Managing the Environment PDG Decent & Affordable Homes PDG Community Well Being PDG Cabinet

Budget 2015/16

Portfolio Holder Responsible Officer	Cllr Peter Hare-Scott Head of Finance
Reason for Report:	To consider options available in order for the Council to set a balanced budget for 2015/16 and agree a future strategy for further budget reductions for 2016/17 onwards.
RECOMMENDATION:	To consider the draft budget proposals for 2015/16 and start to plan for additional savings as identified in the Medium Term Financial Plan.
Relationship to Corporate Plan:	To deliver our Corporate Plan's priorities within existing financial resources.
Financial Implications:	Since 2010/11 the Council has seen its Formula Grant reduce by circa £2.6m or 42% from £6.2m to the provisional figure of £3.6m announced for 2015/16. Going forward the current Government maintains its pledge to continue the austerity programme, with most public sector commentators estimating further cuts of at least 10% per annum for the next $3 - 4$ years. Once this is factored in to the Councils Medium Term Financial Plan we have predicted a funding deficit of circa £2.1m by 2018/19. This highlights the need to takes steps to plan for further reductions to our ongoing expenditure levels.
Legal Implications:	It is a statutory requirement for the Local Authority to set a balanced budget.
Risk Assessment:	Service Managers and Finance staff have assessed volatility in income and large contractor budgets, taking account of current and estimated future demand patterns. In addition prudent levels of reserves will also continue to be maintained.

1.0 Introduction

- 1.1 The summer savings exercise, that was first undertaken in the summer of 2010, which included Service Managers, Heads of Service, Accountants, the Head of Finance and the Chief Executive challenges all services to look at reducing costs/increasing income, but still deliver the same level of service (especially the front-line services).
- 1.2 This exercise doesn't just focus on balancing the next financial year, it also looked at where savings could be delivered over a rolling three year period. Although this year's exercise has been successful in identifying £983k of savings for 2015/16 (see Appendix 3a), there has been very little proposed for subsequent financial years (only £541k). This fact, emphasises the comments I have been making for the past 18 months that we can no longer expect service managers to continue to reduce cost and still expect "business as usual".
- 1.3 The proposed savings shown in Appendix 3a of £983k will need to be agreed by Members, as for every proposed saving that is rejected will need to be matched by a suggestion of where a similar saving could be made. Members will be aware that the budget is an evolving process. I have already made a range of assumptions relating to: pay awards, inflation, fees/charges, demand for services, property increases, etc. More information may well change/alter my assumptions in the months leading up to February, when the budget has to be finalised. So the current budget gap of £650k will be revised over the next few months, but it is based on the most current information, in conjunction with professional guidance, that is available.
- 1.4 An updated Medium Term Financial Plan was presented to the Cabinet at its October meeting, which further explored the challenging financial position that the Council is facing over the next 4 years. However, it should be stressed that the Council has placed itself in a very strong position to deal with situation and continues to look into opportunities to further reduce operational costs without immediately reducing service levels. But it remains a real possibility moving forward that some difficult decisions will have to be made relating to what the Council can and can't afford to deliver/support in the future. This is further evidenced by the low level of service savings estimated from 2016/17 onwards.

2.0 The Draft 2015/16 Budget

- 2.1 The first detailed draft budget figures have now been returned from all Service Managers. In compiling the draft 2015/16 budget, Service Managers and Finance Staff were acutely aware of the worsening financial environment that the Council was now going to have to operate within. A provisional Formula Grant cut of £656k, coupled with an uncertain economic position adversely affecting a number of key income streams (including our treasury return), the continuing need to modernise much of our existing vehicle fleet and the budget volatility associated with the new Council Tax Support scheme and the localisation of Business Rates.
- 2.2 The initial aggregation of all service budgets (which also includes assumptions surrounding predictions of interest receipts, contributions to our capital

programme, transfers from/to reserves and Council Tax levels) currently indicates a GFund budget gap of £650k (see Appendix 1).

