed the policy every three years and was due to be reviewed by them in the autumn of 2021.

The Head of Legal Services (Monitoring Officer) went on to thank Cllr A Wilce for his assistance in reviewing the policy.

In response to a question asked, the officer explained that with regard to using social media posts for enforcement, that although people lived out their private lives in public via social media, that the information they shared was still private and could not necessarily be used. She further explained that the rules about officers using Council systems to view and use private social media posts to instigate enforcement action was not clear and further clarification was being sought from the ICO.

It was therefore **RECOMMENDED** to the Cabinet that:

- a) The revised Regulation of Investigatory Powers Act (RIPA) policy be adopted; and
- b) Delegated authority be given to the Head of Legal Services (Monitoring Officer) to review the designation of the Co-ordinating Officer within the RIPA policy and to make such changes to that designation as she considers appropriate

(Proposed by the Chairman)

**Reason for the decision –** Statutory guidance requires the Council to use of RIPA and the RIPA policy annually.

Note: \*Report previously circulated and attached to the minutes

#### 82 FINANCIAL MONITORING (1.13.57)

The Principal Accountant provided the Group with a Financial Monitoring update and stated the financial position had improved since the last report and that there had been larger movements at individual service level. He stated that the current position was a good achievement for the authority during the pandemic.

The officer stated that the forecast improvement of £43k now indicated a year end deficit of £46k.

He explained that the lack of leisure income had made up a large proportion of the variance due to lockdown but the planning variant had shown an improvement. He confirmed that the £775k claim for the Government's Income Compensation scheme had been approved and was expected to be received by the end of the Month. A further claim was due to be submitted.

In response to a question asked, the Principal Accountant stated that he would inform the group what the authority would be bidding on via the Governments Levelling Up fund which had been announced.

#### 83 COMMUNITY ENGAGEMENT STRATEGY (INCLUDING ACTION PLAN) (1.21.16)

The Group had before it a \*report of the Communication and Engagement Manager providing the revised Communication and Engagement Strategy and an update on the achievements made since the last strategy was approved in 2018.

The officer outlined the contents of the report and stated that the PDG Working Group had reviewed the 2018 strategy and contributed to the revised strategy.

Consideration was given to:

 Members concerns with the public being able to use the Planning Portal effectively and that it was not easy to use and how the Communications Team could assist other service areas with accessibility

It was therefore **RECOMMENDED** to the Cabinet that:

The revised Communication and Engagement Strategy and Media and Social Media Policy be approved subject to the inclusion of 'In addition to the existing channels of engagement in the table above the Council also has statutory functions to fulfil in terms of communication and consultation, this includes planning matters via the Statement of Community Involvement' on page 10 of the strategy.

(Proposed by the Chairman)

**Reason for the decision –** To ensure that customers, staff, Members and stakeholders are informed and engaged with Council services and news through appropriate and varied channels

Note: \*Report previously circulated and attached to the minutes

#### 84 PERFORMANCE AND RISK (1.28.46)

The Group had before it, and **NOTED**, a \*report of the Group Manager for Performance, Governance and Data Security providing updated information on the performance against the Corporate Plan and local service targets for 2020-21.

The Officer outlined the contents of the report and explained that the mental health training target would be carried forward to 2021/2022 and that training would be offered to all Members as well as staff.

The Officer then outlined the targets suggested for 2021/2022 against the Corporate Plan Performance framework and asked for any amendments or suggestions. There were no amendments or recommendations.

It was therefore **RECOMMENDED** to the Cabinet that:

The suggested targets for 2021/2022 against the Corporate Plan Performance framework be approved

(Proposed by the Chairman)

**Reason for the decision –** To ensure that performance is monitored so that appropriate corrective action can be taken

Note: \*Report previously circulated and attached to the minutes

#### 85 CHAIRMANS ANNUAL REPORT (1.35.07)

The Group had before it, and **NOTED**, the \*Chairman's Annual Report.

The Chairman thanked both Members and officers for their support during her Chairmanship and stated that she was looking forward to the PDG becoming more involved in the development of policies. She stated that an informal work programming session would be set up to look at policies due to come to the PDG for the next municipal year so that the Group could decide which they wanted to have more involvement with before they were brought to the PDG for approval.

Note: \*Report previously circulated and attached to the minutes

#### 86 IDENTIFICATION OF ITEMS FOR THE NEXT MEETING (1.36.43)

No additional items were identified.

(The meeting ended at 3.54 pm)

**CHAIRMAN** 

#### COMMUNITY PDG 27 JULY 2021:

#### PERFORMANCE AND RISK OUTTURN REPORT FOR 2020/21

Cabinet Member Cllr Bob Deed

Responsible Officer Chief Executive, Stephen Walford

**Reason for Report:** To provide Members with the outturn on performance against the corporate plan and local service targets for 2020/21.

RECOMMENDATION: That the PDG reviews the performance and risks and feeds back any areas of concern.

**Relationship to Corporate Plan:** Corporate Plan priorities and targets are effectively maintained through the use of appropriate performance indicators and regular monitoring.

