79 PUBLIC QUESTION TIME

There were no members of the public present.

80 MINUTES

The Minutes of the special meeting held on 25 February 2016 were confirmed as a true and accurate record and signed by the Chairman.

81 CHAIRMAN'S ANNOUNCEMENTS

The Chairman had no announcements to make.

82 FINANCIAL UPDATE FOR THE NINE MONTHS ENDED 31 DECEMBER 2015 (00:01:43)

The Group had before it, and **NOTED**, a report * from the Head of Finance presenting a financial update in respect of the income and expenditure so far in the year.

The Principal Accountant outlined the contents of the report making reference to three major positive variances within the General Fund. This included:

- £38k better recovery on the Deposit and Recovery Scheme (DARS).
- £20k lower costs than budgeted due to using the councils own stock instead of B&B's and case numbers having been below average.
- £20k use of Discretionary Housing Payments from central government to fund DARS scheme.

Regarding the Housing Revenue Account the most significant savings were in relation to:

- Repairs and Maintenance as the painting contract would complete a portion of the work in 2016/17 and so £140k would not be spent in the current financial year.
- Where operatives were spending significantly more of their time on major upgrades instead of day to day repairs and so the costs could be charged elsewhere.
- There had also been salary savings where vacancies had not been filled.

A brief discussion took place regarding the enforcement costs in relation to Harlequin Valet and whether or not these could be recovered. It was explained that there was a charge on the property and subject to it being sold there was every possibility of having the costs returned.

Note: * Report previously circulated; copy attached to the signed minutes.

83 PERFORMANCE AND RISK FOR THE THIRD QUARTER OF 2015-2016 (00:08:31)

The Group had before it, and **NOTED**, a report * from the Head of Communities and Governance providing it with an update on performance against the Corporate Plan and local service targets for 2015/16 as well as providing an update on the key business risks.

The Internal Audit Team Leader outlined the contents of the report stating, as an update to section 2.3 of the report, that there were now no outstanding gas safety certificates.

Discussion took place regarding:

- A staircase in St Andrew Street not meeting current building regulations due to conservation requirements however when the property was originally built it had.
- What constituted a 'non decent council home' it was explained that, in the main, this related to additional loft insulation and it was confirmed that the upgrades would be carried out by the end of the financial year.
- The target in relation to affordable homes being linked to the Corporate Plan and the objective of achieving 300 affordable new homes over the next four years.

Note: * Report previously circulated; copy attached to the signed minutes.

84 HOUSING SERVICES ALLOCATIONS POLICY (00:15:12)

The Group had before it a report * from the Head of Housing and Property Services presenting the draft Housing Services Allocations Policy. Social housing was a valuable resource and the Council needed to ensure that those homes in the District which became available for letting were allocated appropriately in order to make best use of the stock. The revised Allocations Policy set out the Council's approach to the use of preference labels on adverts for available properties.

The Head of Housing and Property Services outlined the contents of the report highlighting the changes within the policy that had taken place since the last review. This included offering some of the older person's accommodation to those over the age of 45 and also incorporating some of the recommendations made by the Band E Working Party designed to reduce the number of cases in Band E.

Discussion took place regarding:

- Looking at individual cases sympathetically in relation to family size and age limit criteria.
- The necessity to make the best use of the Council's housing stock.
- Factors relating to the allocation of properties.

RECOMMENDED to the Cabinet that the revised Allocations Policy be approved.

(Proposed by Cllr Mrs H Bainbridge and seconded by Cllr R Evans)

Note: * Report previously circulated; copy attached to the signed minutes.

85 **WELFARE REFORM (00:32:30)**

The Group had before it, and **NOTED**, a briefing paper from the Housing Services Manager outlining the effects of continuing welfare reform.

The Head of Housing and Property Services explained that the paper set out how the Council was planning to deal with the effects of welfare reform. One of these effects would be the reduction of rental income by between £4m and £5m over the next 5 years obviously having a significant impact upon the Housing Revenue Account. The Council would need to look at its long term planning in the housing area as well as a need to look at its asset management.

The paper also highlighted the good work of the Local Welfare Assistance and Money Advice Schemes which were being managed by the Council's Housing Benefits Service.

Discussion took place with regard to:

- The numbers of people on Universal Credit would increase in the coming years.
- Courses of action to reduce the impacts of the effects of the 1% reduction in rent.
- It was not clear at this early stage whether Devolution would allow the Council some leeway in terms of what it could and couldn't do in relation to housing.

Note: * Report previously circulated; copy attached to the signed minutes.

86 CHAIRMAN'S ANNUAL REPORT 2015/16 (00:43:30)

The Committee had before it a draft annual report * by the Chairman on the work of the Policy Development Group during 2015/16. There being no suggested amendments to the report it was **AGREED** that it would be included with the Council Summons for the meeting on 27 April 2016.

87 IDENTIFICATION OF ITEMS FOR THE NEXT MEETING (00:44:09)

In addition to the items already listed in the work programme, the following items were requested to be on the agenda for the next meeting:

- Update on Band E
- Update on the situation regarding Wessex Home Improvement Loans

(The meeting ended at 3.03 pm)

DECENT AND AFFORDABLE HOMES PDG 24 MAY 2016

PERFORMANCE AND RISK OUT-TURN REPORT FOR 2015-16

Cabinet Member Cllr Ray L Stanley

Responsible Officer Head of Communities & Governance, Amy Tregellas

Reason for Report: To provide Members with an update on performance against the corporate plan and local service targets for 2015/16 as well as providing an update on the key business risks.

RECOMMENDATION(S): That the PDG reviews the Performance Indicators and Risks that are outlined in this report and feeds back any areas of concern to the Cabinet.

Relationship to Corporate Plan: Corporate Plan priorities and targets are effectively maintained through the use of appropriate performance indicators and regular monitoring.

