

Customer Care Standards

Introduction

Our Vision

An organisation that provides consistently high-quality customer services, which add value to the customer and to the Council

Strategy

The standard of service a customer receives when they contact the Council will influence their view of the Council and potentially the area it serves. At a time when customer expectations are continually changing, and councils are striving to make efficiencies.

- We aim to address these challenges by making the best use of technology to deliver cost effective services to customers.
- Prevent valuable resources being wasted on providing poor customer service.
- Transform services to make them simple to deliver and easy for customers to access, whilst making use of social media and other methods of communications.

We work to: -

- Transform services to make them streamlined and easy for you to access and for us to deliver.
- Embed a culture of good practice across the Authority where staff and customers are clear about the standards of service they can expect to receive.

Council Values

People - a people focused business

Performance - as individuals and a collective

Pride - in our work and outcomes achieved

Partnership - delivering outcomes through partnership

“We are a progressive council committed to creating an environment where people can flourish and to providing quality services to those who live and work in the district. Equally as important to the ‘what’ we are trying to achieve, is the ‘how’ the organisation operates and conducts itself. To that end we have introduced an increased focus on values within the organisation to try and ensure that, whatever type of service is being provided, our colleagues all have a shared understanding of the values that are important. We use these within the organisation to help guide discussions around behaviours, culture, and performance but at its heart we are simply reflecting how we can apply these values to best deliver the quality service and outcomes that the Council and our residents expect.”

Chief Executive: Stephen Walford - Corporate Plan 2020-2024