Financial Implications: None identified

Legal Implications: None

**Risk Assessment:** If performance is not monitored we may fail to meet our corporate and local service plan targets or to take appropriate corrective action where necessary.

**Equality Impact Assessment**: No equality issues identified for this report.

Climate Impact Assessment: A number of performance indicators are either directly or indirectly related to our corporate ambition to reduce carbon emissions. Monitoring the performance of these can help evaluate impact of Council interventions as well as guide future decisions on spend and investment.

#### 1.0 Introduction

- 1.1 The Corporate Plan was approved by Cabinet on 16 January 2020 and runs from April 2020 until March 2024. This is the first annual report against the current Corporate Plan. The attached KPI appendices cover the entire financial year. Progress is monitored throughout the year by reporting against the declared Aims for each Priority identified.
- 1.2 In terms of the priorities for the coming year, the Cabinet will be focused on embedding a recovery from the pandemic, while trying to ensure that delivery against the corporate plan is back on track. As members will see from the KPI report, there are a number of areas that have been dramatically affected by the pandemic and it will be important to understand where these are inevitable and understood 'blips' on a trajectory, where they might be structural changes caused by what's occurred in the last year, and most importantly how to get

delivery back on track wherever possible to ensure that corporate aims can be met.

#### 2.0 Environment Appendix 1

# Aim - Increase recycling rates and reduce the amounts of residual waste generated

- 2.1 The final result for the recycling rate for the year was just below target at 53.5% compared to 53.12% last year. The residual waste was above target at 379.8Kg last year's final result was on target at 365Kg per household.
- 2.2 The waste service has experienced significantly increased levels of recycling and residual waste during lockdown periods, waste arisings have increased by 1975.57 tonnes compared to last year. All our near neighbours also saw an increase in residual waste per household. The service was also adversely affected by staff absences and constraints at the start of the pandemic.
- 2.3 Both measures for missed collections are better than target at 0.02% of all collections for the second year running.
- 2.4 The number of households paying for the chargeable garden waste service exceeded the target of 11,100 customers. An increase of 16.45% compared to the previous year; this is the largest increase since 2017/18.
- 2.5 Altogether a good set of results, the priority for 2021/22 is the three weekly waste collection trial which is due to start in July for three months. This will establish whether this is viable and how much of an improvement it might lead to in terms of recycling rates and a corresponding fall in residual Kg per household. Recycling rates need to significantly increase, so further work is likely to be needed to explore ways in which this could be achieved.

# Aim - Encourage "green" sources of energy supply new policies and develop plans to decarbonise energy consumption in Mid Devon

- 2.6 At an extraordinary meeting of Full Council on 26 June 2019, Members voted unanimously to support an ambitious cut in carbon emissions; to aim for Mid Devon to become carbon neutral by 2030.
- 2.7 The Climate Change Strategy and Action Plan were approved by Cabinet on 1 October 2020. The Climate and Sustainability Specialist started on 1 March 2021.
- 2.8 The Council has secured more than £310,000 of Public Sector Decarbonisation Scheme grant to fund the installation of energy efficiency and cost-saving measures at its three leisure centres.
- 2.9 The Council will also receive an additional £38,000 in the form of two grants from Salix, which is administering the government funding. These two grants are specifically to assist the development of a Heat Decarbonisation Plan to 2030 (£18,000) and £20,000 for skilled project support on the delivery of our Public Sector Decarbonisation Scheme that will be rolled out to the leisure

centres. All three funding schemes will help the Council take valuable steps closer to realising its ambition to become carbon neutral by 2030.

3.0 Homes Appendix 2

# Aim - Deliver more affordable housing and greater numbers of social rented homes

- 3.1 No new council houses were built during 2020/21 but two right to buy properties was bought back. However in March the Council announced plans to build more than 50 new council houses between 2021 and 2024. For 2021/22 a target of 17 has been set.
- 3.2 None of the targets for housing delivery have been met but it must be recognised that the Covid pandemic increased the challenges during 2020/21 with the industry being completely shut down during the first period of lockdown. In this light the number of completions should be viewed favourably.

Aims - Work with Community Land Trusts and other organisations to deliver homes retained in perpetuity for local need Support the establishment of Community Land Trusts in partnership with Parish Councils and other local bodies

3.3 Two Community Land Trusts were assisted during 2020/21 meeting the target.

# Aim - Work with landlords to ensure the quality of homes in the private rented sector

3.4 Empty homes brought back into use were once again above target at 101 (138 last year).

#### Aim - Support and grow active tenancy engagement

- 3.5 A tenant survey was successfully completed with a response rate of 34%. Work is continuing on analysing the results and developing an action plan.
- 3.6 Staff continued to provide a high level of support to tenants while working from home during the pandemic. Repairs staff were redeployed to maintain corporate assets while non-urgent work was suspended during the first lockdown but have been working fairly normally throughout the remainder of the year. The teams received a lot of positive feedback from customers.

# Aim - Work with local stakeholders to initiate delivery of the new garden village at Culm

3.7 Two stakeholder forums were held remotely during 2020/21, in August and September, on the Building with Nature accreditation and the Connecting the Culm project.

