Planning Application - Alcohol (selling) on the premises + Controlled Entertainment

3 LANDSCAPE CLOSE

CREDITON. EX17 3QR

DEVON.

June 16 2022

With regard to the above application, I have no objection to the selling of alcohol on the premises, BUT as it is in conjunction with entertainment, that would generate extra noise.

Entertainment has many avenues. Loud music, usually with live bands. With neighbours so close by, this would be intolerable, especially in the evening, or even the early hours of the morning. Such a late night venue could happen at a later date in the future??

Please note - should entertainment be granted, there are no parking facilities. Landscape close is a small private driveway, being the approach to 3 bungalows, one of which is mine.

I fear our driveway could be used and blocked.

Therefore, I have to object to the above planning application.

without prejudice,
