Current Assumptions: -

- 1. The annual salary increment has been reduced in line with public sector arrangements detailed in the Funding Settlement.

 2. Income flows have been reviewed and adjusted for changes in demand and unit price. Provision has been made to reflect the estimated impacts of the pandemic assuming recovery continues according to current trends in this line.
- 3. Investment income has been based upon the existing lending criteria now in force.
- 4. Support services have been calculated in accordance with the annual process.
- 5. All earmarked reserves have been reviewed and adjustment made based upon existing need.
- 6. New Homes Bonus receipts based on the latest announcements in the Funding Settlement.
- 7. Retained Business Rates s31 grant relating to 100% relief for Retail, hospitality and Leisure in 2020/21 will compensate for deficit brought forward and has been included
- 8. Any business rates deficit brought forward from 2020/21 is expected to be funded from EMR and so is not included as a pressure here.
- 9. It is assumed that in the shadow of Covid 19, there will be no dividend from the Devon Business Rates Pool in 2021/22.
- 10. Council Tax has been increased by £5 (the higher of £5 or 2%) from £208.84 to £213.84. Confirmation of this treatment was received in the Funding Settlement.
- 11. As with NNDR, any Council Tax deficit brought forward from 2020/21 is expected to be funded from EMR and so is not included as a pressure above.

 12. This line relates to receipts in respect of compensation schemes for revenue losses arising in year from the pandemic. It is subject to a financial health warning and represents the best estimates of the s151 officer based on the advice received from central government at the current time. Any adverse movement in these numbers will require support from general fund reserves in order to balance this budget.
