3 Rivers Developments Limited – Project Appraisal for Park Nursery, Tiverton.

Cabinet Members: Councillor Bob Deed – Leader
Councillor Clive Eginton – Deputy Leader

Responsible Officers: Deputy Chief Executive (S151) – Andrew Jarrett

Reason for Report: To provide Cabinet with a business case for a 6 unit residential development scheme in Tiverton which is already included in the company's current Business Plan 2022/23.

RECOMMENDATION: That Cabinet approves the company's business case for the Park Nursery, Tiverton development.

Relationship to Corporate Plan: 3 Rivers Developments Limited's (3Rivers) key aims are to: generate future returns in order to grow the business and to recycle monies made back to the Council to mitigate some of the cuts in Government funding, increase the level and quality of housing units within the District and look to help regenerate sites/areas in need of assistance.

Financial Implications: The Council has a duty to obtain value for money. All financial interactions between the Council and 3Rivers are carried out at commercially evidenced rates and subject to individual loan agreements. An overall project GDV return of 11.5% has been estimated and interest payments to the Council would form part of the overall estimate of £900k already included in the 2023/24 draft budget.

Legal Implications: None to this report. However, this report is prepared in accordance with the Shareholder Agreement, Company's Memorandum and Articles of Association and currently Approved Business Plan.

Risk Assessment: Detailed within the report.

Equality impact assessment: No equality issues identified for this report.

Impact on climate change: 3Rivers is a commercial organisation and where deliverable sustainable options are available they are utilised; however, as a commercial organisation it is acknowledged that where there is a significant cost differential and what the market will sustain that this plays heavily in the choices made.
