

## Major Applications with no Decision (Since last Committee Close Date)

Members are asked to note that some major applications will be dealt with under the delegation scheme. Members are also requested to direct any questions about these applications to the relevant case officer. It was resolved at the meeting of Planning Committee on 21st March 2018 that with the exception of small scale proposals, applications for ground mounted solar PV arrays recommended for approval be brought before the Committee for determination.