Financial Implications: None identified

Legal Implications: None

Risk Assessment: If performance is not monitored we may fail to meet our corporate and local service plan targets or to take appropriate corrective action where necessary. If key business risks are not identified and monitored they cannot be mitigated effectively.

1.0 Introduction

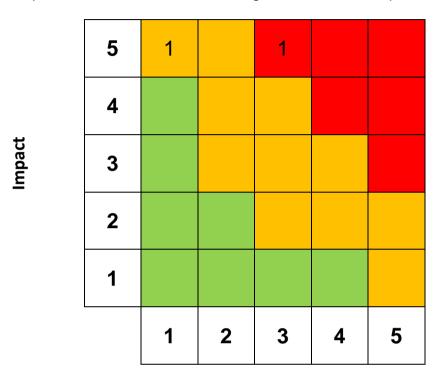

- 1.1 Appendix 1 provides Members with details of performance against the Corporate Plan and local service targets for the 2015-16 financial year.
- 1.2 Appendix 2 shows the section of the Corporate Risk Register which relates to the Housing Portfolio.
- 1.3 Both appendices are produced from SPAR, the corporate Service Performance and Risk Management system.

2.0 Performance

- 2.1 Although we have not met the target for bringing **Empty Homes** back into use for the last 2 years, since we started recording the figure 6 years ago, 89 homes have been brought back into use, therefore overall we are only 1 down on the target for the previous corporate plan.
- 2.2 For **Gas safety** At the end of the financial year, we had 3 properties without a valid gas certificate. Legal Services are dealing with two of instances, trying to gain access to the properties, and the remaining instance is due to an absent tenant.

3.0 Risk

- 3.1 The Corporate risk register has been reviewed by Management Team (MT) and updated. Risk reports to committees include risks with a total score of 15 or more and all those with an impact score of 5. (See Appendix 2)
- 3.2 The profile of these risks for Housing Services for this quarter is:

Likelihood

3.3 This report does not at present show target levels for risks set by MT, which is the tolerance level for each risk, however these are shown in the individual risk entries on SPAR where applicable.

4.0 Conclusion and Recommendation

4.1 That the PDG reviews the performance indicators and risks that are outlined in this report and feeds back any areas of concern to the Cabinet.

Management Notes:

(March)

Throughout the year we completed 6,546 jobs and out of these 6,391 were completed during the first visit. Therefore, there were 155 job which were not completed on our first visit to the property. The reason for the majority of these is that we have had to leave site to order specific material such as glass, doors, heating parts etc.

Agenda Item 8

CABINET 12 MAY 2016

AGENDA ITEM

REVENUE AND CAPITAL OUTTURN 2015/16

Cabinet Member Cllr Peter Hare-Scott

Responsible Officer Head of Finance: Andrew Jarrett

Reason for Report: To present the revenue and capital outturn figures for the

financial year 2015/16.

RECOMMENDATION(S): That Cabinet -

1 - note the General Fund outturn achieved in 2015/16 which shows an overall overspend of £417k.

2 – approve the transfer of monies from New Homes Bonus to increase the General Fund balance to the approved level of funding (see para 2.5). This would decrease the net transfers into earmarked reserves shown in recommendation 3 below.

- 3 approve the net transfers to/from earmarked reserves of £1,438k detailed in the General Fund service budget variance reports shown in Appendix 1 & 2 and summarised in Appendix 4.
- 4 note the positive position achieved on the Housing Revenue Account which shows an annual saving of £916k and approve the "earmarking" of the extra £916k shown in paragraph 3.3, as well as specific items totalling £3,144k and the utilisation of items totalling £1,054k identified in Appendix 4.
- 5 approve the carry forward of £7,559k from the 2015/16 capital programme (see paragraph 5.2) as all of the schemes will be delivered in 2016/17 or later years.

Relationship to the Corporate Plan: The financial resources of the Council impact directly on its ability to deliver the corporate plan prioritising the use of available resources carried forward from 2015/16. All future spending will be closely linked to key council pledges from the updated corporate plan.

Financial Implications: Good financial management and administration underpin the entire document.

Legal Implications: None.

Risk Assessment: Regular financial monitoring information mitigates the risk of over or underspends at year end and allows the Council to direct its resources to key corporate priorities.

Executive Summary of 2015/16 Income and Expenditure

The table below gives an overview of the movements during the year on the key operational balances of the Council and then shows the closing cash position which will be reflected in the end of year Accounts. (Note - These movements assume that all proposed recommendations are agreed, except for the General Fund balance.)

| | 31/3/15 | In year | 31/3/16 |
|-------------------------|-----------|----------|-----------|
| | | movement | |
| General Fund | (£2,380k) | £417k | (£1,963k) |
| Housing Revenue Account | (£2,000k) | £0k | (£2,000k) |

1.0 Introduction

- 1.1 The Council has continued its strategic decision to reduce costs, without adversely affecting service delivery, evidenced by the on-going commitment to further reduce employee costs (especially in back office services) during the year improve efficiencies and maximise income opportunities. This strategy has seen us deliver an overall General Fund (GF) deficit of £417k (see Appendix 1).
- 1.2 During the budget setting process we continue to ensure that revenue budgets are set on a robust basis and take a prudent view of the likely levels of income and expenditure.
- 1.3 It should be noted, in order to get a completed year end outturn position to Senior Management and Members in a timely fashion, these figures may be altered slightly over the next few weeks as we complete the formal accounts process, but will have little effect on the overall GF or HRA surplus position.
- 1.4 Members of the Audit Committee should note that the outturn report is basically a set of management reports that show the final cash related position on all service areas. The Finance Team then have to turn these management reports into the statutory financial statements which are subject to a wide number of complex accounting rules that often significantly change the final picture of a service's financial position for the year. However, it is important to note that the bottom-line profit or loss for the year remains constant.

