Mid Devon Local Plan Review 2013-33

Schedule of Additional Modifications and Policies Map changes following 2019 Examination Main Hearings

Date: November 2019

Additional modification are identified in *italics* and are shown as either ~~struck through~~ for deletions or underlined for additions to the text of the Local Plan Review Proposed Submission (incorporating modifications) January 2017.

No.	Policy/ paragraph	Page	Change	Reason
1.	General		Minor formatting/typographic corrections throughout the Plan. These have not been identified individually in this schedule.	To aid clarity and consistency throughout the Plan and to reflect other MMs and AMs that are proposed.
2.	Preparation of the Local Plan	6	Paragraph 1.6, amend as follows: “The National Planning Policy Framework (NPPF) was <i>originally</i> introduced in March 2012 and replaced multiple national policy statements and guidance with an overarching planning policy document.”	To provide clarity. There have been subsequent revisions of the NPPF (latest Feb 2019), however the plan does not reference this update as it has been examined under the original 2012 version of the framework.
3.	Preparation of the Local Plan	7	Paragraph 1.8, amend as follows: “ <u>Under ‘transitional arrangements’ introduced alongside recent revisions to the NPPF, the Local Plan Review has been examined under the original 2012 version of the NPPF.</u> ”	To provide clarity. Clarifies that plan is examined under 2012 version of the NPPF.
4.	Preparation of the Local Plan	7/8	Paragraph 1.11, amend as follows: “The HRA concludes that the development proposed in the Local Plan alone, <u>and in combination with other plans and projects</u> , will not result in adverse effects on the integrity of European Sites around Mid Devon. However uncertainties exist regarding the potential for North Devon and Torridge Local Plan to have significant effects on the integrity of the Culm Grasslands SAC as a result of increased air pollution. Therefore it is not yet possible to conclude that there will be no likely significant effects as a result of implementing the new Mid Devon Local Plan in combination with the North Devon	To provide clarity. The updated HRA concludes that there are no adverse effects of the Plan, either on its own or in combination with other plans (including the North Devon and Torridge Plan).

			and Torridge Local Plan. Further work has been commissioned to determine this impact; the HRA will be updated to reflect the latest evidence."							
5.	Preparation of the Local Plan	8	Text under paragraph 1.13 (fourth bullet point), amend as follows: "A population of 78,600 <u>79,800</u> (2013 Mid Year Estimate<u>2016 Devon County Council PPSA Estimates</u>)"	Update population estimate based on latest available figure from DCC						
6.	Vision and Spatial Strategy	9	Paragraph 1.15, amend as follows: "The vision (in conjunction with the <u>and</u> spatial strategy) describes how the sustainable development of Mid Devon will bring positive benefits to local communities through promoting community well-being, supporting economic success, conserving and enhancing the area and respecting environmental limits:	To provide clarity and correct grammatical error.						
7.	Neighbourhood Planning	13	Paragraph 1.19, amend as follows: "The Council will support local communities wishing to pursue neighbourhood planning. Cullompton, Crediton, and Silverton <u>and Tiverton</u> and Halberton were the first to initiate neighbourhood planning in Mid Devon."	To provide clarity. Halberton is no longer part of the Tiverton Neighbourhood Plan area.						
8.	Superseded Policies	18/19	Table 2, update as follows: <table><tr><td>AL/CU/15</td><td>Cullompton Air Quality</td><td>Replaced in part by: S11 Cullompton Also, each site allocation within Cullompton is required in their policy to have a transport assessment and implement a travel plan to minimise the carbon footprint and air quality impacts</td></tr><tr><td>AL/BO/2</td><td>Bow, South of Iter Cross</td><td>Deleted: No evidence of demand for employment allocation. Long-term protection of the allocation would be contrary to paragraph 22 of the National Planning Policy Framework.</td></tr></table>	AL/CU/15	Cullompton Air Quality	Replaced in part by: S11 Cullompton Also, each site allocation within Cullompton is required in their policy to have a transport assessment and implement a travel plan to minimise the carbon footprint and air quality impacts	AL/BO/2	Bow, South of Iter Cross	Deleted: No evidence of demand for employment allocation. Long-term protection of the allocation would be contrary to paragraph 22 of the National Planning Policy Framework.	Correct of typographical error. References to NPPF paragraphs removed to avoid confusion with post-2012 updates to the framework.
AL/CU/15	Cullompton Air Quality	Replaced in part by: S11 Cullompton Also, each site allocation within Cullompton is required in their policy to have a transport assessment and implement a travel plan to minimise the carbon footprint and air quality impacts								
AL/BO/2	Bow, South of Iter Cross	Deleted: No evidence of demand for employment allocation. Long-term protection of the allocation would be contrary to paragraph 22 of the National Planning Policy Framework.								