2.3 At this point it is worth summarising how we have arrived at this deficit. The table shown below shows the main budget variances affecting the 2015/16 draft budget, which has included nearly all of the savings identified at Appendix 3a.

Variances	Amount £000
Savings identified in savings exercise	(983)
Cost pressures identified in savings exercise	659
Formula grant cut	656
Leisure savings not realised	218
Waste and recycling currently at 14/15 budget and	97
known service pressures	
Pay and price inflation – incl. pensions & NI	160
Interest adjustment from HRA	41
Council Tax property growth + 1.5% and reduction	(136)
in Council Tax reduction grant	. ,
Transfer from New Homes Bonus to fund 2 new	(99)
officers	. ,
Other costs	37
Draft budget gap for 2015/16	650

- 2.4 The above table clearly demonstrates how a budget gap of £650k has been arrived at and without the hard work undertaken by Service Managers to propose further savings during the summer months we would now be facing a budget deficit of £1,633k for 2015/16 (i.e. £650k + £983k). Appendix 3a shows those potential savings which were identified earlier in the year, amounting to £983k.
- 2.5 In compiling the 2015/16 draft budget we have also examined budget performance during 2014/15 and then made any relevant budget corrections for staffing changes, levels of income, changes in legislation, increases in inflation, etc.
- 2.6 Due to the need to get budget information to all of the PDG and Cabinet meetings during November and early December there are still a few key issues that have not been resolved or are still to be fully evaluated. These issues may either improve or worsen the summary budget position currently reported.

3.0 The Future

3.1 It is clear that a lot of hard work has already been undertaken in order to deliver a draft budget gap of £650k. We now are set with two tasks: firstly, to deliver a balanced GFund budget by February 2015 in order to formally set the Council Tax and secondly, and of equal importance, begin to plan how our future spending plans can be financed. The MTFP tabled at the October Cabinet meeting shows that the challenge of balancing our ongoing revenue commitments with our available funding. The summary figures from the MTFP

highlighted a £2.1m budget gap over the next 4 years assuming 10% reduction in Government funding year on year. (See table 2 below) This further assumes that all of the £983k saving proposals suggested by Service Managers are accepted by Members.

3.2 Due to the future uncertainty over the exact level of Formula Grant reduction going forward it is imperative that Management Team, Service Managers and Members give consideration to matching future service provision to likely levels of financial resources. Table 2 below summarises the projected shortfall over the next four years.

	2014/15 £'000	2015/16 £'000	2016/17 £'000	2017/18 £'000	2018/19 £'000
Total Gross Expenditure	36,710	37,012	37,623	38,037	38,520
Total Income	(27,618)	(28,130)	(28,591)	(28,307)	(28,551)
Net Cost of Services	9,092	8,882	9,032	9,730	9,969
Investment Interest/MRP	(44)	45	(12)	(43)	(75)
Cont. to/(from) Reserves		(99)	(99)		
Contribution to Capital	125	125	125	125	125
Total Budget Requirement	9,173	8,953	9,046	9,812	10,019
Funded by:					
Collection Fund Surplus	(75)	(50)	(50)	(50)	(50)
Formula Grant (1)	(4,181)	(3,525)	(3,128)	(2,816)	(2,534)
Council Tax	(4,917)	(5,114)	(5,168)	(5,253)	(5,339)
Total Funding	(9,173)	(8,689)	(8,346)	(8,119)	(7,923)
Cumulative	Nil	264	700	1,693	2,096
(Surplus)/Deficit					

Table 2 – MTFP General Fund Summary

- (1) Formula Grant in 2015/16 includes £49k of Council Tax Freeze grant awarded in respect of 2014/15.
- 3.3 In addition to this revenue funding pressure, is our ongoing commitment to future capital programmes, not helped by the current low levels of capital receipts. Even greater pressure may be placed on future programmes if additional borrowing was made to fund new Council Houses, Depots, Sport Centre enhancements, Town Centre enhancement works, Vehicle replacements, etc.
- 3.4 The draft Capital Programme for 2015/16 is attached as Appendix 4 and currently shows balanced funding over the next 4 years. However this has required much of the NHB receipts (totalling circa £3.2m) and a continuing revenue contribution from the General Fund of £125 k per annum to reach this position. The size of our current and future capital programmes has substantially reduced, due to the reductions in funding and level of sale receipts and now only includes projects that are essential maintenance, asset replacement or income generating/cost reducing.

