Mid Devon District Council

Local Development Scheme – 11 February 2021

1. INTRODUCTION

1.1 Mid Devon District Council is required to prepare and maintain a Local Development Scheme (LDS) for the district. The LDS provides interested people and organisations with the Council's project plan for the preparation of local development documents. The Planning and Compulsory Purchase Act 2004 states that the LDS must specify:

- The local development documents which are to be 'development plan documents'
- The subject matter and geographical area to which each development plan document relates
- The timetable for preparation and revision of the development plan documents

1.2 Local authorities can update their LDS at such times as considered appropriate. The previous Mid Devon version has been in place since November 2019.

1.3 The Town and Country Planning (Local Planning) (England) (Amendment) Regulations 2017 has introduced the requirement to review local development documents within certain time periods. In respect of local plans, a review must be completed every five years, starting from the date of adoption of the local plan. Consequently, this LDS provides a timescale for the production of a new local plan.

2. THE LOCAL PLAN

2.1 The National Planning Policy Framework (NPPF) states that Local Plans are key to delivering sustainable development and that local authorities should produce a Local Plan for their area. The Local Plan can then be reviewed in whole or in part to respond flexibly to changing circumstances.

2.2 Mid Devon's Local Plan 2013 – 2033 was adopted on the 29 July 2020. It guides development in the district over the period to 2033 and aims to ensure that new homes, jobs and services needed by communities are located in the most sustainable places. It will also help deliver the infrastructure, facilities and other developments needed to make this possible.

2.3 Devon County Council has a strategic planning role and is responsible for minerals and waste planning in Devon including the production of mineral and

waste plans. The Devon Minerals and Waste Plan is currently made up of two parts which are development plan documents. The two documents are:

Document	Adopted	Scope	Subject matter
Devon Minerals Plan 2011-2033	February 2017	Devon	The Devon Minerals Plan contains the County Council's vision and objectives for minerals planning and provides the policy framework and site proposals to maintain the supply of minerals and limit the impacts of their working.
Devon Waste Plan	December 2014	Devon	The role of the Devon Waste Plan is to establish the overarching principles and policy direction for waste planning in Devon, it also identifies strategic sites for energy recovery across the County and a series of planning policies for making decisions on planning applications. The Plan covers the period to 2031.

2.4 Neighbourhood Plans were introduced through the Localism Act 2011.

Neighbourhood Plans are a community-led framework for guiding the future development and growth of an area which conform to the strategic policies of the Local Plan. Neighbourhood Plans, once 'made' will be adopted as part of the overall development plan. The following Neighbourhood Plans are currently under development within the Mid Devon area:

- Crediton Neighbourhood Plan
- Cullompton Neighbourhood Plan
- Silverton Neighbourhood Plan
- Tiverton Neighbourhood Plan

2.5 Supplementary Planning Documents (SPDs) are not part of the Local Plan, nor are they development plan documents. Therefore, information on their production is not set out within the LDS. Instead, such information can be found on the Mid Devon website at <https://new.middevon.gov.uk/planning-policy/supplementary-planning-documents/>.

5.0 NEW LOCAL PLAN FOR MID DEVON

5.1 A new Local Plan will be prepared following the adoption of the Local Plan Review 2013 – 2033. This new Local Plan will cover Mid Devon District (excluding part of the district within the Dartmoor National Park. Once adopted, it

will form part of the Development Plan for Mid Devon together with other development plans (once adopted) including the Devon Minerals and Waste Local Plans and Neighbourhood Plans. The new Local Plan will include strategic policies and non-strategic policies for the use and development of land and buildings in Mid Devon.

5.2 The new Local Plan, once adopted, will supersede the Local Plan Review 2013 - 2033.

5.3 The following table sets out the timetable for production and adoption of the document:

6.0 PROGRESS REPORTING

6.1 The Council produces an Annual Monitoring Report (AMR) in December each year, covering the ‘monitoring year’ (of the preceding April-March period). The AMR sets out the list of documents that are included within the LDS, their timetable for preparation, the stage they are currently at and, if they are behind schedule, the reasons for this.

6.2 The AMR is made available on the Mid Devon website and can be seen at: <https://new.middevon.gov.uk/planning-policy/monitoring/>

8.0 REVIEW