2.0 The General Fund Reserve

- 2.1 This is the major revenue reserve of the Council. It is increased or decreased by the surplus or deficit generated on the General Fund in the year. This reserve held a balance of £2,380k as at 31/3/15. In 2015/16, a net deficit of £417k has occurred after accounting for all necessary transfers to/from Earmarked Reserves (EMRs).
- 2.2 Detailed budget monitoring reports were provided to both senior managers and members throughout 2015/16. This monitoring focused on significant

budget variances (+/- £10k), included remedial action where necessary and estimated an overall outturn position. The final written monitoring report considered by the Cabinet gave a detailed position at 31 December 2015 and predicted an end of year deficit of £372k for the General Fund. Therefore the final position deteriorated by £45k.

2.3 The table below shows the overall budget, actual and variance for all of our major service areas.

- 2.4 A detailed explanation of all the key variances is shown in Appendix 2, service by service. Inevitably, within a service, there are often variances which compensate. Some areas may create savings which in turn can be partly or fully offset by overspends elsewhere. In this report we have tried to highlight the major movements to enable Members to appreciate the more significant trends within each service area.
 - Note where any of the above variances were deemed to be recurring, the 2016/17 budget was adjusted accordingly.
- 2.5 The overall effect of the 2015/16 financial year would result in a General Fund Balance of £1,963k which is below the Council's own temporary minimum requirement of £8.77m \times 25% = £2,193k (agreed at full Council 25/2/15).
- 2.6 In addition to the GF Balance, the Council holds a number of Ear Marked Reserves (EMRs) which are used to help make provision for known future expenditure commitments which will require funding in 2016/17. The net movement of £1,438k into these reserves and the end of year balances held on them are shown in Appendix 4.

2.7 Market Walk and Fore Street Shops, Tiverton

Members will no doubt be keen to see the first year's result's following the acquisition of the shops in March 2015. The various elements are shown in different areas of the Income and Expenditure account but the overall position is as follows:

| Net income for year | (189) ==== |
|---|--------------------|
| (Shown within property Services committee) Interest payable on Public Works Loan Board loan Statutory capital Financing (over 50 years) | (380) 108 83 |
| Net rental income after expenses | £k |

This income equates to an approximate return of **4.5**% (189k/4,173k), net of borrowing costs.

2.8 Non Domestic Rates

In order to facilitate the earliest reporting of the service outturn this report contains our best estimate of the non-domestic rate position. Members will be aware that we are part of the Devon Pool for Business Rates and we await information from the pool with which to complete the accounts. Our share from the pool is therefore subject to change, depending upon other Council's surplus/deficits for the year.

3.0 Housing Revenue Account (HRA)

3.1 This is a ring-fenced reserve in respect of the Council's housing landlord function. It is increased or decreased by the surplus or deficit generated on the HRA in the year. For 2015/16 the outturn is a net surplus of £nil k after the proposed transfers to/from earmarked reserves.

3.2 This surplus is explained in paragraph 3.4 and the effect of it on the HRA Balance is shown below.

HRA Balance

| HRA balance @ 31/03/15 | £ | (2,000)k |
|---|---|----------|
| Budget saving achieved in 2015/16 | £ | (916)k |
| Additional transfer to 30yr modernisation programme | £ | 916k |
| HRA balance @ 31/03/16 | £ | (2,000)k |

- 3.3 After the strong closing financial position delivered in 2015/16, it is recommended to transfer a sum of £916k into the Housing Maintenance Fund earmarked reserve. This is in addition to the already budgeted figure of £2,375k. The above position leaves an HRA balance of £2,000k as at 31 March 2016.
- 3.4 The main budget variances during 2015/16 that give rise to the figure of £916k were the £371k underspend generated by the Repairs team and the £173k saving generated from the Housing Services area. For further details, please see the HRA Outturn Summary for 2015/16, which is attached as Appendix 3 to this report.
- 3.5 In addition to the above, the HRA hold a number of earmarked reserves. The movements on these during 2015/16 and their closing balances are shown on Appendix 4. This money is effectively "ring fenced" and will be held to meet expenditure on projects during 2016/17 and beyond.

4.0 The Collection Fund

- 4.1 Mid Devon is a collection authority for council tax and national non-domestic rates, and as such, is required to produce a collection fund account for the Mid Devon area. The Council collects council tax on behalf of Devon County Council, Devon Fire and Rescue Service, Devon & Cornwall Police and the Town/Parish Councils.
- 4.2 The council tax collection rate for 2015/16 was 98.1% (97.8% in 2014/15). This demonstrates how effective our Council Tax section has been in collecting the annual charge in extremely challenging economic times. The Non Domestic Rates collection rate improved to 99.1% for 2015/16 (99% in 2014/15).

5.0 Capital Outturn

5.1 A capital outturn summary is attached as Appendix 5 to this report. The revised capital budget for 2015/16 amounted to £13,948k. At the year end we had spent £4,839k leaving the capital programme underspent in total by £9,109k.

Capital receipts of £571k (this includes general useable capital receipts and ring-fenced replacement homes capital receipts) were applied to finance the programme with the balance of the expenditure met by a combination of borrowing, external grants and contributions from reserves.

- 5.2 As shown in Appendix 5 there are capital projects totalling £7,559k which have not been completed as at the 31 March 2016. This expenditure, therefore, needs to be rolled forward to be included in the 2016/17 capital programme. These schemes are still fully funded by either unspent capital grants or by provisions held within capital earmarked reserves. In addition there is £1,461k relating to Affordable Housing, Private Sector Housing Grants, Economic Development Projects, ICT Projects and Major repairs to our Council House stock including Renewable energy solutions underspends which will be placed in relevant earmarked reserves to fund future capital expenditure in these areas.
- 5.3 The Capital Receipts Reserve (note this includes general useable capital receipts and ring-fenced replacement homes capital receipts) is used to part fund the capital programme the movement on this account for the year is given below:

| Balance at 1 April 2015 | £k (986) | | | |
|--|--------------------|--|--|--|
| Sale of Council Houses - 19 | (1,234) | | | |
| General Fund Sales | (26) | | | |
| Pooling of Housing Capital Receipts to Government. | 235 | | | |
| Capital Receipts applied in year | 569 | | | |
| Balance at 31 March 2016 | | | | |

Note – the remaining balance of £1,442k is committed in order to fund any slippage, specific projects in ICT and Private Sector Housing and to balance the Capital Medium Term Financial Plan.

