

Petition against the granting of a Premises Licence to Lakemoor Devon Ltd

We the undersigned Petition against the granting of a Premises Licence to Lakemoor Devon Ltd of Lakemoor Devon, Chawleigh, Chulmleigh, Devon EX18 7JY. This petition relates to their recent application 030467 for the purpose of granting the performances of live Music, The playing of recorded Music, The provision of late night refreshment & the sale and supply of Alcohol.

We strongly oppose this application on the grounds it will cause a major public nuisance in respect to greatly increased noise levels potentially 7 days a week for 14 hrs a day in what is currently a extremely quiet and very rural location, as they seek to turn their current business into a Party Venue for up to 150 people. This is a far cry from what they are actually licenced to be which is a caravan site for no more than 5 Caravans. We therefore request that this application be refused.

Petition instigated by:

Mr Marc Price
