

**ECONOMY PDG
17 NOVEMBER 2016**

PERFORMANCE AND RISK FOR THE SECOND QUARTER OF 2016-17

Cabinet Member Cllr Richard Chesterton
Responsible Officer Director of Growth & CEO, Stephen Walford

Reason for Report: To provide Members with an update on performance against the corporate plan and local service targets for 2016/17 as well as providing an update on the key business risks.

RECOMMENDATION(S): That the PDG reviews the Performance Indicators and Risks that are outlined in this report and feeds back any areas of concern to the Cabinet.

Relationship to Corporate Plan: Corporate Plan priorities and targets are effectively maintained through the use of appropriate performance indicators and regular monitoring.

Financial Implications: None identified

Legal Implications: None

Risk Assessment: If performance is not monitored we may fail to meet our corporate and local service plan targets or to take appropriate corrective action where necessary. If key business risks are not identified and monitored they cannot be mitigated effectively.

1.0 Introduction

- 1.1 Appendix 1 provides Members with details of performance against the Corporate Plan and local service targets for the 2016-17 financial year.
- 1.2 Appendix 2 shows the section of the Corporate Risk Register which relates to the Economy Portfolio. See 3.0 below.
- 1.3 Appendix 3 shows the profile of all risks for the Economy Portfolio for this quarter.
- 1.4 All appendices are produced from the corporate Service Performance And Risk management system (SPAR).

2.0 Performance

- 2.1 In this first year for the Economy PDG; members are asked to continue to consider what targets they would like to monitor but existing metrics are included at Appendix 1.

- 2.2 It should be noted that for **empty shops** a favourable result is achieved when the actual is less than the target and that as they are counted at the start of the quarter Q3 is included.
- 2.3 The **funding to support economic projects** reflects MDDC's share of the Exeter & Heart of Devon business support funding (£53,092), the Devon Enabling Fund (£3,750) and LEADER funding (£541).
- 2.4 There will be statistics to reflect the general state of MDDC's economy available from time to time; there is a separate briefing on this at this meeting.

3.0 Risk

- 3.1 The Corporate risk register has been reviewed by Management Team (MT) and updated. Risk reports to committees include risks with a total score of 15 or more and all those with an impact score of 5. (See Appendix 2)
- 3.2 The **Pannier market risk** has been shown on Appendix 2 even though it has been reassessed and now scores 12 because this had been a matter of some concern so it is useful to know these concerns have been downgraded.

4.0 Conclusion and Recommendation

- 4.1 That the PDG reviews the performance indicators and risks for 2016-17 that are outlined in this report and feeds back any areas of concern to the Cabinet.