5.4 The Capital Earmarked Reserve has been set aside from Revenue to fund capital projects; the balance on this reserve now stands at £573k made up by the following transactions:

| Balance at 1 April 2015 | £k (1,122) | | | |
|---|---------------|--|--|--|
| Budgeted transfer from the General Fund | (0) | | | |
| Funding required to deliver the 2015/16 Programme | 217 | | | |
| Transfer to Private Sector Housing Grants reserve | 282 | | | |
| Transfer to ICT Projects Reserve | 56 | | | |
| Balance at 31 March 2016 | | | | |

- Note the remaining balance of £567k is committed in order to fund any slippage and to balance the Capital Medium Term Financial Plan.
- 5.5 The council also holds New Homes Bonus which can be used for either Revenue or to support future Capital Programmes, the balance held at 31 March 2016 is £1,851k; again much of this remaining balance is committed to fund any slippage and to balance the Capital Medium Term Financial Plan.

6.0 Treasury Management

6.1 A review of the 2015/16 investment performance, including the new CCLA property investment fund and the details of interest payable are included within the separate 2015/16 Treasury Outturn Report.

7.0 Conclusion

7.1 Members are asked to note the revenue and capital outturn figures for the financial year 2015/16 and agree the proposed earmarking of surplus funds generated by in year savings from both the GF and the HRA. In addition, Members need to approve the incomplete projects on the 2015/16 capital programme be rolled forward into the 2016/17 capital programme.

DECENT & AFFORDABLE HOMES PDG 24 MAY 2016

TENANCY CHANGES POLICY

Cabinet Member Cllr Ray Stanley

Responsible Officer Claire Fry, Housing Services Manager

Reason for Report: To review the Tenancy Changes Policy (previously known as Succession & Assignment Policy).

RECOMMENDATION(S): Cabinet approves the revised Tenancy Changes Policy.

Relationship to Corporate Plan: The Council must run the Housing Service efficiently and effectively in accordance with legislative requirements and the provisions of the regulatory framework.

Financial Implications: The provision of an up-dated policy which includes a section on dealing with tenancy changes should reduce the amount of time staff spend on managing such issues.

Legal Implications: The Housing Act 1985 and Localism Act 2011 set out the statutory provisions for succession and assignment rights of tenants.

Risk Assessment: Failure to provide housing management staff with the appropriate policies could result in a less consistent and effective service.

Introduction

- 1.1 As a registered provider (RP) of social housing, the Council is regulated by the Homes and Communities Agency. The regulatory framework consists of a number of standards and the Council is expected to comply with the provisions of those relating to consumer regulation.
- 1.2 The Localism Act 2011 introduced reduced succession and assignment rights for all new tenancies. The Act also gave local authorities the power to grant additional succession rights. However, it was agreed that this Council would not grant any discretionary rights as approved by the Decent and Affordable Homes Policy Development Group on 20 March 2012.
- 1.3 The review of the Succession and Assignment Policy was last approved at the meeting of the Decent and Affordable Homes Policy Development Group on 20 March 2012. The policy is due to be reviewed by June 2016.
- 1.4 Tenants Together approved the draft Tenancy Changes Policy at their meeting on 11 February 2016.
- 1.5 Members are asked to consider the proposed changes and to recommend that the Cabinet agrees changes to the revised policy.

2.0 Proposed policy changes

- 2.1 The policy has been updated and sets out how the Council will deal effectively with tenancy changes, such as, successions; assignments in accordance with a Court Order; mutual exchange or assignment to a person qualified to succeed to a tenancy; or a joint to sole tenancy request. The title of the policy has been renamed from Succession & Assignment Policy to Tenancy Changes Policy to better reflect what is included in it.
- 2.2 The policy contains a new section which states that tenants may seek written consent to change their tenancy to either a sole to joint tenancy, or vice versa. Any requests are at the discretion of the Housing Services.
- 2.3 The policy introduces a section relating to the retraction of notice. This clarifies what will happen when a tenant serves a Notice on the Council to end their tenancy and then changes their mind. In such cases, in accordance with the revised policy, they would not be allowed to retract the notice. However, the tenant and the Council can agree during the notice period that it can be withdrawn. The Housing Service will have discretion to allow a new tenancy to be granted.
- 2.4 The clauses relating to succession have also been amended to provide more clarity; for example, they include a section on the effect of death on a Right to Buy application. Successors can count their own period of occupation before they succeeded to the tenancy for the purposes of calculating the minimum period for the exercise of the Right to Buy and the discount.
- 2.5 The rules concerning the Right to Buy are governed by the Housing Act 1985. Where a tenant dies during the Right to Buy procedure (application), a successor can require that the transaction is completed on the same terms including the discount as would have been available if the tenant had lived. These rights have been included in the amended policy.

1. Introduction

This policy statement outlines the approach of the Housing Service of Mid Devon District Council (MDDC) to dealing with tenant requests to assign their tenancy, for example in accordance with a Court Order, way of exchange or assignment to a person qualified to succeed to a tenancy. It explains the circumstances when a person may succeed to a tenancy and the effect of death on a Right to Buy application.

