AUDIT COMMITTEE 20 SEPTEMBER 2016

REVISIONS TO THE FINANCIAL REGULATIONS

Cabinet Member Cllr Peter Hare-Scott

Responsible Officer Director of Finance, Assets and Resources: Andrew

Jarrett

Reason for Report: To make recommendations for amendments to the Financial Regulations of the Authority.

RECOMMENDATION(S): That the following proposals be recommended for acceptance by full Council:

- a. Changes to Procurement Procedures as detailed at Appendix B
- b. Changes to various thresholds of the Financial Regulations of the Council as detailed at Appendix A

Relationship to Corporate Plan: The safeguarding of assets and the provision of practical efficient processes to provide value for money.

Financial Implications:

Legal Implications: No issues.

Risk Assessment: Failure to comply with legislation could lead to prosecution and claims for damages. Failing to review thresholds and procedures could lead to inefficient practices damaging value for money assessments.

1.0 Introduction

1.1 It is now three years since the revised Financial regulations were introduced and subsequently approved by Council. Following their introduction there have been changes to our external regulatory framework and various amendments have been suggested to improve our internal processes. This report collates the various proposals and recommends that changes are made to ensure our procedures and thresholds are fit for purpose.

2.0 **Procurement**

- 2.1 Following the incorporation of the EU Procurement Directives 2014 into UK law via the Public Contract Regulations 2015, we have reviewed the Procurement Procedures set out within the Financial Regulations to ensure full alignment and compliance with the legislation.
- 2.2 There were also some recommendations from a recent internal audit seeking clarification around some parts of this section.

2.3 Appendix B shows the changes which have been made.

3.0 Thresholds

- 3.1 The authorisation to order goods and to pay invoices is an important safeguard to protect the public purse. The existing limits need to be revised to reflect operational demands, whilst not contravening anything contained within the constitution. Some further bands have therefore been added at A1 in appendix A.
- 3.2 Budget virements the transfer of budget from one area to another has been consolidated into a single table.
- 3.3 Till discrepancies, petty cash limits and de minimus refund limits have been rationalised into a single amount of £50.
- 3.4 The limits for inclusion on the equipment registers have been increased to £1,000.
- 3.5 The disposal of assets thresholds changed:
 - Best price needed from £1,000 and the Capital Strategy Asset Group to give approval for the sale of assets >£20,000.

4.0 Conclusion

4.1 The various recommendations above are proposed to ensure compliance with current legislation and maintain best practice. Some of the proposals have been identified as a direct result of the work undertaken by the internal audit team. Improving the efficiency of our operations, whilst safeguarding the Council's assets remains an ongoing commitment. Going forward therefore further revisions will need to be made from time to ensure these goals continue to be met.