#### **4.0 Economy** Appendix 3

Aims - Identify strategic and tactical interventions to create economic and community confidence and pride in the places we live. This includes a continued focus on Town Centre Regeneration

Develop and deliver regeneration plans for all 3 main towns in partnership with Town and Parish Councils, private and third sector and communities Promote the regeneration of our Town Centres by working with landlords and property developers to improve and increase the supply of quality housing

- 4.1 Progress has been made on both the Tiverton Town Centre and Cullompton Town masterplans during 2020/21 with stage 2 consultations for both scheduled for 2021/22.
- 4.2 The Council's own retail properties have good occupancy rates with only three vacancies across the portfolio in Tiverton, one of which has been recently let subject to contract.
- 4.3 The number of empty business units across the district have reduced during 2020/21 and the number of business rate accounts has increased, although this is partly due to small businesses registering for the first time in order to secure grant funding. This is an encouraging sign of business resilience, however the next 6-9 months will be the test as national support mechanisms unwind and economic activity rebalances to its own level.
- 4.4 The Council has administered £36M of Covid grant funding to businesses over the course of the pandemic along with £2M of new rate reliefs. This was an enormous amount of work undertaken by staff from Revenues, Growth and Economic Development, redeployed Leisure staff and Finance.
- 4.5 Growth and Economic Development and Public Health staff have worked hard to help businesses and retail areas to open safely when they were allowed after the periods of lockdown.

Aim - the creation of South West Mutual Bank and seek opportunities to encourage new branches being opened in areas that aren't well-served by existing banking services providers

4.6 A meeting was held in December 2020 by the Deputy Chief Executive and the Cabinet Member for Finance with SW Mutual Bank's Director to receive an update on progress. Clearly, the prevailing Covid19 challenges have slowed down previously identified actions and delayed key milestones, however, at the conclusion of the meeting it was agreed that a quarterly progress update report would be provided in the future.

#### 5.0 **Community** Appendix 4

5.1 In addition to the business grant funding referred to above the Council has £534,410 funding specifically to help adversely affected individuals through

Hardship funding and Self Isolation payments. For the latter the Council had 263 applications up to March 2021; 104 were paid (£52k), 144 rejected and 15 were awaiting assessment.

#### Aim - Secure decent digital connectivity for all of Mid Devon

5.2 Town centre Wi-Fi projects are proposed to be delivered in 2021.

# Aim - Seek opportunities to address public health issues and disparities to improve the health and wellbeing of everyone in Mid Devon

- 5.3 Despite the Leisure centres being closed for several periods during the pandemic a few people were still referred under the various schemes and started in the Autumn. These programmes will continue in 2021/22.
- 5.4 During the closures Leisure staff were redeployed to other services including Street Scene, Planning, Housing, grant payments and NFI work. During the first lockdown some were working on the Shielding project and later with community testing at EVLC and vaccinations at LMLC.

#### **6.0** Corporate Appendix 5

- 6.1 The Planning KPIs are all on target or better than target which, bearing in mind both the vacancies in key areas and the relatively undiminished volume of applications, is a significant success.
- 6.2 The responses to FOI requests have been 100% on time for two years.
- 6.3 The Council's own industrial units had 100% occupancy rates at the end of the year.
- 6.4 Collection rates for Council tax and NNDR are only slightly below target which is a real achievement during a pandemic when no formal recovery took place.
- 6.5 The Devon and Somerset Metro Board reached an important milestone in February, submitting a Strategic Outline Business Case to the Department for Transport to reopen stations at Cullompton and Wellington. This is a crucial step forward in the process of implementing improvements to the rail network including the provision of these new stations.

#### 7.0 Risk

Some risk scores have increased due to the Covid 19 pandemic especially as regards financing, homelessness and the economic outlook.

7.1 The Corporate risk register is regularly reviewed by Group Managers and Leadership Team and updated as required.

- 7.2 Risk reports to committees include strategic risks with a current score of 10 or more in accordance with the Risk and Opportunity Management Strategy. (Appendix 6)
- 7.3 Operational risk assessments are job specific and flow through to safe systems of work. These risks go to the Health and Safety Committee biannually with escalation to committees where serious concerns are raised.

#### 8.0 Recommendations

8.1 That the PDG reviews the performance and risks and feeds back any areas of concern.

people approaching us as homeless due to the ongoing economic impact of the pandemic. In addition, those presenting may be distressed and therefore their responses to our officers may be inappropriate, which can cause stress. Further, there are risks associated with rough sleeping during the pandemic, however, we have obtained further funding from MHCLG which supports work with rough sleepers and the Housing Options Team has necessary skills, knowledge, and experience to enable them to prevent and manage homelessness efficiently and effectively.

Risk: Information Security Inadequate data protection could lead to breaches of confidential information and ultimately enforcement action by the ICO.

Risk: Right to Buy - Re-investing Receipts in New Affordable Rented Homes : Failure to deliver an appropriate housing programme to provide new social rent Council housing may result in existing housing stock not being replaced at an adequate rate to offset RTB sales. This may also result in payment of interest to MHCLG on any unspent, ring-fenced 1-4-1 RTB receipts and have longer term impact on the overall financial health of the HRA over a 30-year plan period.

