

DECISION RECORDING FORM

DECISION:
To extend the life of the MDDC Homelessness Strategy 2013-2018 to December 2019

<p>REASON FOR DECISION: Following the implementation of the Homelessness Reduction Act 2017 in April 2018, a new strategy is necessary. The way in which the Council works has changed and therefore the existing strategy requires a complete review. Resourcing issues have delayed the completion of the new strategy.</p> <p>However, Officers in the Housing Service have met with stakeholders and have also undertaken a data review. Work has begun on the drafting content.</p> <p>Once the draft is finalised, there will be a consultation with stakeholders and then a report will go to the Homes Policy Development Group asking for a recommendation to the Cabinet that the new strategy is adopted.</p>

FINANCIAL, LEGAL & EQUALITY ISSUES, IF ANY:

Failure to extend the strategy means that the Council is not compliant with the Homelessness Act 2002.

RISK ASSESSMENT

Officers from the Housing Service have made the local representative from the Ministry of Housing, Communities and Local Government aware that the existing homelessness strategy has expired and that a new one is in development. She advised extending the life of the existing strategy for a short period to allow completion of this work. She suggested seeking a delegated decision from our Cabinet Member for Housing.

Failure to have an agreed strategy means that the Council would not be compliant with relevant legislation and if this was challenged, it could result in a judicial review. There is a reputational risk associated with this and the resources needed to respond to such a challenge would be extensive.

If the proposal is agreed, Officers will ensure that the Housing webpages on the Council's website are updated accordingly to ensure that all stakeholders are aware that the life of the existing strategy has been extended for a short period whilst work on the new strategy is finalised.