2. Scope

This policy explains how the Housing Service will respond to succession and assignment requests or changes to the tenancy, such as joint to sole tenancy requests. It will cover the following points and should be read in conjunction with the related documents as stated below:

- Succession rights
- Liability of a successor for rent arrears and Court Orders
- Effects of death on Right to Buy applications
- Garage and Garage Ground Rent Plot (GGRP) succession rights
- Changes to tenancies
- Assignment rights
- Support and guidance

4. Definitions

The following definitions apply to this policy:

- **Statutory Succession** is the transfer of a tenancy (not a property) to another (qualifying) person upon the death of a tenant.
- **Assignment** is when a living tenant transfers the rights of their tenancy (not a property) in full to a (qualifying) person.
- Qualifying Person is someone who meets the relevant criteria in order to succeed or be assigned an existing tenancy.
- **Tenancy** is any tenancy between a secure, flexible or introductory tenant and MDDC.
- **Equitable tenancy** is one where the legal title is held in trust by an adult or corporate entity.
- **Minor** is any child under the age of eighteen.
- **Sole tenancy** is one tenancy that is held by one person.
- **Joint tenancy** is one tenancy that is held by two or more people, whereby each tenant is jointly and severally liable for the tenancy.
- **An Introductory Tenancy** is a twelve month probationary tenancy, which offers tenants limited rights.

- A Secure Tenancy is granted to some tenants automatically after twelve months of being on an introductory tenancy, provided they have met the conditions of their tenancy agreement. Secure tenants have more tenancy rights.
- A Flexible Tenancy is a form of secure tenancy which lasts for a fixed term. It will be
 granted to most tenants after twelve months following an introductory tenancy.
 Tenants with a flexible tenancy will mostly have similar rights as other secure
 tenants
- A Demoted Tenancy may be given to tenants of secure or flexible tenancies who have breached their tenancy agreement. In most cases, this will be due to anti-social behaviour.
- **Under-occupied** means that a property is bigger than is reasonably required.
- **Vulnerable** is when someone may be classed as having a vulnerability as a result of age, mental illness or physical disability.
- Notice to Quit ends a periodic tenancy, giving a minimum of four weeks' notice to end the tenancy.
- **Notice of termination** ends a flexible tenancy in four weeks beginning with the date on which the notice is served.

5. Succession rights

- 5.1 In the event of a tenant's death, a person residing at the same property may have a legal right to succeed to (take over) the tenancy. This will depend on their relationship to the tenant, length of occupation, type of tenancy and whether or not they were occupying the property as their only or principal home at the time of the tenant's death. Tenants' statutory succession rights are set out in legislation.
- 5.2 In accordance with the Localism Act 2011, there is a right of one succession to a spouse, civil partner or partner. In order to make the best use of housing stock, following the death of a tenant, there is no statutory right of succession to other family members. This will apply to tenancies issued by us from 1 April 2012.
- 5.3 Tenants are advised to refer to their tenancy agreement for more information about what rights apply to their tenancy. The Housing Act 1985 permits one succession of tenancy only.
- In the case of joint tenancies, if one tenants dies, the tenancy continues in the name of the remaining tenant under the right of survivorship, regardless of tenancy type.
- 5.5 The successor or potential successor must notify us in writing within one month of the tenant's death. Where applicable, this should include details of any agreement reached or ongoing dispute relating to the succession to the tenancy.
- Where a qualifying successor's permanent place of residence was with the deceased tenant, but they are absent from the property on a temporary basis (such as being in hospital), they are still entitled to succeed the tenancy. They will be responsible for paying the rent (and any other charges) on time.
- 5.7 If the deceased tenant was an introductory tenant, the successor takes over the introductory tenancy. Once the twelve month introductory period has ended the tenancy will be made either secure or flexible as long as they have met the conditions of the tenancy agreement.
- 5.8 If the deceased tenant was a secure tenant, the successor takes over the secure tenancy and has the same rights as the original tenant, whilst the successor of a deceased flexible tenant takes on the remaining tenancy term from the original tenancy.

- 5.9 If the deceased tenant was a demoted tenant the successor takes on a demoted tenancy. Providing we do not seek possession of the property during the demotion period the tenancy will cease to be demoted at the end of the demotion period. The tenancy will then become either a secure or flexible tenancy. If a flexible tenancy is demoted, at the end of the demotion period a notice must be served on the tenant prior to the end of the demotion period. This will make them aware that the tenancy is to become a flexible tenancy and will specify the fixed term.
- 5.10 If a qualifying successor is away from home for a set period of time, for example, when a son or daughter is at university at the time of the tenant's death, we will assess whether the property can be considered to be their main residence for the purpose of succession. These cases will be considered on an individual basis.
- **5.11** Changes to succession rights will be dealt with in accordance with legislative requirements.
- 6. Under-occupation and accommodation suitable for a person with a disability
- 6.1 There is a shortage of social housing and the Council, as a registered provider of social housing, is expected to make the best use of its housing stock. For this reason, we will seek possession of the home where the successor was a family member of the late tenant (excluding their spouse, civil partner or partner) and occupies a large family house which is substantially under-occupied. This will also be the case where the successor occupies accommodation which is either purpose built or adapted for a person with a physical disability and where there is no longer a need in that household.

In this instance, we will make suitable alternative accommodation available for the successor. Such accommodation must be reasonable on the grounds of the age of the tenant, their length of residence and any financial or other support they gave to the previous tenant. In such cases, proceedings for possession must be served more than six months but less than twelve months after the previous tenant's death. If a request to move is unreasonably refused then we will start legal proceedings to recover possession of the property.

7. No succession rights

- 7.1 Where the death of a tenant leaves someone in the property without a right to succession, we may, at our discretion, consider granting a tenancy, or offer a tenancy at an alternative property. In such circumstances an exception to this policy can be made by the Housing Services Manager. In exercising this discretion we will ensure that the Tenancy Policy, Allocations Policy and Devon Home Choice Scheme are not undermined.
- 7.2 Examples when we may exercise our discretion include:-
 - The applicant had taken up permanent residence with the deceased tenant at least twelve months before their death; or
 - The health or needs of the applicant are such that it would be unreasonable for them to find alternative accommodation.
- 7.3 Where there is no legal right to succession of the tenancy, we may pursue legal action to gain possession of the property within six months of being informed of the tenant's death. Any person remaining in the property until the Court issues a Possession Order will not hold a tenancy of the property, but will be liable for use and occupation charges.
- **7.4** We will offer guidance where there is no legal right to succession of the tenancy.