Service Manager: None

Review Note: We have submitted to MHCLG a detailed programme for delivering additional social rent homes over 21/22. The final scope of this programme will depend on on-going negotiations with MHCLG on potential extension to RTB receipts due to be spent in 20/21 (due to Covid etc) as well as 21/22 receipts already assigned in the programme. Going forward, the plan will be informed by a new Housing Strategy. The desired outcome being shaped is to have in place rolling 3-year RTB receipt/housing stock programme set at a minimum 100% stock replacement rate (based on average rates of RTB sales, reviewed annually). This will allow for receipts to be allocated to an identified and approved future development/redevelopment scheme or buy-back opportunity at date of receipt for utilisation over the required 3-year utilisation period, thereby mitigating the risks.

making as

Current Risk Likelihood: 3 - Medium

Service Manager: Stephen Walford

**Review Note:** The most recent audit notes that members need to strike a balance between governance and oversight that assures, and continued intervention that will commercially hinder. With governance matters now addressed, this risk sits predominantly with the actions of members who must work to balance the need for process checking, challenge and assurance, with the desire to use the company as a tool for political disagreement. As much as it might be (a point of political disagreement), the audit position is clear that such interventions are not beneficial to the company in commercial terms, and therefore unlikely to be in the long-term interests of the council in seeking to achieve its strategic objectives.

With monthly updates at Cabinet continuing, alongside regular auditing, members have structurally embedded a range of mechanisms to give confidence in the governance, oversight and assurance process. The reputational risk from members bringing the company into disrepute is therefore very much in individual members' hands.

# Agenda Item 11

# COMMUNITY PDG 27 JULY

#### **REVENUE AND CAPITAL OUTTURN 2020/21**

Cabinet Member Cllr Andrew Moore

**Responsible Officer** Deputy Chief Executive (S151): Andrew Jarrett

**Reason for Report:** To present the Revenue and Capital Outturn figures for the financial year 2020/21.

RECOMMENDATION(S): That Community PDG notes the report and feeds back any areas of concern

Relationship to the Corporate Plan: The financial resources of the Council impact directly on its ability to deliver the Corporate Plan prioritising the use of available resources carried forward from 2020/21. The Outturn Report indicates how the Council's resources have been used to support the delivery of budgetary decisions. All future spending will be closely linked to four key priority areas identified in the 2020 – 2024 Corporate Plan.

**Financial Implications:** Good financial management and administration underpin the entire document. A surplus or deficit on the Revenue Budget will impact on the Council's General Fund balances. The Council's financial position is constantly reviewed to ensure its continued financial health.

**Legal Implications:** None.

**Risk Assessment:** Regular financial monitoring information mitigates the risk of over or underspends at year-end and allows the Council to direct its resources to key corporate priorities. Members will be aware that the Council continues to face a financially difficult and uncertain future. As such, the Strategic Risk Register (monitored by Audit Committee) includes a specific risk relating to this issue:

**Equality Impact Assessment**: No equality issues identified for this report.

**Impact on Climate Change**: No impacts identified for this report.

# 1 Executive Summary

- 1.1 This report contains information relating to the Council's overall financial performance for the 2020/21 financial year. The Outturn figures included are provisional and subject to external audit; the findings of which are to be reported to Audit Committee in September this year.
- 1.2 Monitoring the Budget is an important part of the Council's performance management framework. The aim is to keep a tight control on spending on services within a flexible budget management framework.
- 1.3 The Revenue Outturn position for the financial year 2020/21 is as follows:
  - The General Fund (GF) Revenue Outturn position for 2020/21 is a net overspend of £65k as shown in Appendix 1. The table below assumes this transfer.

    Page 81

 The HRA is a "Self-Financing" account for the Council's Housing Landlord function, which is budgeted to "breakeven" (net of approved transfers to/from HRA Reserves). The HRA Outturn for 2020/21 is a net underspend of £94k as shown in **Appendix 2**.

2020/21 Revenue Outturn Position	31 March 2020 £k	In year movement £k	31 March 2021 £k
General Fund Reserve	2,251	(65)*	2,186
Housing Revenue Account Reserve	2,000	0	2,000

<sup>\*</sup> Pre Audit

- 1.4 Members should note that officers have also identified areas where the carry-forward of some unspent budgets where it will be beneficial to help mitigate the impact of financial pressures and commitments in 2021/22. These are proposed to be transferred into Earmarked Reserves. These are identified within the individual service summaries and within **Appendix 3**.
- 1.5 2020/21 has been an exceptional year for all Councils. The financial effects of Covid-19 have been material with significant variances in expenditure incurred and funding received. The Council has lost income across Council Tax, Business Rates and Service Fees and Charges and has incurred additional spend in providing support to businesses and local communities. It has however been largely compensated by a wide variety of additional grant and compensation schemes. Appendix 4 summarises the additional funding received by the Council, some of which has been passed directly onto struggling businesses and residents, others have helped offset the additional pressures experienced by the Council itself.
- 1.6 The Capital Outturn position for 2020/21 is an underspend of £29,907k with the vast majority carried forward as shown in Section 6. A summary is included within **Appendix 5**.
- 1.7 A summary of the Council's Treasury Management year end position is shown in Section 7.