12.	Overall provision of housing and employment	23	Paragraph 2.1b, amend as follows: The SHMA concludes that there is no need for further upward adjustment to reflect market signals or other such factors.	To correct typographical error.										
13.	Overall provision of housing and employment	23	Paragraph 2.2, amend as follows: “7,8607,200 dwellings are required over the plan period, equating to 393360 dwellings per year. The following table sets out the situation at 31st March 2018-2016-2014, indicating a remaining need for about 3,512 4,924 5,511 dwellings to be allocated.”	To reflect most recently available housing land monitoring data (March 2018).

24.	Overall provision of housing and employment	28	Paragraph 2.10, amend as follows: “When including windfalls, the Council will assume a minimum of <u>404-129</u> dwellings per year, which <u>is calculated in line with the most recently published version of the Exeter housing market area Housing and Economic Land Availability Assessment (HELAA) methodology (April 2017) was accepted by the Strategic Housing Land Availability Assessment Panel (SHLAA Panel) in the Mid Devon SHLAA Report (2013).</u>”	The site assessment process previously known as the Strategic Housing Land Availability Assessment (SHLAA) has been renamed as the Housing and Economic Land Availability Assessment (HELAA). This minor amendment reflects the change in terminology and also ensures that the assumed windfall figure reflects the most recent version																

25.	Overall provision of housing and employment	28	Paragraph 2.11, amend as follows: “The Local Plan allocates three <u>two-one</u> ‘contingency sites’ for housing. These <u>This</u> developments will only be permitted if housing delivery across the district falls below defined ‘action levels’ or the Council is unable to demonstrate a five year housing supply in accordance with national policy. The release of <u>the</u> contingency sites will be the Council’s preference if the supply of housing is insufficient, but proposals on other sites will also be considered on their merits according to the presumption in favour of sustainable development set out in national policy.”	of the HELAA methodology (2017). To reflect proposed main modification MM35 - removal of contingency status of Policy CU21 Land at Colebrook. The LPR now provides one remaining contingency site (Tidcombe Hall TIV13).

As a significant amount of allocated commercial land now has planning permission or is being/has been developed (so included in the completions and commitments figures), a separate figure is included in the final column to show the remaining total for allocations that do not yet have planning consent. The previous table did not make clear whether the figure given was the total allocation or only the remaining unconsented allocation. This minor modification therefore provides clarity by making this distinction clear. Also provides

27.	Overall provision of housing and employment	29	Paragraph 2.15, amend as follows: "To provide flexibility of provision and allow for growth, the Local Plan makes provision for about 10 ²⁰ % more commercial floorspace than is required <u>across the district's settlements</u> ."		It is unclear where the previously quoted figure comes from. It is clearer to simply state that there is more provision for commercial floorspace than required; the text is amended therefore to reflect this fact.
28.	S2 Amount and distribution of development	33	Paragraph 2.24, amend as follows: "Air quality should improve <i>when following the opening of</i> the Crediton Link Road opens and as <u>as</u> a proportion of HGV and other traffic is drawn away from Exeter Road to the Lords Meadow Industrial Estate; <i>however but</i> the housing target for Crediton only amounts to 10% of the district total due to the traffic and topographical constraints that exist."		Update to reflect that Crediton Link Road has been completed.
29.	S3 Meeting Housing Needs	35	Paragraph 2.26, amend as follows: "As recognised in the National Planning Policy Framework (NPPF) (2012) " <u>every effort</u> should be made objectively to identify and then meet the housing needs....of an area." "		Clarifies that quote relates to the 2012 version of the framework.
30.	S3 Meeting Housing Needs	35	Paragraph 2.27 (first, fourth and final sentence), amend as follows: "The Council's Corporate Plan <i>aims to "facilitate the housing growth that Mid Devon needs, including affordable housing" and "ensure good design and quality of new housing and associated environment".</i> has ' <i>Better Homes</i> ' as one of its five main objectives and the long term vision is " <i>To ensure that the housing needs of our residents are met through the provision of affordable homes and good quality housing in both the public and private sector</i> "..." The SHMA concluded that <u>124</u> ⁹⁶ units of affordable housing are needed per year to meet <u>existing "backlog"</u> need and future needs arising in the district." ... " <u>Additional affordable housing will also continue to come forward as windfalls resulting from Homes England Homes and Communities Agency investment, exception sites and delivery of housing on Council-owned land.</u> "		First sentence amended to reflect updated Corporate Plan (2016). Fourth sentence amended to accurately reflect the findings of the SHMA, following the PAS Technical Advice Note (Objectively Assessed Need and Housing Targets June 2014): only newly formed households should be taken into account in the calculation, as the backlog and existing