8. The death of a sole tenant

- 8.1 In the event of a sole tenant's death, written notice will be accepted from the personal representative or executor of the late tenant's estate. The notice period is a minimum of four weeks ending on a Sunday (periodic tenants only) or four weeks beginning with the date on which a Notice of termination is served (flexible tenants only), unless otherwise agreed.
- 8.2 On recovering possession of the property, it will be inspected. Liability for rent arrears or any other unpaid sums, for example, recharges, will pass to the deceased's estate. In the event that the tenant left a will, we will make a claim to the tenant's executor.

9. Notice to quit (NTQ) on the Public Trustee

9.1 Where a tenant has died and following investigation it appears that they died intestate, a NTQ will be served on the Public Trustee. Any rent arrears or unpaid sums, for example, recharges will be recovered from the estate of the deceased.

10. Vulnerable tenants and successions for minors

- 10.1 If a succession results in a vulnerable successor being left in a property unsuitable for their needs, where possible, they will be offered suitable alternative accommodation when it becomes available.
- 10.2 Minors have the same statutory succession rights as individuals over eighteen. However, as minors, they may be regarded as vulnerable and assessed by Children and Young People's Services for risk and support requirements.
- 10.3 When there is a statutory succession to a tenancy, the minor will become the tenant in equity. The minor will be bound by the terms of the original agreement before the succession took place. A third party is required to act as trustee in respect of a tenancy for a sixteen or seventeen year old. The trustee, who may be Children and Young People's Services, a voluntary organisation or an individual may also act as a litigation friend. All correspondence sent from us relating to the tenancy will be copied to the trustee until the minor reaches the age of eighteen. The tenancy will transfer to the minor upon their eighteenth birthday.
- 10.4 Minors under sixteen who have a right to succeed to a tenancy, Children and Young People's Services will need to make sure that they are cared for. To fulfil the occupancy condition, a carer must agree to take custody and move into the property as their principal home until the successor reaches sixteen. The carer will act as the minor's guarantor. We will grant the succeeded tenancy in trust to the carer until the minor's eighteenth birthday, upon which the tenancy will be transferred to the entitled person.

11. Liability for deceased's arrears

- 11.1 In principle, a successor is not liable for any rent arrears owed by the original sole tenant at the time of their death. However, if there is a possession order in force at the time of the original tenant's death, the successor will be at risk of eviction if they do not comply with the terms of the order.
- 11.2 If the successor fails to comply with the terms of a suspended or postponed possession order in respect of payment of current rent and arrears, we will take legal action to obtain possession by either:
 - Issuing new possession proceedings against the successor tenant; or

- Applying to court to make the successor tenant a party to the original possession proceedings. If the court agrees, then we can take steps to enforce the possession order.
- 11.3 If the successor has succeeded to a tenancy which has an outright possession order in force, we can apply to the court for a warrant of possession after the date for possession. If the order was made under a discretionary ground for possession the successor can apply to the court to be joined as a party to the proceedings and, if this is permitted, they can then apply to vary the outright possession order to one that is suspended or postponed on terms.

12. Effect of death on a Right to Buy

- 12.1 Successors to secure and flexible tenancies can exercise the Right to Buy. They can count their own period of occupation before they succeeded to the tenancy for the purpose of calculating the minimum period for the exercise of the Right to Buy and the discount. Where a tenant dies during the Right to Buy procedure (application), a successor can require that the transaction is completed on the same terms (including the discount) as would have been available if the tenant had lived.
- 12.2 If a member of the tenant's family was joined to the Right to Buy application under the copurchaser procedure, and the tenant dies leaving the other applicant in occupation, that
 other applicant is deemed to be a secure tenant for the purpose of completing the Right to
 Buy transaction, provided that they remain in occupation. They can therefore require that the
 sale be completed, even if there has been a previous succession. There are some
 exceptions to this which are governed by the Housing Act 1985.

13. Garage and GGRP successions

- 13.1 Where a garage or GGRP tenancy has ended because the tenant has passed away, the tenancy may be offered to a surviving member of the tenant's household. Proof of residency will be required before re-letting the garage/GGRP.
- 13.2 If the surviving member of the tenant's household is not a Council tenant of a property (dwelling) then they will revert back to the rent charge applied to non-Council tenants. If the tenancy is declined, or after twenty eight working days, the offer has not been accepted, the garage/GGRP will be treated as a normal void. This will be dealt with in accordance with the Housing Services Garage Management Policy.

14. Tenancy changes

- 14.1 We have discretion as to whether or not to grant a new sole to joint or joint to sole tenancy. We require all requests to be put in writing to us and these will be dealt with by the Neighbourhood team.
- 14.2 When making a decision about granting a new tenancy, we will take into account whether the property has been adapted and whether or not the household still has a need for this type of property.
- 14.3 If the tenancy is for a fixed term, we will grant a new tenancy in line with the Council's Tenancy Policy. If there is less than two years remaining of the fixed term of a flexible tenancy, we have the right to refuse a request.