#### 2 Introduction

- 2.1 Members of the Community PDG should note that the Outturn report is fundamentally a set of management reports that show the year-end position on all service areas. The Finance Team then have to turn these management reports into the statutory financial statements which are subject to a wide number of complex accounting rules that often significantly change the final picture of a service's financial position for the year. However, it is important to note that the bottom-line profit or loss for the year remains constant.
- 2.2 Members will be aware from previous experience that the position can change between "in-year" projections and the final Outturn position, mainly due to demand-led service costs and income levels. The budget monitoring process involves a regular review of budgets. Budget Holders, with support and advice from their Accountants, review the position and update their forecasts based on currently available information and knowledge of service requirements for the remainder of the year. As with any forecast there is always a risk that assumptions and estimates will differ from the eventual outcome.

2.3 During the budget setting process, Budget Holders / Accountants continue to ensure that Revenue Budgets are set on a robust basis and take a prudent view of the likely levels of income and expenditure.

#### 3 Covid-19

- 3.1 All aspects of life in 2020/21 have been dominated by the Covid-19 Pandemic. Just prior to the start of the financial year (20 March 2020) the country was put into full lockdown. Throughout the year, there have been various degrees of restriction which affected people's movement and businesses ability to trade. As a response, the Authority has delivered a wide range of support: from providing Business Rates Relief and Grant Support Payments to supporting the most vulnerable in society through the Community Shielding Hub, the Track and Trace scheme and Vaccination Centres.
- 3.2 The Council's finances has been materially impacted by this. Significant additional grant income of circa £40,000k was received to enable the Council to provide this vital support. Conversely, the closure of the leisure centres and reduction in the use of our car parks due to the retail closures and the work from home guidance has significantly reduced the income collected. This has been partially offset through the Government's Income Compensation Scheme, which replaced up to 75% of the loss, after authorities have absorbed the first 5% loss.
- 3.3 Staff were also materially impacted, with a work from home where possible in place throughout the year. Over 100 staff were furloughed and a further 27 were redeployed to help those most vulnerable through the Community Shielding Hub and assisting with and making our leisure centres available as Lateral Flow Test and Vaccine Centres.
- 3.4 Despite this, our financial position has remained robust and our Revenue Outturn position is very close to Budget, at £65k or 0.56% overspent. Each aspect of the overall finances are covered across the following sections.
- 3.5 Appendix 4 provides a summary of the additional Covid-19 related funding received by the Council during the year. The Council treats these funds differently depending on the control it has over the funds.
  - Some of the funding, such as the Business Rates Reliefs are directly passported to Businesses through the claim scheme the Council has put in place. As such the Council is only acting as an "Agent" for this funding and therefore has no control over it. Any unclaimed funding is to be returned to Government. These funds are not included within the "funding" of the Council and any unspent element is held as a creditor on the Balance Sheet
  - The Council has greater control over other aspects of the additional funding, such as the generic Support Grant tranches and Income Compensation. Here the Council is acting as a "Principal" and therefore can retain unspent elements. These are therefore recognised as "funding" for the Council and any balance is proposed to be held in Earmarked Reserves

- 3.6 The unspent balances on the additional grant funding received has been rolled forward to enable its distribution in 2021/22. In addition, the Government have legislated that the collection fund deficits will be smoothed over three years and have provided grant funding to smooth the cash flow implication of this. Therefore £3,411k have been transferred to reserves and will unwind over that three year timeframe.
- 3.7 The effects of Covid-19 will continue into 2021/22 and probably beyond. In the medium term, external income levels will need to return to pre-pandemic levels, as without this, it will be necessary for the service budgets within the MTFP to be adjusted in future years.

#### 4 The General Fund Reserves

- 4.1 The General Fund Reserve is the major Revenue Reserve of the Council. It is increased or decreased by the surplus or deficit generated on the General Fund in the year. This reserve held a balance of £2.251m at the start of the year. In 2020/21 the final £65k deficit generated in year is proposed to be transferred to this Reserve leaving a balance of £2,186k. If this is approved, the General Fund Reserve will still remain above the recommended minimum level of £2,000k as required by Cabinet agreement on 16 January 2020.
- 4.2 Detailed budget monitoring reports were provided to both senior managers and Members throughout 2020/21. This monitoring focused on significant budget variances (+/- £20k), including any remedial action where necessary leading to an estimated overall Outturn position. The final written monitoring report considered by the Cabinet gave a detailed position as at 31 December 2020 and predicted an end of year deficit of £89k for the General Fund. Therefore the final position improved by £24k.
- 4.3 The table below shows the overall Budget, Actual and Variance, summarised for 2020/21.

