a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

We will consider advice from the responsible authorities.

b) The prevention of crime and disorder

1. All staff engaged in licensable activity at the premises will receive training and information in relation to the following:-

- i. The Challenge 25 scheme in operation at the premises, including the forms of identification that are acceptable.
- ii. The hours and activities permitted by the premises licence issued under the Licensing Act 2003 and conditions attached to the licence
- iii. How to complete and maintain the refusal register in operation at the premises (in relation to the sale of alcohol).
- iv. Recognising the signs of drunkenness.
- v. The operating procedures for refusing service to any person who is drunk, under-age or appears to be under-age, or appears to be making a proxy purchase.
- vi. Action to be taken in the event of an emergency, including reporting an incident to the emergency services.

Training shall be recorded in documentary form and shall be regularly refreshed at no greater than 12 month intervals. Training records shall be made available for inspection and copying at reasonable times upon request of an authorised officer of a responsible authority. Training records will be retained for at least 12 months.

2. An incident log shall be kept and maintained at the premises which will include a log of the following, including pertinent details

- i. Any incidents of disorder or of a violent or anti-social nature
- ii. All crimes reported to the venue, or by the venue to the police
- iii. All ejections of patrons
- iv. Any complaints received
- v. Seizures of drugs or offensive weapons
- vi. Any faults in the CCTV system
- vii. Any visits by a responsible authority (under the Licensing Act 2003) or emergency service.

Records must be completed within 24 hours of any incident, and will contain the time and date, the nature of the incident, the people involved, the action taken and details of the person responsible for the management of the premises at the time of the incident.

The logs shall be kept for at least 12 months following the date of entry and be made available for inspection and copying upon request of an authorised officer of a responsible authority.

3. The premises shall install operate and maintain a comprehensive digital colour CCTV system to the satisfaction of the Police and Local Authority. As a minimum, the system must:

1. Cover all public areas of the licensed premises including entry and exit points (the location of cameras can also be specified on the plan attached to the premises licence).
2. Record clear images permitting the identification of individuals, and in particular enable facial recognition images (a clear head and shoulder image) of every person entering and leaving in any light condition.

3. Continually record whilst the premises are open for licensable activities and during all times when customers remain on the premises.

4. Have a constant and accurate time and date generation.

5. Store recordings for a minimum period of 31 days with date and time stamping.

8. The CCTV system will capture a minimum of 4 frames per second.

9. The CCTV system will be fitted with security functions to prevent recordings being tampered with, i.e. be password protected.

4. A clear and legible notice must be prominently displayed at all entrances to the premises advising those attending, that the Police will be informed if anyone is found in possession of controlled substances (or weapons)

5. A minimum of 2 SIA registered door staff will be on duty when regulated entertainment is provided in any part of the premise after 00.00. Where this is the case, the door staff will be present from no later than 22:30, and on site, until the premises is closed to the public and all customers have left the premises.

6. There will be no admissions or re - admissions to the premises after 01.00

3. All external windows and doors must be kept shut at all times when regulated entertainment is being provided. Doors may be opened for normal entrance and egress of people but must be shut immediately thereafter.

(NOTE: To ensure this condition is clear, regulated entertainment can include the use of the juke box, when it is played at a level considered above 'background'. So, when the juke box is played at a level considered licensable, the condition applies. However, this will be in line with the Licensing Act de-regulations (i.e. conditions relating to live music and recorded music are considered 'suspended' in certain circumstances, between 08.00 and 23.00).

4. Prior to and during regulated entertainment the management/staff must periodically check during that all windows and doors are shut including that no self-closing doors are wedged

open.

5. Smoking area to be placed at the rear of the property as shown on the plan and smoking on the street will be discouraged.

e) The protection of children from harm

1. There will be in place a written age verification policy in relation to the sale or supply of alcohol, which will specify a Challenge 25 proof of age requirement. This means that staff working at the premises must ask individuals who appear to be under 25 years of age, attempting to purchase alcohol, to produce identification. The only acceptable identification documents will be:

A photo driving licence

A passport

An identification card carrying the PASS hologram

Unless such identification is produced the sale of alcohol must be refused

This policy will include documented steps taken to prevent adults from purchasing alcohol for or on behalf of children under 18.

i. the date and time of refusal

ii. the reason for refusal

v. any other relevant observations.

The refusals register will be made available for inspection and copying on the request of an authorised officer of a responsible authority.

4. Unaccompanied children over 16 and under 18 years of age will only be allowed to remain on the Premises between 10.00 hours and 20.00 hours.
