# Pay Policy

## 1. INTRODUCTION

Local authorities must publish a pay policy statement for each financial year. This must be approved by a Council resolution before 31 March each year. The Act specifies a number of elements that must be covered by the statement including: the level and elements of remuneration for each chief officer, remuneration of chief officers on recruitment, increases and additions to remuneration for each chief officer, the use of performance-related pay for chief officers, the use of bonuses for chief officers, the approach to the payment of chief officers on their ceasing to hold office under or to be employed by the authority, and the publication of and access to information relating to remuneration of chief officers.

The specific part of the Localism Act 2011 relating to a pay policy is Section 38 (1). Pay is an emotive issue for staff, Councillors and also for the public at large. Transparency in what and how we pay our senior staff particularly, but also all council employees is of paramount importance.

A pay policy statement will be updated and taken to full Council each year in March in this way a clear view of the salaries and benefits paid to the most senior staff at the Council can be tracked.

## 3. SCOPE

This policy applies to:-

- Chief Executive Officer including Head of Paid Service responsibilities
- Heads of Service including Monitoring Officer responsibilities and Section 151 Officer responsibilities

## 4. POLICY

Clarity in the provision of pay and other benefits is essential to ensure that the Council can attract and retain good calibre employees at all levels but particularly so at the most senior level.

In the context of managing scarce public resources, remuneration at all levels within the Council needs to be adequate to secure and retain high-quality employees dedicated to the service of the public, but at the same time needs to avoid being unnecessarily generous or otherwise excessive.

This pay policy statement applies specifically to chief officers (a term which includes both statutory and non-statutory chief officers which for the purposes of this policy are the Heads of Service) and addresses the legal requirement to set out how the policy for agreement of chief officer remuneration differs to that of other Council employees. For the purposes of this statement this includes:

- **Chief Executive Officer (Head of Paid Service)**
- **Head of Financial Services Section 151**
- **Head of Customer Services**
- **Head of Housing and Property Services**
- **Head of Planning and Regeneration**
- **Head of Communities and Governance**
- **Head of Business Information Systems**
- **Head of Human Resources and Development**

The definition of chief officers (as set out in section 43(2) of the Localism Act 2011) is not limited to Heads of Paid Service or statutory chief officers. It also includes those who are their direct reports (who may or might not be statutory chief officers).

The metric used for pay dispersion is the multiple of chief executive to mean earnings. Tracking this multiple will ensure public service organisations are accountable for the relationship between the pay of their executives and the wider workforce. Through this pay policy statement Mid Devon will track this multiple annually. **(This is shown as Officer Remuneration shown in accounts)** (please see Appendix A):

- the level and elements of remuneration for each chief officer
- the remuneration of the lowest paid employees
- the relationship between the remuneration of its chief officers and other officers
- other specific aspects of chief officer remuneration.

**In respect of Officer Remuneration Note in accounts:** It should be noted that this information will relate to the previous year as shown in the annual accounts.

- Salary, fees and allowances
- Bonuses
- Expenses allowance
- Compensation for loss of employment
- Employers pension contribution
- Any other emoluments

### **Pay multiple**

this is calculated by comparing all taxable earnings for the given year (including base salary, variable pay, bonuses, allowances and the cash value of benefits in kind) for the Chief Executive compared to mean earnings and the lowest paid in the organisation.

### **Specific Policy Areas**

The National Joint Negotiating Committee has previously emphasised that ‘it is good governance that local authorities can demonstrate that decisions on pay and reward packages for chief executives and chief officers have been made in an open and accountable way.’

Currently the remuneration package payable to the Chief Executive is derived from the National Joint Council guidance. The Chief Executive remuneration is paid on a scale relating to the population of Mid Devon.

The remuneration package payable to the Heads of Service is negotiated through the Joint National Council and more specifically each Head of Service role is subject to job evaluation. The job evaluation that the Council uses is the Green Book Scheme. However unlike the remainder of the Council’s employees for whom the process is entirely self contained within the Council all job evaluation request/reviews for the Heads of Service are addressed externally via South West Councils. South West Councils are expert in the field of job evaluation and in particular the Green Book Scheme and also give a transparency and impartiality to the process.

The Leader of the Council may recommend to Full Council changes to the remuneration package following an annual review. Any changes to the remuneration packages will be subject to Full Council approval.

Salary increases in relation to cost of living will be made in line with National Joint Council recommendations.

The use of market supplements may be applied in certain circumstances but at present are not considered necessary for any senior role.

At present, there are no additional payments made to senior officers which specifically relate to performance such as performance bonuses; neither is there an element of pay which can be enhanced for performance. Performance issues will be dealt with through the achievement of agreed objectives and appraisal review process.

Any termination payments to chief officers on ceasing office will comply with Mid Devon District Council's Redundancy Policy and no additional payments will be made without the express approval by Full Council.

Through this policy the pay multiple of the Chief Executive will be monitored annually. Should the multiplier between the annual salary paid to a full time employee on the lowest spinal column point and the annual salary paid to the Chief Executive be greater than 10, this will be reported by the Leader of the Council to Full Council for consideration.

**Our support for apprenticeships, which may be considered a temporary employment, will not be used to skew the pay multiple metric and we will therefore be using the same pay level measure as before. In order to ensure complete transparency however we have also included the salary of apprentices.**

There are no arrangements currently in place for tax and national insurance payments to be paid other than through the normal channels, ie through the normal PAYE route for all officers of the Council.

## **5. PAYMENT OF RETURNING OFFICER**

Additional payments are set and made by Central Government to officers carrying out additional duties at elections. These payments will only be received when elections take place and although fixed, do vary according to the type of election for which the payment is made. These payments are not within the scope of this policy.

## **6. OTHER ISSUES - RECRUITMENT**

It has become apparent in the last few months that recruitment is now becoming an issue for this Council. There have been several occasions where we have had little or no response to advertisements. This is a cause for concern in all areas but currently Planning and ICT are experiencing the most difficulties.

## **7. OUTCOMES**

In introducing this policy Mid Devon District Council will ensure that the process for setting pay at a senior level is transparent. This policy will be reviewed annually to track the relationship of chief officer pay with the rest of the workforce.

## **8. PERFORMANCE MONITORING**

Annual monitoring of this policy will take place in March. Monitoring of the Chief Executive's performance takes place through an annual appraisal process.

## **9. POLICY/STRATEGY CONSULTATION**

This policy will be agreed with the Council's Management Team, Cabinet and Full Council.

## **10. EQUALITY IMPACT CONSIDERATIONS**

The principles of equal pay are integral to this policy. 'Equal work' is defined as:

- Like work where the woman and the man are doing the same job or
- Work rated as equivalent where the 2 jobs are different but have been evaluated by the employer's job evaluation scheme (JES) at the same level/grade or
- Work of equal value where the jobs are again different but an argument is made that both jobs should be regarded as being of equal value or worth.

## **11. RESPONSIBILITIES**

The Head of HR and Development will be responsible for this policy and for updating information on an annual basis.

## **12. RECORDS**

Documents and records generated as a result of the application of this policy will be retained permanently on the individuals personnel file.

Records of any changes will be held electronically will be held permanently on the Council's HR information system.

All records will be maintained and processed in compliance with the Data Protection Act.

The statutory instrument requires the individual naming of any officers with an annual salary of £150,000 or more and the post title of any officers earning £50,000 or more who occupy statutory roles or are responsible for managing the strategic direction of services.

The Council had no officers earning at or in excess of £150,000 in 2013/14.