Financial Summary for 2020/21	2020/21 Budget £	2020/21 Actual £	2020/21 Variance
			£
Total Net Cost of Services	11,386,408	11,033,222	(353,186)
Other Income and Expenditure	138,036	7,132,112	6,994,076
TOTAL BUDGETED EXPENDITURE	11,524,444	18,165,333	6,640,889
TOTAL FUNDING	(11,524,444)	(18,100,397)	6,575,953
Net Income and Expenditure	0	64,937	64,937

- 4.4 As described above, there have been some significant variances at an individual service level. A detailed explanation of these key variances is shown in Appendix 1, service by service. This report highlights the major movements to enable Members to appreciate the more significant trends within each service area. Appendix 1 also provides a summary of the key variances at individual service level to enable full transparency of the position.
- 4.5 In addition to the General Fund Reserve, the Council holds a number of Earmarked Reserves (EMRs) where service underspends are kept so that they can be used to help fund anticipated future expenditure commitments.

Page 84

The net movement of £6,559k to these reserves and the end of year balances held on them are shown in Appendix 3.

- 4.6 As described above, a significant amount of the funding transferred to EMR is due to the smoothing of the Collection Fund Deficit over the next three years. In addition, significant additional Covid-19 related grant funding has been received which has also been transferred to EMR to help mitigate future financial pressures.
- 4.7 The Council (in common with other public bodies) continues to face a difficult financial climate, therefore, it is prudent to retain robust balances to smooth the potential effect to the tax payer of further cuts. The level of Earmarked Reserves in this report further supports the forward planning of the organisation. This approach to financial management will help to deliver our corporate priorities during the short to medium term whilst mitigating the effect of any future cuts in Government funding as we move towards becoming a self-financing organisation.

# 5 Housing Revenue Account (HRA)

- 5.1 This is a ring-fenced reserve in respect of the Council's housing landlord function. It is increased or decreased by the surplus or deficit generated on the HRA in the year. For 2020/21 the Outturn is a net surplus of £94k and Members are requested to approve a transfer to HRA reserves to bring this to zero.
- 5.2 Some of the key variances within this surplus are explained in paragraph 5.4 and the effect of it on the HRA balance is shown below.

#### HRA Balance

HRA Reserve Summary	£k
HRA balance @ 31/03/2020	(2,000)
Budget saving achieved in 2020/21	(94)
Net transfer to HRA ring-fenced reserves	94
HRA balance @ 31/03/2021	(2,000)

- 5.3 Given the positive closing financial position delivered in 2020/21, it is recommended to transfer a sum of £94k into the ring-fenced HRA reserves. Inclusive of budgeted contributions, this has resulted in a net contribution to the Housing Maintenance Fund of £923k. The above position leaves the HRA balance of £2,000k untouched as at 31 March 2021.
- 5.4 Main budget variances during 2020/21 giving rise to the figure of £94k include:
  - £390k salary savings relating primarily due to Covid-19 and a delay in commencing developments;
  - £471k savings due to reduced maintenance and overheads as a result of Covid-19:
  - £416k reduced income and recharges for the above reduced maintenance works;
  - £624k settlement of a contract dispute; and
  - £336k additional contribution pathe lagior Repairs Reserve above budget

- For further details, please see the HRA Outturn Summary for 2020/21, which is attached as Appendix 2 to this report.
- 5.5 The Outturn includes a number of accounting entries 'below the line' that don't affect the revenue position for the HRA, such as Depreciation. For presentational purposes these items have been excluded from the report. Members should note that these items will be shown in full in the Statement of Accounts.
- 5.6 In addition to the above, the HRA holds a number of Earmarked Reserves. The movements on these during 2020/21 and their closing balances are shown on Appendix 3. This money is effectively "ring fenced" and will be held to meet expenditure on projects during 2021/22 and beyond.

#### 6 The Collection Fund

- 6.1 Mid Devon is a Collection Authority for Council Tax and National Non-Domestic Rates, and as such, is required to produce a Collection Fund Account for the Mid Devon area. The Council collects Council Tax on behalf of Devon County Council, Devon Fire and Rescue Service, Devon & Cornwall Police and the Town/Parish Councils.
- 6.2 The Council Tax collection rate for 2020/21 was 97.0% (98.5% in 2019/20). This demonstrates how our Revenues section has consistently been effective in collecting the annual charge in extremely challenging economic times. This resulted in a collection deficit of £1,109k for the year, with Mid Devon's share of this amounting to £92k.
- 6.3 The National Non-Domestic Rates collection rate was 96.8% for 2020/21 (99.2% in 2019/20). Again, this demonstrates how our Revenues section has consistently been effective in collecting the annual charge in extremely challenging economic times. This resulted in a collection deficit of £9,135k for the year, with Mid Devon's share of this amounting to £3,570k.
- 6.4 As highlighted in above, additional Section 31 Grant of £3,411k has been received to smooth the implication of these deficits over 3 years in line with MHCLG legislative requirements.

# 7 Capital Outturn

7.1 A Capital Outturn summary is attached as Appendix 5 to this report. The revised Capital Budget for 2020/21 amounted to £36,961k. At the year-end only £7,054k had been spent leaving the Capital Programme underspent in total by £29,906k. It is important to recognise the difference between a Revenue and Capital under spend; Revenue is an under spend against a cash budget, Capital is an under spend against an outline approval. Therefore this does not necessarily result in a cash balance to carry forward, instead it generally leads to a lower Capital Financing Requirement (in essence lower borrowing).