			households already live in housing units which would be freed up when housed and do not create any new need in terms of future total requirements. Reference to backlog in sentence was made in error. Final sentence amended to reflect Homes England replacing HCA.
31.	S3 Meeting Housing Needs	36	Paragraph 2.29, amend as follows: <i>"Policy DM12 (Design of Housing) requires all new housing development to be designed in a way that allows adaptation according to the changing needs of occupants."</i> The removal of this requirement (criterion d) from Policy DM12 was originally in response to Home Builders Federation comment that the policy did not reflect the ministerial statement. This change was included in the 2017 Proposed Submission version of the Local Plan Review. In response to the Inspector's Post hearing advice note, Policy DM12 is proposed to be deleted with amended policy criteria incorporated into Policy DM1 (See Main Modification MM49).
32.	S4 Ensuring Housing Delivery	38	Policy S4, amend as follows: <i>"If this is insufficient to deliver the necessary level of housing, <u>an</u> identified contingency sites will be permitted to boost housing supply."</i> In line with proposed main modification MM35 (removal of contingency status of Policy CU21 Land at Colebrook), the LPR now includes a single contingency site. Policy text is amended to reflect this.

33.	S4 Ensuring Housing Delivery	38	Paragraph 2.32, amend as follows: “...If housing delivery falls below the action level this will be addressed through proactive development management to bring forward allocated and permitted sites, and then through the release of <u>a</u> deliverable contingency sites. However, there will be variation of delivery across the years so it is important that the action level when the designated contingency sites will come forward will not trigger the <u>its</u> release in response to normal variations in completions...”	In line with proposed main modification MM35 (removal of contingency status of Policy CU21 Land at Colebrook), the LPR now includes a single contingency site. Supporting text is amended to reflect this.
34.	S4 Ensuring Housing Delivery	39	Paragraph 2.33, amend as follows: “The National Planning Policy Framework requires local planning authorities ensure that there is a supply of specific deliverable housing sites with a capacity equivalent to 105% or of five years’ worth of the annual housing target” ... “If that is insufficient or will not deal with the issue quickly enough, the Council will permit the development of one or more of the <u>a</u> contingency sites in order to boost short term housing supply.”	To reflect the NPPF (2012) requirement for a 5% buffer and to correct a typographical error. To reflect proposed main modification MM35 (removal of contingency status of Policy CU21 Land at Colebrook); the LPR now includes a single contingency site.
35.	S5 Public Open Space	41	Paragraph 2.27, amend as follows: “To comply with legislation, no more than five such planning obligations will be required for a single project.”	To reflect 2019 amendments to CIL regulations.
36.	S7 Town Centres	44	Paragraph 2.48, amend as follows: “A masterplan will sets-out the principles to be followed in subsequent planning applications.”	Amendment to remove ‘s’ from ‘sets’ which is due to a typographical error.
37.	S8 Infrastructure	47	Paragraph 2.55 (second sentence), amend as follows: “More information about the means of funding infrastructure can be found in the <u>most recent</u> Infrastructure Plan (2014) and the ‘Regulation 123’ list for CIL, available on the <u>Council’s</u> website.”	Amendment agreed within Statement of Common Ground (SCG-10) between MDDC, DCC and HE to future proof the supporting text of the policy, reflecting the fact that Infrastructure Plans are living documents and are updated on a regular basis. Also, minor

