Describe the steps you intend to take to promote the four licensing objectives:

**d) The prevention of public nuisance**

We will consider recommendations from the responsible authorities

**e) The protection of children from harm**

We will consider recommendations from the responsible authorities

There will be in place a written age verification policy in relation to the sale or supply of alcohol, which will specify a *Challenge 25* proof of age requirement. The only acceptable identification documents will be:

- A photo driving licence
- A passport
- An identification card carrying the PASS hologram

Unless such identification is produced the sale of alcohol must be refused.

This policy will include documented steps taken to prevent adults from purchasing alcohol for or on behalf of children under 18.

**Conditions relating to online / telephone sales of alcohol and delivery**

Alcohol can only be ordered for delivery to a residential or business address and not to a public place.

Alcohol delivery will be refused if the delivery driver believes that the alcohol was purchased on behalf of another person who is not 18 years or over.

If a delivery driver considers the recipient of alcohol to appear under 25, recognised photographic identification (refer to mandatory conditions) will be requested and must be provided evidencing the recipient to be at least 18 years of age before any alcohol is handed over

At the time an online order for alcohol is placed a declaration will be required from the person placing the order that the person is over 18 years of age.

Customers will be reminded that it is a criminal offence for a person under 18 to purchase or attempt to purchase alcohol and that it is also an offence to purchase alcohol on behalf of a person under 18.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