- 7.2 Capital Receipts of £376k (this includes general useable Capital Receipts and ring-fenced replacement homes Capital Receipts) were applied to finance the programme with the balance of the expenditure met by a combination of borrowing, external grants and contributions from reserves.
- 7.3 As shown in Appendix 5, there are capital projects totalling £26,041k which have not been completed as at the 31 March 2021. This planned expenditure, therefore, needs to be rolled forward to be included in the 2021/22 Capital Programme. These schemes will continue to be funded as before through a mix of unspent Capital Grants, Capital Earmarked Reserves or Prudential Borrowing. In addition there is £248k relating to Disabled Facilities Grant (including £72k related to HRA), £244k relating to Right to Buy, £128k for Major Repairs to Housing Stock and £114k HRA Renewable Energy that will remain in reserves for future prioritisation.
- 7.4 The Capital Receipts Reserve (note this includes general useable Capital Receipts and ring-fenced replacement homes Capital Receipts) is used to part fund the Capital Programme the movement on this account for the year is given below:

Capital Receipts Reserve Summary	£k
Balance at 1 April 2020	(5,157)
Sale of Council Houses (10)	(847)
General Fund Sales	(97)
Pooling of Housing Capital Receipts to Government	227
Capital Receipts applied in year	376
Balance at 31 March 2021	(5,498)

Note – the remaining balance of £5.498m is committed in order to fund any slippage, specific projects in ICT and Private Sector Housing and to balance the Capital Medium Term Financial Plan.

- 7.5 The Capital Earmarked Reserve has been set aside from Revenue to fund capital projects; the balance on this reserve now stands at £255k having reduced by the £46k required to fund the 2020/21 Capital Programme. The remaining balance is committed to fund any slippage and to balance the Capital Medium Term Financial Plan.
- 7.6 The Council also holds New Homes Bonus which can be used for either Revenue or to support future Capital Programmes, the balance held at 31 March 2021 is £3,061k; again much of this remaining balance is committed to funding any slippage and to balance the Capital Medium Term Financial Plan.

# 8 Treasury Management

- 8.1 A review of the 2020/21 investment performance, including the details of interest payable, are included within the separate 2020/21 Treasury Outturn Report was on the Cabinet agenda for 6<sup>th</sup> July 2021
- 8.2 During the year, the Council maintained an average balance of £21.3m of internally managed funds. These internally managed funds earned interest of

- £124k giving an average rate of return of 0.25%. The comparable performance indicator is the 3 month LIBID rate<sup>1</sup>, which was 0.015%.
- 8.3 As at the 31 March 2021, the Council had short term cash investments totalling £17,500k. In addition, the Council held £5m invested in Churches, Charities and Local Authorities (CCLA) Property Funds earning dividends of £206k (4.13%) in 2020/21.
- 8.4 The Authority holds a 100% interest in 3 Rivers Development Limited, a private limited company engaged in construction in the Mid Devon area. The Authority advances funds to the Company to facilitate operations with the intention that they are repaid from the proceeds of the sale of the developments.
- 8.5 During the year ended 31 March 2021, a net £1,102k was loaned to the Company and total loan value at this date was £10,163k. During the year £496k interest was received by the Authority in respect of these loans.
- 8.6 These loans are subject to overarching management review on a regular basis with any impairments made reported within both the periodic monitoring reports and in the year-end financial statements. The year-end review, carried out in compliance with IFRS 9 Financial Instruments, concluded that no further impairments above and beyond the £790k impairment made in 2019/20 in respect of one of the project loans and the working capital loan was necessary.

#### 9 Conclusion

9.1 Members are asked to note the Revenue and Capital Outturn figures for the financial year 2020/21.

## **GENERAL FUND & HRA GRANTS RECEIVED SUMMARY 2020/21**

**Grants Credited to Taxation & Non-Specific Grant Income** 

Name of Grant	Amount Received £	Amount Paid Out £	Amount Remaining £	
Covid-19 Additional Scheme (ARG)	(2,377,393)	2,360,496	(16,897)	
NDR Business Support Grant	(1,129,000)	1,129,000	-	
Economic Vulnerability & Hardship	(107,440)	98,100	(9,340)	
Covid-19 Income Compensation Scheme	(2,019,144)	N/A	N/A	
New Homes Bonus	(1,418,189)	N/A	N/A	
Covid-19 Non-Ringfenced Grant	(1,157,619)	N/A	N/A	
Rural Services Delivery Grant	(466,695)	N/A	N/A	
Other Non-Ringfenced Grant	(8,103)	N/A	N/A	
Subtotal	(8,683,583)	3,587,595	(26,238)	

N.B. Where the Amount Paid Out is N/A this is because the grant was not paid to external beneficiaries, but rather utilised to cover the Council's in-year expenses or earmarked for future purposes.