38.	S10 Tiverton	51	Paragraph 2.60, amend as follows: “Recent completions and current commitments total over <u>1,750,1,000</u> 600 dwellings.”	additional amendment to clarify information is available on the MDDC website.															
39.	S11 Cullompton	54	Paragraph 2.68, amend as follows: One contingency site is allocated in the town, providing a level of flexibility to address any potential shortfall in completions as set out in Policy S4.	To reflect current commitments and past completions in Tiverton as per March 2018 housing monitoring data. To reflect proposed main modification MM35 - removal of contingency status of Policy CU21 Land at Colebrook.

Paragraph 3.4, amend as follows:

“Nine~~Seven~~Six sites are allocated for housing in Tiverton, excluding one~~two~~ contingency sites at Tidcombe Hall *and Wynnard’s Mead* that will be permitted to come forward if the Council’s housing supply proves insufficient, as set out in Policy S4... Although the housing growth of the town is therefore dependent on this site coming forward, there is limited risk associated with this because there is a good track record of joint working between the Council and the site promoters, with half of the site covered by an adopted masterplan, and *applications for in excess of approximately*1,000 dwellings pending determination~~now with planning permission~~*or resolution to grant subject to a section 106 agreement*”

Table 12. update as follows:

Now refers to 9 sites to accurately reflect the number of allocated housing sites, including those already with planning approval. Removal of reference to Wynnard's Mead reflects the modification to delete this contingency site following the 2015 Proposed Submission consultation. Reference to current status of Tiverton EUE allocation (TIV1-5) amended to reflect current situation.

To accurately show current total of unconsented allocations. Reflects most recently available housing land monitoring data (March 2018).

			<i>CU16) now has commenced construction with permission for 100 dwellings. The remaining housing sites have been granted planning approval and are now wholly or partially implemented. These sites are: Knowle Lane (CU13), Land at Exeter Road (CU15) and Cummings Nursery (CU16)."</i>	
58.	Cullompton	87	Paragraph 3.66, amend as follows: "Land for commercial development is allocated within the north-west and east Cullompton urban extensions. <u>Allocated sites and also</u> at Week Farm and Venn Farm in the Kingsmill area <u>now have planning permission.</u> "	To reflect changes to the current development status of allocated sites in line with the most recently available commercial land monitoring data (March 2018).
59.	CU3 North West Cullompton Environmental Protection and Green Infrastructure	92	Paragraph 3.80, amend as follows: "The requirement to extend the town cemetery, which adjoins this site, will need to be <u>has been recognised in the proposals and has been extended.</u> "	To reflect the latest position regarding the already extended town cemetery.
60.	CU3 North West Cullompton Environmental Protection and Green Infrastructure	92	Paragraph 3.81, amend as follows: "The role of landscaping and tree-planting in flood prevention and carbon reduction should also be recognised in the development."	In order to provide greater clarity over the extent of carbon reduction that can be delivered through this means.
61.	CU5 North West Cullompton Carbon Reduction and Air Quality	94	Paragraph 3.89, amend as follows: " The Government has made a commitment to achieving zero-carbon housing by 2016, with all emissions from regulated sources such as heating, hot water and lighting to be reduced to zero by this time. While changes to construction are to be introduced through the Building Regulations, Policy CU5 ensures that other methods of carbon reduction are also considered and incorporated into the development where appropriate, such as carbon offsetting, travel plans and design which encourages sustainable ways of living."	To reflect updated national policy position and targets.

