Hayne Barn is a 17th century grade2* listed Threshing Barn with lean-to and a new extension which shall be used for events such as weddings, parties and concerts. The main barn is one room (14 metres x 5 metres in size) with a bar at the south end of the barn. The maximum occupancy of the main room in the Threshing Barn at any one time will be restricted to 135 people in respect of certain areas, parts or floors as specified by building regulations. In order to minimize noise disturbance we have built a new extension, which shall restrict noise from travelling directly outside. This is due to the fact that there are double doors leading from the main barn into the new extension.

When necessary we would place an additional bar area on the opposite side of the wall in the lean-to. Due to the nature of the events there may be occasions when there will be outdoor music, predominantly acoustic background music. Outside: If amplification is needed it would be kept to a minimum so as not to disturb any neighbours. Our nearest neighbours are 3 fields away so this would not be a problem to monitor. Rather than being a focus, the music played is likely to be ambient.

As we have planning permission for two yurts on the premises camping will be available in the yurts 24 hours.

We are mindful of any issues concerning easy access for vehicles so we have installed a new drive to make this safe along with parking near the parlour for about 65 cars. We are located outside Zeal Monachorum and so this makes us more isolated than the Waie Inn, which also has a premises licence, and is in the heart of the village.

If 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend.

What licensable activities do you intend to carry on from the premises?

(Please see sections 1 and 14 of the Licensing Act 2003 and Schedules 1 and 2 to the Licensing Act 2003)