- 14.4 Any new tenancy created will be dealt with in line with the provisions of our Tenancy Policy, our Allocation Policy and the Devon Home Choice Scheme.
- 14.5 There will be exceptional circumstances where the Housing Service may use its discretion to offer a new tenancy where the normal criteria will not be met. Examples may include circumstances where it may result in severe financial hardship or have an adverse effect on the welfare of the tenant and their household. In such circumstances an exception to this policy can be made by the Housing Services Manager.
- **14.6** We will advise the tenant/s to seek independent advice before making a decision to remove or add someone to the tenancy.
- 15. Changes involving sole tenancies where a joint tenancy is requested
- 15.1 Tenants can seek permission to change their tenancy from a sole to a joint tenancy as long as they meet the following conditions:-
 - *The existing tenant/s agree to the creation of a sole or joint tenancy;
 - *A secure or flexible tenancy is held;
 - The new joint tenant is the spouse, civil partner or partner. However, a partner will have to prove that they have lived with the existing tenant for at least twelve months;
 - The new joint tenant does not own or have a part share in a property or hold a tenancy elsewhere, unless they are planning to end that tenancy;
 - *The existing tenant/s do not own or have a part share in a property elsewhere;
 - *There has not been a previous assignment of the tenancy, unless by Court Order;
 - *The existing tenant/s are not under any type of notice to seek possession of the property;
 - *There are no outstanding breaches of tenancy;
 - *There is no Court Order in place due to breaches of the tenancy agreement;
 - *In creating a new tenancy, this will not lead to the household becoming overcrowded or under occupied;
 - *There are no rent arrears or other unpaid sums that are due to us, for example, recharges;
 - *The rent account has been maintained in a satisfactory manner prior to receiving the request;
 - *The existing tenant/s have not previously had a change of tenancy of either a sole to joint or joint to sole tenancy, unless granted by Court Order;
 - All parties to the joint tenancy are aware of their responsibilities as tenants and that they will be jointly and individually liable for the tenancy;
 - *All tenant/s continue to be eligible and in need of social housing and meet the Housing Services Allocation Policy and Devon Home Choice Scheme criteria.
- 15.2 In addition, the new joint tenant will be required to provide the following documentation:-
 - One document to prove their identity and eligibility to live in the UK, for example, a passport;
 - Two documents to prove they have been living at the property for twelve months if they are cohabiting;
 - Proof of marriage or civil partnership.

16. Changes involving joint tenancies where a sole tenancy has been requested

16.1 Flexible and secure tenants can seek permission to change their tenancy from a joint to a sole tenancy as long as they meet the conditions highlighted with an asterisk (*) under Section 15: "Changes involving sole tenancies where a joint tenancy has been requested".

17. Making the best use of stock

17.1 If we grant a new tenancy, we may offer a different type of tenancy than originally held by the tenant/s, for example a flexible tenancy in place of a secure tenancy to make the best use of our stock. We will take into account the household's profile, income, savings and circumstances including any future potential changes to the household, for example grown up children leaving the home.

18. Ending a sole tenancy

- An existing secure tenant will be required to give us a minimum of four weeks written notice to end their tenancy. This is to be in the form of a Notice to Quit (NTQ).
- 18.2 An existing flexible tenant will be required to serve a Notice of termination in writing stating that the tenancy will terminate on the date specified in the notice. That date must be after the end of the period of four weeks beginning with the date on which the Notice of termination is served. We have discretion to dispense with this requirement. The tenancy will only terminate if there are no arrears of rent payable under the Tenancy and the tenant is not otherwise in breach of a term of the Tenancy.
- **18.3** To create the joint tenancy, we will end the existing sole tenancy and issue a new tenancy in joint names.
- **18.4** We will advise the existing tenant of the effects of creating a joint tenancy.

19. Ending a joint tenancy

- **19.1 Periodic tenants only** either joint tenant can terminate the tenancy by giving us a minimum of four weeks written notice in the form of a NTQ. Once the NTQ has expired it is at our discretion to grant a new tenancy to one of the joint tenants. This is easier to achieve if all joint tenants agree.
- 19.2 Flexible tenants only all joint tenants must end the tenancy by serving a Notice of termination in writing stating that the tenancy will terminate on the date specified in the notice. That date must be after the end of the period of four weeks beginning with the date on which the Notice of termination is served. We have discretion to dispense of this requirement. The tenancy will only terminate if there are no arrears of rent payable under the Tenancy and the tenant is not otherwise in breach of a term of the Tenancy. Once the Notice of Termination has expired, it is at our discretion to grant a new tenancy to one of the joint tenants.
- 19.3 Where all joint tenants are in agreement that one joint tenant remains at the property

the following procedure will be used:-

- The outgoing joint tenant serves a valid NTQ or all joints tenants serve a Notice of termination;
- On expiry of the NTQ or Notice of termination the outgoing joint tenant confirms in writing that they have moved out and that the tenancy is over;
- A new tenancy is granted to the remaining tenant.
- 19.4 If a joint tenant of a periodic tenancy serves a NTQ but both joint tenants remain in the property, and refuse to move out, when the NTQ expires, we will apply for possession of the property.
- 19.5 If all joint tenants of a flexible tenancy serves a Notice of Termination but both joint tenants remain in the property and refuse to move out when the Notice of Termination expires, we will apply for possession of the property.
- 19.6 The Protection from Eviction Act 1977 requires us to use Court proceedings to evict tenants. We will not grant a new tenancy to one of the joint tenants where the other joint tenant has not moved out.
- 19.7 Where a joint tenant has absconded from the property, it is the responsibility of the remaining joint tenant to trace the whereabouts of the other joint tenant. Alternatively, they will be advised to take legal proceedings to have the property transferred to them. Any cost incurred will be the responsibility of the tenant.

20. Retraction of notice

20.1 If a tenant/s serves a NTQ or Notice of termination on us to end the tenancy and then changes their mind, the notice cannot be retracted by them. However, we can agree with the tenant/s that it is withdrawn during the notice period, but it is at our discretion if we allow a new tenancy to be granted.

21. Vulnerable tenants

- 21.1 If a tenant is vulnerable or we have concerns about why a tenant is requesting a change to their tenancy, we will investigate the request and discuss the options available to them.
- 21.2 Where a tenant is vulnerable and feels pressured by someone to change their tenancy, we will advise them to seek independent advice.

22. Court powers to transfer tenancies

22.1 In cases where there has been a relationship breakdown, we cannot exclude one joint tenant from the tenancy, nor change the locks to stop a joint tenant gaining access.

