MID DEVON DISTRICT COUNCIL

REGULATORY SUB COMMITTEE

A MEETING of the **REGULATORY SUB COMMITTEE** will be held at Phoenix House on Tuesday, 1 August 2023 at 10.30 am

STEPHEN WALFORD

Chief Executive
21 July 2023

Councillors: J Cairney, A Cuddy and L G J Kennedy

A G E N D A

MEMBERS ARE REMINDED OF THE NEED TO MAKE DECLARATIONS OF INTEREST PRIOR TO ANY DISCUSSION WHICH MAY TAKE PLACE

- 1 **Apologies**
To receive any apologies for absence.

- 2 **Election of Chairman**
To elect a Chairman for the Sub-Committee.

- 3 **Access to Information - Exclusion of Press and Public**
It may be necessary to pass a resolution to exclude the press and public having reflected on Article 12 12.02(d) (a presumption in favour of openness) of the Constitution. This decision may be required because consideration of this matter in public may disclose information falling within one of the descriptions of exempt information in Schedule 12A to the Local Government Act 1972. The Regulatory Sub Committee will need to decide whether, in all the circumstances of the case, the public interest in maintaining the exemption, outweighs the public interest in disclosing the information.

To consider passing the following resolution so that exempt information may be discussed:

Recommended by the Proper Officer that under Section 100A(4) of the Local Government Act 1972 the public be excluded from the next item of business on the grounds that it involves the likely disclosure of exempt information as defined in paragraph 1 respectively of Part 1 of Schedule 12A of the Act, namely information relating an individual.

4 **Hearing to determine if a person is fit and proper to hold a Hackney Carriage and Private hire Licence** *(Pages 3 - 24)*

The Council has received an application for a Hackney Carriage / Private Hire Driver licence. The licensing team have information which may call in to question the applicant's suitability to hold a licence. The Sub-Committee must decide whether or not the individual is considered fit and proper to hold a licence with this authority.

An induction loop operates to enhance sound for anyone wearing a hearing aid or using a transmitter. If you require any further information, or

If you would like a copy of the Agenda in another format (for example in large print) please contact Angie Howell on:
