

**PERFORMANCE AND RISK REPORT**

**Cabinet Member** Cllr Bob Deed  
**Responsible Officer** Catherine Yandle, Operations Manager for Performance, Governance and Health & Safety

**Reason for Report:** To provide Members with an update on performance against the corporate plan and local service targets for 2021-22 as well as providing an update on the key business risks.

**RECOMMENDATION:** That the Cabinet reviews the Performance Indicators and Risks that are outlined in this report and feeds back any areas of concern.

**Relationship to Corporate Plan:** Corporate Plan priorities and targets are effectively maintained through the use of appropriate performance indicators and regular monitoring.

**Financial Implications:** None identified

**Budget and Policy Framework:** Produced in accordance with the Risk and Opportunity Management Strategy.

**Legal Implications:** None

**Risk Assessment:** If performance is not monitored we may fail to meet our corporate and local service plan targets or to take appropriate corrective action where necessary. If key business risks are not identified and monitored they cannot be mitigated effectively.

**Equality Impact Assessment:** No equality issues identified for this report.

**Impact on Climate Change:** No impacts identified for this report.

**1.0 Introduction**

- 1.1 Appendices 1-5 provide Members with details of performance against the Corporate Plan and local service targets for the 2021-22 financial year.
- 1.2 Appendix 6 shows the higher impact risks from the Corporate Risk Register. See 3.0 below.
- 1.3 Appendix 7 shows the risk matrix for the Council.
- 1.4 All appendices are produced from the Corporate Service Performance And Risk Management system (SPAR).
- 1.5 When benchmarking information is available it is included.

## 2.0 Performance

**Please note that for all areas of the Council performance remains impacted by the effects of the Covid 19 pandemic. There are specific comments on the attached appendices reflecting this.**

### Environment Appendix 1A

- 2.1 Regarding the Corporate Plan Aim: Increase recycling and reduce the amount of waste; Covid 19 has had an impact on the amount of waste created by households. Both the recycling rate and residual waste rate are slightly below target. The number of missed collections for recycling is slightly below target due to staffing difficulties during July.

### Climate Change Appendix 1B

- 2.2 The electric car charger usage is now well above the target now that lockdowns have been eased. The retro fitting measures are all showing favourable results for the year to date.

### Homes Portfolio - Appendix 2

- 2.3 Regarding the Corporate Plan Aim: Deliver Housing: The targets for annual housing completions of most types have been updated to reflect the Local Plan targets.
- 2.4 Regarding the Corporate Plan Aim: Private Sector Housing: Bringing Empty homes into use is below target for the first time for 6 years. This reflects the diversion of resources to the Covid pandemic response.
- 2.5 Regarding the Corporate Plan Aim: Council Housing: repairs are at or above target as are complaints. In terms of gas servicing compliance we are just below target at 99%.
- 2.6 Regarding the Corporate Plan Aim: Support and grow active tenancy engagement: Work will commence on an engagement strategy soon which will be informed by the outcome of last year's tenant census.

### Economy Portfolio - Appendix 3

- 2.7 Regarding the Corporate Plan Aim: Identify strategic and tactical interventions to create economic and community confidence and pride in the places we live. This includes a continued focus on Town Centre Regeneration: Empty shops; for the retail units owned by MDDC, occupancy rates are reasonable. The Pannier market occupancy rates have improved and are now just below target.

## Community Portfolio - Appendix 4

- 2.8 The KPIs identified are mostly new PIs and performance on most has been affected by Covid 19. It is unlikely that much progress will be seen over the next few months.
- 2.9 Several of the corporate plan aims will require partnership working with Devon County Council, the NHS and Town and Parish Councils and lobbying activity. Targets for these remain to be developed.
- 2.10 All Covid business grant schemes are now closed but support continues through Hardship funding and self isolation payments, applications for these have increased during the "Pingdemic" but it is hoped they will reduce after 16 August.

## Corporate - Appendix 5

- 2.11 The Response to FOI requests have been 100% on time since April 2019.
- 2.12 The % total Council Tax collected and % total NNDR collected are both above target.

### **3.0 Risk**

**Some risk scores have increased due to the Covid 19 pandemic especially as regards financing, homelessness and the economic outlook.**

- 3.1 The Corporate risk register is regularly reviewed by Operations Managers and Leadership Team and updated as required.
- 3.2 Risk reports to committees include strategic risks with a current score of 10 or more in accordance with the Risk and Opportunity Management Strategy. (Appendix 6)
- 3.3 Appendix 7 shows the risk matrix for MDDC for this quarter. If risks are not scored they are included in the matrix at their inherent score which will be higher than their current score would be.
- 3.4 Operational risk assessments are job specific and flow through to safe systems of work. These risks go to the Health and Safety Committee biannually with escalation to committees where serious concerns are raised.

### **4.0 Conclusion and Recommendation**

- 4.1 That the Cabinet reviews the performance indicators and risks that are outlined in this report and feeds back any areas of concern.
