16 JUNE 2015**

TENANT INVOLVEMENT STRATEGY

Cabinet Member Cllr Ray Stanley
Responsible Officer Housing Services Manager

Reason for Report: The existing tenant involvement strategy was approved in January 2012 and is now due for review.

RECOMMENDATION(S): The Cabinet approves the revised Housing Services tenant involvement strategy.

Relationship to Corporate Plan: The Council must run the Housing Service efficiently and effectively and in accordance with the provisions of the regulatory framework. The Corporate Plan includes a pledge entitled: "Better Homes" where the long term vision is to ensure that the housing needs of our residents are met through the provision of good quality housing. It also contains a pledge relating to the empowerment of our communities.

Financial Implications: The Housing Service has set aside a budget for tenant involvement activities.

Legal Implications: The Tenant Involvement and Empowerment Standard within the Regulatory Framework for Social Housing sets out a number of required outcomes and specific expectations which the Housing Service, as a Registered Provider (RP) of social housing is expected to meet.

Risk Assessment: The regulator holds Boards and Councillors responsible for ensuring that registered providers meet the consumer standards, including the Tenant Involvement and Empowerment Standard. Failure to deliver the outcomes and expectations required could lead to reputational risk and some tenant dissatisfaction.

1.0 Introduction

1.1 The Homes and Communities Agency (HCA) is responsible for the regulation of social housing. The regulatory framework is underpinned by the principle of co-regulation which means that, in the case of a local authority such as the Council, with retained stock, Councillors are responsible for ensuring the standards are met and that others such as tenants, MPs and other elected representatives have a role in scrutinising that this is delivered.

1.2 The regulatory framework consists of a number of standards and these are divided into those relating to economic issues and those relating to consumer issues. The Council is only required to comply with the consumer standards; the economic standards apply to housing association and other RPs.

- 1.3 The Tenant Involvement & Empowerment Standard specifies that tenants must be given a wide range of opportunities to influence service delivery and to be involved in scrutinising all the work undertaken by the Housing Service.
- 2.0 **The Revised Strategy**
- 2.1 The review of the tenant involvement strategy was informed by a survey of tenants undertaken during Spring 2014. Every Council tenant was surveyed and the low level of response provided a vivid demonstration of the apathy to tenant involvement activities which we have encountered in recent years.
- 2.2 Over 3000 households were sent a questionnaire survey but only 122 responses were received either by post or online. 29 tenants were invited to attend a focus group to give us their views, but, unfortunately, this was not very well attended, with only 3 attending.
- 2.3 Of the tenants who responded to the survey:
- Almost 50% said that they would find it easier to get involved with more online opportunities
 - 54% said that they did not want to attend meetings
 - 66% said that they were unable to attend a meeting very easily
 - 48% said that they did not feel comfortable meeting new people
- 2.4 The revised tenant involvement strategy has been reviewed and includes an expanded menu of involvement which gives more opportunities for getting involved remotely online.
- 2.5 The menu of involvement consists of three different types of activity:
- Those that involve a low level of demand on time by staying informed
 - Those that involve some commitment of time by getting participating in consultations
 - Those that involve a higher level of demand on time because they entail participating in decision making
- 2.6 The activities included in each strand are detailed within the strategy.
- 2.7 It should be noted that in recent years, there has been increased interest in electronic means of communication. These methods of communication offer significant cost savings for the Housing Service. Whilst there is a recognition that such methods of engagement will not appeal to all tenants, with the increased numbers of Smartphones in use, it is an area where the service can be developed. The “MDDC Housing” page on Facebook now has 150 likes and it is used to disseminate information about a whole range of issues such as service improvements, issues of concern, events, performance, and new homes available for housing applicants. The page is also used to celebrate success.
- 2.8 The Scrutiny & Improvement Group (the SIG), now known as the Tenants Together Group, offers tenants and also one leaseholder a real opportunity to get involved in how the Housing Service is delivering services to tenants. The

Tenant's Together Group reviews all new policies, and those under review, performance and other areas of work and is able to make recommendations to the Cabinet Member and to the Decent and Affordable Homes PDG. The name change has been agreed in order to make the group appear more accessible to other tenants. In recent years, the SIG has become increasingly involved in the production of the Annual Report and the success of the calendar sent out during the Autumn of 2014 can be attributed in a large part to the contribution of the group to the design and editing.

2.9 The revised strategy was discussed at the last meeting of the PDG on 17 March 2015 but it was agreed that a decision should be deferred to this meeting of the PDG due to the fact that the revised strategy was not sent out to Members at the appropriate time, due to an oversight.

3.0 **Equality and Diversity**

3.1 The menu of involvement had been designed in such a way as to enable tenants to get involved as much or as little as they want. If tenants have sensory or mobility issues, the service can be tailored to meet their needs. The strategy enables the Council to provide training to those tenants who want or need it. The options available for training include courses that can be completed online and the training available enables interested tenants to overcome any barriers to getting involved.

4.0 **Tenant Involvement**

4.1 The SIG reviewed this revised strategy at their meeting on 12 February 2015 and did not seek any changes to the wording.

4.2 The PDG is asked to recommend that the Cabinet approves the revised Tenant Involvement Strategy.

INTRODUCTION

1.0 The Aims and Objectives of the Strategy

This new strategy for 2015-2018 builds on previous tenant involvement strategies. The purpose of tenant involvement is to find out the priorities of our tenants and this includes leaseholders. This will enable us to focus on listening to tenants' views and aspirations and to ensure tenants are able to influence future service delivery by scrutinising performance and identifying areas for improvement. During 2014 we surveyed tenants asking them how they wanted to engage with us. We have incorporated their views within this strategy.