62.	CU9 East Cullompton Environmental Protection and Green Infrastructure	101	Paragraph 3.108, amend as follows: “ Tree planting will also act to collect carbon dioxide, helping to reduce the overall carbon footprint of the scheme. ”	In order to provide greater clarity over the extent of carbon reduction that can be delivered through this means.										
63.	CU11 East Cullompton Carbon Reduction and Air Quality	103	Paragraph 3.113, amend as follows: “ The Government has made a commitment to achieving zero carbon housing by 2016, with all emissions from regulated sources such as heating, hot water and lighting to be reduced to zero by this time. While changes to construction are to be introduced through the Building Regulations, Policy CU11 ensures that other methods of carbon reduction are also considered and incorporated into the development where appropriate, such as carbon offsetting, travel plans and design which encourages sustainable ways of living. ”	To reflect updated national policy position and targets.										
64.	CU19 Town Centre Relief Road	113	Paragraph 3.143, amend as follows: “Additional housing development has now taken place at Knowle Lane and Tiverton Road, contributing to <u>the delivered</u> Junction 28 improvements and funding for the Town Centre Relief Road, but work on the road has not yet commenced.”	In line with Statement of Common Ground (SCG10) agreed between Mid Devon District Council, Devon County Council and Highways England. Clarifies that this sentence refers to the implemented Junction 28 improvements.

Rural Areas	131	Paragraph 3.189, amend as follows: "The remaining land (<i>Phase 2</i>) now has <i>outline planning permission</i> and is <i>subject to a reserved matters application</i> . is available, suitable and achievable. "				To reflect changes to the current development status of allocated site W12 in line with the most recently available commercial land monitoring data (March 2018).
75.	BA4 School Close, Bampton	134	Policy BA4 (criteria a), amend as follows: "26 dwellings with <u>30</u> % affordable housing;				To correct error in affordable housing requirement. This policy and criteria was based on outline permission 10/00510/MOUT, however an incorrect figure was used based on a draft S106 agreement.
76.	BA4 School Close, Bampton	134	Paragraph 3.194b, amend as follows: "An application for 26 dwellings and associated vehicular and pedestrian accesses was granted outline permission by the Council in April 2013 subject to conditions. The permission includes <u>40</u> affordable units and consequently, the policy provides the criteria to be applied as a starting point, should any revised scheme be submitted."				Planning permission is for 7 affordable units (see above change to policy text).
77.	DM2 Renewable and Low Carbon Energy	155	Paragraph 4.6, amend as follows: "Any wind turbine proposals will be considered in the context of the 18 June 2015 Written Ministerial Statement national policy which requires planning applications for such development should <u>to</u> only be granted if the development site is in an area identified of as suitable for wind energy development are identified in Local or Neighbourhood Plans."				To better reflect the wording of the Written Ministerial Statement (18 June 2015) and to recognise that this requirement is now incorporated into the National Planning Policy Framework. Also in response to Willand Parish Council (44) representation which identified a typographical error with the inclusion of the word 'of' in the sentence.

78.	DM5 Parking	159	Policy DM5, amend as follows: “The Council will seek parking provision and infrastructure for electric vehicles <u>infrastructure</u> according to the following standards, the variation of which must be justified on a case-by-case basis.”	To make clear that separate standards apply to both parking provision and infrastructure for electric vehicles.
79.	DM11 Residential extensions and ancillary development	169	Policy DM11 (criterion a), amend as follows: “a) Respect the character, scale, setting and design of existing dwellings”	To make clear that the policy criterion applies to the consideration of the building subject to an extension as well as other existing dwellings in the area. This is reflected in criterion c in any case so is therefore a matter of ensuring consistency throughout the policy.
80.	DM28 Other Protected Sites	193	Paragraph 4.102, amend as follows: “Policy DM2928 affords protection to sites of significant wildlife or geological importance.”	Factual correction. Text relates to DM28 not DM29
81.	DM28 Other Protected Sites	193	Paragraph 4.103, amend as follows: “The protected sites listed in Policy DM2928 are identified on the Policies Map where they are within or adjoining a defined settlement.”	Factual correction. Text relates to DM28 not DM29
82.	DM29 Enforcement	194	Paragraph 4.106, amend as follows: “To ensure that enforcement is managed proactively and in a way that is appropriate to Mid Devon the Council will <u>has</u> published a Local Enforcement Plan. This document will sets out the Council’s approach to enforcement, including timescales for action and stating states in detail how the Council will respond to suspected breaches of planning control.”	To reflect the publication of the Local Enforcement Plan.