4.0 The November/December PDGs and Cabinet meetings

- 4.1 The first round of draft budget meetings will allow discussions with Members, Senior Management, Service Managers and Finance Officers in order to review the proposed draft 2015/16 budget – see Appendix 2. This will include scrutinising and challenging the initial position (and confirming acceptance of all proposed savings put forward) and discussing any other budget areas that Members would like to see additional savings from.
- 4.2 Before the next round of PDGs and Cabinet in January the Council will receive formal confirmation regarding its; Formula Grant (n.b. active rural lobby ongoing), Council Tax Freeze Grant, other emerging legislative changes, more information regarding the 2014/15 budget performance, etc. At this point if any of the initial assumptions/estimates significantly worsen, then we will need to bring further savings options for consideration.

5.0 Public Consultation

- 5.1 This year's public consultation once again highlighted the three most valued services:
 - REFUSE COLLECTION & RECYCLING First
 - PARKS, OPEN SPACES & PLAY AREAS Second
 - ENVIRONMENTAL HEALTH Third

The three services valued the lowest comprised:

- COMMUNITY GRANTS First
- PUBLIC CONVENIENCES Equal second
- COMMUNITY SAFETY Equal second
- 5.2 This consultation response has been considered when compiling the 2015/16 draft budget, but will be of even greater use from 2016/17 onwards when the Council will have to make more challenging decisions with regard to service prioritisation.

6.0 Conclusion

6.1 The feedback from all three budget PDGs and the Cabinet will be reported to the January Cabinet for consideration in order to set a balanced 2015/16 budget and agree a forward plan. Early in the New Year Management Team will meet to establish a strategic plan of how £2.1m of savings in the next four years can be achieved. This process will be based upon giving Members a series of options, some of which may require short term investment, to generate medium or long term savings. The savings options will need to be considered across all Member meetings, based upon the new corporate plan. Having identified possible savings, there will need to be careful consideration of their potential impact, probable lead times for delivery of that saving and any associated disengagement costs or possible 'spend to save' implications that would arise. Current Assumptions :

- 1 Formula Grant reduced by £656k based on provisional figure rec'd 12 months ago.
- 2 A Council Tax income based on a 1.5% rise for illustrative purposes only. A 1% rise in Council Tax will generate circa £50k. It is assumed any Council Tax freeze grant given in 2014/15 will be added into the final settlement for 2015/16.
- 3 Most of the savings and cost pressures proposed in the budget review meetings have been included.
- 4 2015/16 salary budgets include an increase of 1%.
- 5 All income flows have been reviewed and adjusted for changes in demand and unit price.
- 6 Investment income has been based upon the existing lending criteria now in force.
- 7 Nil transfer from the General Fund Balance .
- 8 Support services have been inflated in accordance with the pay award.
- 9 Budget for car parking income based on fee structure currently on place and 14/15 level of usage.
- 10 Budget for refuse and recycling is based on 14/15 scheme and reviewed for known budget pressures.
- 11 The grants budget has been left at the 2014/15 level prior to the special Community Well Being PDG meeting.

Appendix 2

Cost Centre	Cost Centre Name
HG320	Housing & Homelessness Advice
HG373	Housing Options Staff

Major Budget Movements

This service unit now includes the staffing and other budgets previously set on Housing Advice (SHG02). Staffing - Reorganisation of staff posts and provision of a new 0.5FTE post to undertake Homelessness work previously undertaken by outside organisations. (This post is subject to job evaluation and Management Team approval.) Reduction in bad debt provision of (£57.5K) based on detailed review of repayments to previous years debts Reduction in Grant funding (£13K) as looking to move more work in house (still subject to Management Team approval). Devon County Council funding (£20K) towards a Youth Homelessness Post.