The main aims and objectives of our strategy are to make sure tenants:

- Can contribute to the debate about how we use the resources available to us in such a way as to deliver services appropriate to their needs
- Have opportunities to identify issues relating to service delivery and to influence service improvement
- All have an opportunity to participate in the work which we do
- Feel that they have been listened to and their views considered
- Find it easier to get involved and have their views heard
- Have confidence in the housing service and are satisfied with the service they receive

2.0 Who is responsible for delivering this strategy?

To make this strategy a reality we need help from all those with an interest in the housing service:

- Elected members
- Tenants, residents and leaseholders of Mid Devon
- Mid Devon District Council employees
- Community and voluntary sector
- Partners and other stakeholders

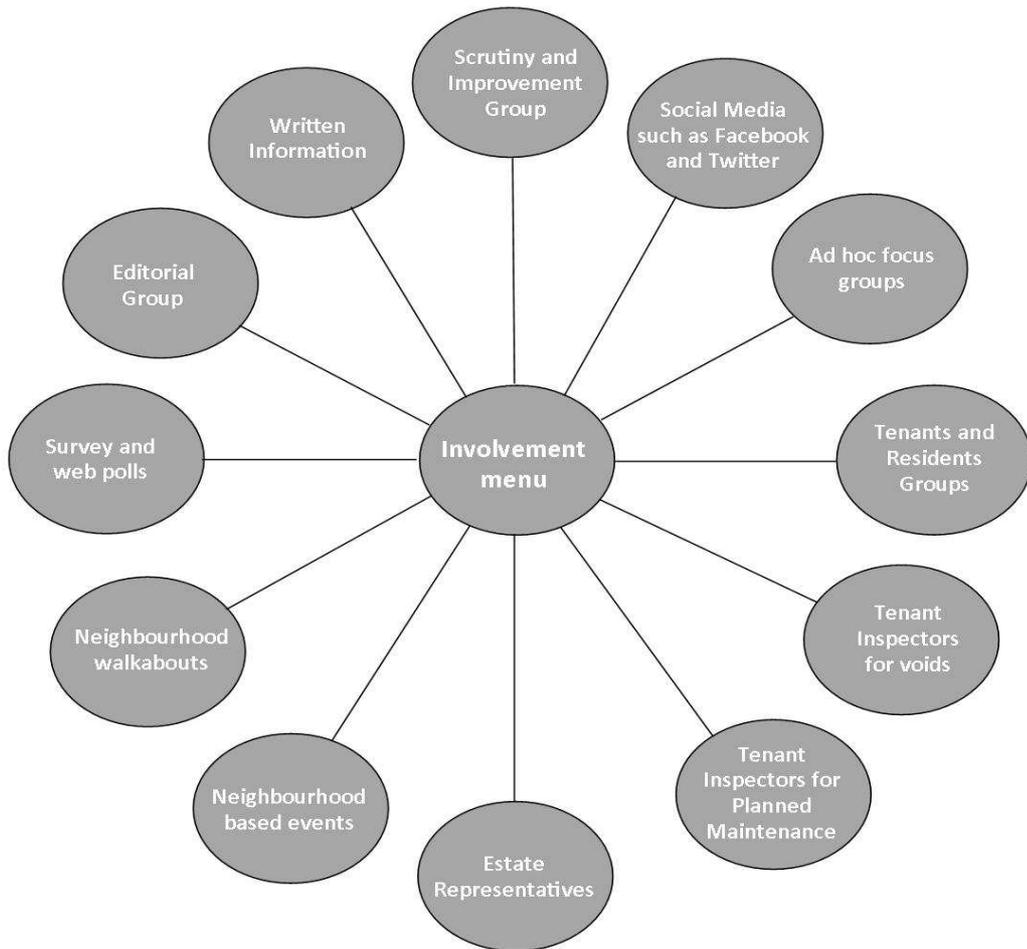

3.0 The Statutory & Regulatory Framework

The National Standard relating to Tenant Involvement and Empowerment contains certain expectations and as a result RP's must:

- Tailor our services to meet the needs of our tenants
- Treat all tenants with respect and fairness
- Ensure tenants are given opportunities to influence and be involved in shaping services to reflect local priorities
- Give tenants opportunities to identify areas for improvement and delivery
- Offer training and support to tenants to help them develop their skills and capacity so that they can make a meaningful contribution

4.0 Menu of involvement

The menu of involvement for 2015-2018 is set out below, and more detailed information about delivery is contained in Appendices A and B of this strategy.

Our programme of involvement is divided into three parts:

- Staying informed (low level of demand on time)
- Being consulted (some demands on time)
- Participating in decision making (higher level of demand on time)

5.0 Scrutiny arrangements

The Regulatory Framework encourage landlords and tenants to work together to improve the levels of service delivered. We are committed to offering opportunities for tenants to scrutinise the work of the Housing Service and have a well-established Scrutiny and Improvement Group. This group's role is to:

- Monitor and check performance
- Challenge and improve services
- Ensure the Housing Service runs the business well and that it meets the needs of its tenants

6.0 Training

We recognise the need for targeted training and development opportunities for tenants and staff. We give new staff a briefing about tenant involvement as part of the induction process. We also encourage and support tenants to access training activities. This enables our tenant representatives to have an understanding of current housing issues. Training has been focussed on individuals but group training is also available, if a need is identified.

7.0 Conclusion

This strategy has outlined the Council's principles and approach to tenant involvement. The Tenant Involvement Strategy will be monitored by the Scrutiny and Improvement Group annually. This strategy will be reviewed January 2018.