- 22.2 In some circumstances, the Courts will decide who should take over a sole tenancy in conjunction with proceedings for divorce, judicial separation or nullity. This can be achieved by the tenant applying for a Property Adjustment Order under the Matrimonial Causes Act 1973.
- 22.3 Alternatively, the Courts may decide who will take over the tenancy under the Family Law Act 1996 or the Children Act 1989. Where an order has been granted by the Court, we will comply with their instruction.

23. Rights to assignment

- 23.1 Tenants are able to exercise their right to assign their tenancy either through way of exchange, assignment to a person qualified to succeed to the tenancy or by a Court Order. Tenants will only be allowed to assign their tenancy to another person who would qualify for statutory succession in the event of the tenant's death.
- **23.2** The following changes to tenancies count as assignments but are not classed as a right of succession:
 - Swapping tenancies by way of mutual exchange with a tenant from either the same landlord or that of another social landlord:
 - By way of a property transfer made by a Court in connection with matrimonial proceedings.

24. Assignment by way of exchange (Mutual exchange)

- 24.1 Secure and flexible tenants have the right to assign their tenancy by way of mutual exchange. We will provide information and advice to tenants who are considering applying to exchange their home with another tenant. When a tenant assigns their tenancy by way of exchange with another tenant, they are accepting the property in its existing condition.
- 24.2 Where a secure or flexible tenant applies to exchange their tenancy with another secure or flexible tenant, we will only withhold consent to the proposed exchange on one of the grounds specified in the Housing Act 1985 or Localism Act 2011.
- 24.3 Tenants with an existing secure tenancy that began before 1 April 2012 will be given a tenancy with no less security if they choose to exchange to another social rented home, unless they choose to exchange by Deed of Assignment. However by doing this they have chosen to lose their lifetime security of tenancy.
- 24.4 Where tenants with an existing secure tenancy that began before 1 April 2012 exchanges with a flexible tenant, the exchange must be done either by surrender and granting of a new tenancy or by Deed of Assignment (see point 24.3). In other cases, mutual exchanges will take place by Deed of Assignment. This means that each party will "take over" the tenancy of the other. The Council may refuse an exchange where at least one tenant has a fixed tenancy term of less than two years.
- 24.5 All tenants who apply to undertake a mutual exchange will be advised about our decision in writing within forty two days of receiving their application. Where consent is withheld, we will inform the tenant about how we reached our decision.
- **24.6** Where consent to the exchange is conditional on a breach of tenancy being remedied, we will advise the tenant in writing of this and provide information about what they have to do to remedy the breach of tenancy.

25. Assignment in accordance with Court Orders

- 25.1 In the event of relationship breakdown between a married couple or civil partners, the Courts may assign a tenancy to a named individual. Where a Court has ordered that the tenancy be assigned as a result of a Court Order, we will accept the assignment as decreed by the court from the effective date.
- 25.2 We will advise the tenant who is to benefit from the Court Order that the tenancy has been assigned to them on receipt of the Court Order. We will advise them of their rights and responsibilities, the date on which the tenancy commenced and the status of the rent account. Where there is a forwarding address, the former tenant will be written to, advising them that their tenancy has ended.

26. Assignment to a person qualified to succeed to the tenancy

- **26.1** Depending on the type of tenancy and when it commenced, a tenant may be allowed to assign their tenancy to another person. The assignment will only be made to a person who would be entitled to succeed to the tenancy should the tenant have died immediately before the assignment.
- 26.2 If there is a secure tenancy that commenced before 1 April 2012 and where there has been no previous succession or assignment, the tenant can assign their tenancy to the following:
 - their spouse or registered civil partner, as long as they were living with them;
 - another member of their family (this includes cohabiting partners, children, parents, siblings and most other close relatives). This is provided that they resided with the tenant at their home as their only or principal home for the previous twelve months.
- 26.3 If there is a secure or flexible tenancy that commenced after 1 April 2012 and where there has been no previous succession or assignment, the tenant can assign their tenancy to the following:
 - their tenant's spouse, civil partner or cohabiting partner as long as they were living with them.
- 26.4 An introductory tenant can assign their tenancy to a person who would be qualified to succeed if they died immediately before the assignment and where there has been no previous succession or assignment to the following:-
 - their spouse or registered civil partner, as long as they were living with them;
 - another member of their family (this includes cohabiting partners, children, parents, siblings and most other close relatives). This is provided that they resided with them at their home as their only or principal home for the previous twelve months.
- A person is qualified to succeed to the tenancy if they occupy the property as their only or principal home at the time of the tenant's death.
- A tenant wishing to assign their tenancy must apply to us in writing. In instances where consent is granted to the proposed assignment, the tenant and the assignee will be written to, inviting them to sign the deed of assignment. The assignee will be advised of their rights and responsibilities as a tenant, rent charges and the date the tenancy will be assigned.

27. Refusals of assignment

We may refuse permission to assign in certain circumstances. If we refuse permission to assign, we will advise the tenant in writing of the reasons for this.

28. Unauthorised assignments

28.1 An unauthorised assignment is a breach of the tenancy and legal action will be taken against any persons who are unlawful occupiers without security of tenure. The tenant will be liable for any costs associated with such action.

29. Support and guidance

- 29.1 We encourage people to come forward if the tenant of a property passes away and will take a sensitive approach to the completion of the formalities required at that time. We will give appropriate advice and assist bereaved relatives, whether they are qualifying successors, or not, as appropriate. We can provide housing and tenancy advice and can signpost or refer people to other agencies who are able to provide other advice, as required.
- 29.2 Any complaints relating to challenging any decision about succession, assignment or tenancy changes rights will be dealt with in accordance with the Council's Compliments, Complaints and Feedback Policy.

30. Service standards

30.1 We are committed to the principles of openness and transparency and for this reason we will ensure that this policy is well-publicised. If there are any operational matters which impact upon our ability to operate this policy, we will ensure that information about this is given to tenants and other stakeholders.
