Proposed topic title	Let's Talk Mid Devon Platform		
Link to national, regional and local priorities (Corporate Plan) and targets	The platform is heavily promoted by the council as the community's engagement hub and has links to other website and activities across the council's wider activities.		
Background to the issue	<p>The dedicated website was launched last year and promoted by MDDC as the community's hub to share ideas and join conversations to shape the future work of the council.</p> <p>The website offers residents the opportunity to consult on draft policies and provide an opportunity for residents tap into an online destination for personalised services and information.</p> <p>It was reported at the last scrutiny meeting that the current residents engagement rate was around 14%, a disappointing figure given the importance and promotion conducted by the council since its launch</p>