## **Grants Credited to Services**

Grants Credited to Services		
Name of Grant	Amount Received £	
Corporate Management		
Grant for Tiverton Hub Costs	(22,652)	
DCC Covid-19 Costs Across Services	(49,400)	
Environmental Services		
Section 106	(65,797)	
General Fund Housing		
Flexible Homelessness Support Grant	(154,552)	
Rough Sleeping Initiative	(120,305)	
Planning & Regeneration		
Section 106 - Public Open Space	(128,044)	
MHCLG Garden Village Project	(130,000)	
MHCLG Section 31 Development Management	(270,500)	
Historic England Grant	(97,901)	
Property Services		
Climate Change Grants	(337,421)	
Revenues and Benefits		
MHCLG 2020/21 Business Support	(170,000)	
BEIS 2020/21 November Lockdown	(166,800)	
NDR Cost of Collection Grant	(110,909)	
DWP Council Tax Admin Grant	(169,402)	
DWP Housing Benefit Admin Grant	(68,483)	
Rent Allowances	(12,351,203)	
Council Tax Hardship Fund	(474,560)	
BEIS 2020/21 Business Support	(76,500)	
DWP Resource Management Grant	(51,300)	
Test & Trace Hardship Fund	(51,030)	
Other grants (various services)	(139,953)	
Covid-19 Job Retention Scheme (Furlough)	(594,687)	(see below)
Subtotal	(15,801,400)	

**Capital Grants Receipts in Advance** 

Name of Grant	Amount Received £
Affordable Housing	(407,885)
Disabled Facility Grant	(570,600)
Subtotal	(978,485)

Total Grants Received (Gross) (25,463,468)
--

**Covid-19 Job Retention Scheme (Furlough)** 

Service Area	Amount Received £
Customer Services	(6,708)
Grounds Maintenance	(8,715)
HRA	(29,060)
Property Services	(8,590)
Recreation & Sport	(520,404)
Waste Services	(21,210)
Subtotal	(594,687)

**Grants Where The Council Acts As Agent** 

	.90			
Name of Grant	Amount Received £	Amount Paid Out £	Amount Remaining £	
NDR Business Support Grant	(22,580,000)	19,890,000	(2,690,000)	
Covid-19 National Scheme (LRGS)	(1,461,564)	1,005,923	(455,641)	
Covid-19 Tier 2 Open	(615,429)	612,783	(2,646)	
Covid-19 Tier 2 Closed	(172,401)	124,879	(47,522)	
Covid-19 Tier2/3 Pub	(64,000)	53,000	(11,000)	
Covid-19 Lockdown 3 Closed	(4,383,000)	3,081,000	(1,302,000)	
Covid-19 Lockdown 3 Addendum	(4,489,089)	3,162,785	(1,326,304)	
Self Isolation Payments	(110,496)	56,500	(53,996)	
Subtotal	(33,875,979)	27,986,869	(5,889,110)

# Agenda Item 1.

# Role of programming panel

i) To oversee the workloads of the six bodies to ensure efficiency of the scrutiny and policy development process;

- ii) To co-ordinate requests for reviews referred to it by the Cabinet or the Council which do not fall within the remit of any one group; and
- iii) To resolve any disputes between groups.

(MDDC Constitution page 124, section 2a)

# Aim – coordination of work programme

Scrutiny Committee Terms of Reference:

- to approve work programme in consultation with the Programming Panel
- to refer those matters which fall within the remit of the Scrutiny Committee, the Policy Development Groups or the Audit Committee, to the Programming Panel for allocation
- to respond to reasonable requests from the Cabinet to develop or review policy not within the remit of any Policy Development Group

(MDDC Constitution page 125, section 3c)

# "Effective work programming is the bedrock of an effective scrutiny function"

Centre For Governance and Scrutiny, The Good Scrutiny Guide

## **Remits**

Scrutiny: contribute to the development of Council policies and also hold the Cabinet to account for its decisions... to review existing policies, consider proposals for new policies and suggest new policies. (MDDC Constitution page 20 section 7a)

PDGs: to review existing policies, consider proposals for new policies and suggest new policies.... The Policy Development Groups act as the overview function, developing and reviewing policy. (MDDC Constitution page 22 section 8.1a)

# **Audit**

Provide independent assurance of the adequacy of the risk management framework and the associated control environment including (from the perspective of the Council) those partnership or joint working arrangements the Council has with other bodies and how their risk management and controls might impact the Council;

Provide independent scrutiny of the authority's financial and nonfinancial performance to the extent that it affects the authority's exposure to risk and weakens the control environment;

Oversee the financial reporting process.

(MDDC Constitution page 26, section 9.1)

## Community

Any matters that impact on the health, safety and wellbeing of people (e.g. air quality, pollution, noise), Public health, Environmental Health (e.g. food standards, water quality), Leisure, Grants funding, Town and Parish fund updates, Bresentations from grant funded organisations, Safeguarding children and vulnerable adults, Community engagement and consultation, Equalities, Health and Safety, Town and Parish Councils (charter), Anti-social behaviour, Community safety, Digital transformation – broadband, Local welfare assistance, Benefits, Presentations from local interest groups such as Drink Wise Age Well, Youth Services, Older Persons strategy, Updates from the clinical commissioning group, RIPA, Targeted families
