- 2020/21 Salary budgets include an increase of 2% for all scales.
- All earmarked reserves have been reviewed and adjustment made based upon existing need.
- All income flows have been reviewed and adjusted for changes in demand and unit price.
- Investment income has been based upon the existing lending criteria now in force.
- Support services have been calculated in accordance with the annual process.
- New Homes Bonus receipts based on existing legislation changes.
- BR Retained - The movement between the two years reflects 100% retention to 50% retention of growth.
