

**REVENUE AND CAPITAL OUTTURN 2016/17**

**Cabinet Member** Cllr Peter Hare-Scott  
**Responsible Officer** Director of Finance, Assets & Resources: Andrew Jarrett

**Reason for Report:** To present the revenue and capital outturn figures for the financial year 2016/17.

**RECOMMENDATION(S): That Cabinet -**

1 - Note the General Fund outturn achieved in 2016/17 which shows an overall underspend of £30k.

2 - Approve the net transfers to earmarked reserves of £1,664k detailed in the General Fund service budget variance reports shown in Appendix 1 & 2 and summarised in Appendix 4.

4 - Note the positive position achieved on the Housing Revenue Account which shows an annual saving of £380k and approve the “earmarking” of the extra £380k shown in paragraph 3.3, as well as specific items totalling £2,446k and the utilisation of items totalling £109k identified in Appendix 4.

5 - Approve the carry forward of £9,184k from the 2016/17 capital programme (see paragraph 5.2) as all of the schemes will be delivered in 2016/17 or later years.

**Relationship to the Corporate Plan:** The financial resources of the Council impact directly on its ability to deliver the corporate plan prioritising the use of available resources carried forward from 2016/17. All future spending will be closely linked to key council pledges from the updated corporate plan.

**Financial Implications:** Good financial management and administration underpin the entire document.

**Legal Implications:** None.

**Risk Assessment:** Regular financial monitoring information mitigates the risk of over or underspends at year end and allows the Council to direct its resources to key corporate priorities.

## **Executive Summary of 2016/17 Income and Expenditure**

The table below gives an overview of the movements during the year on the key operational balances of the Council and then shows the closing cash position which will be reflected in the end of year Accounts. (Note - These movements assume that all proposed recommendations are agreed, except for the General Fund balance.)

	<b>31/3/16</b>	<b>In year movement</b>	<b>31/3/17</b>
General Fund	(£2,211k)	(£30k)	<b>(£2,241k)</b>
Housing Revenue Account	(£2,000k)	£0k	<b>(£2,000k)</b>

### **1.0 Introduction**

- 1.1 The Council has continued its strategic decision to reduce costs, without adversely affecting service delivery, evidenced by the on-going commitment to further reduce employee costs (especially in back office services) during the year improve efficiencies and maximise income opportunities. This strategy has seen us deliver an overall General Fund (GF) surplus of £30k (see Appendix 1).
- 1.2 During the budget setting process we continue to ensure that revenue budgets are set on a robust basis and take a prudent view of the likely levels of income and expenditure.
- 1.3 Members of the Audit Committee should note that the outturn report is basically a set of management reports that show the final cash related position on all service areas. The Finance Team then have to turn these management reports into the statutory financial statements which are subject to a wide number of complex accounting rules that often significantly change the final picture of a service's financial position for the year. However, it is important to note that the bottom-line profit or loss for the year remains constant.

### **2.0 The General Fund Reserve**

- 2.1 This is the major revenue reserve of the Council. It is increased or decreased by the surplus or deficit generated on the General Fund in the year. This reserve held a balance of £2,211k as at 31/03/16. In 2016/17, a small surplus has occurred after accounting for all necessary transfers to/from Earmarked Reserves (EMRs).
- 2.2 Detailed budget monitoring reports were provided to both senior managers and members throughout 2016/17. This monitoring focused on significant budget variances (+/- £10k), included remedial action where necessary and estimated an overall outturn position. The final written monitoring report considered by the Cabinet gave a detailed position at 31 December 2016 and predicted an end of year deficit of £64k for the General Fund. Therefore the final position improved by £94k.

2.3 The table below shows the overall budget, actual and variance, summarised for 2016/17.

Service	2016/17 Budget £	2016/17 Actual £	Variance £
<b>Total Cost of Services</b>	<b>9,551,510</b>	<b>10,049,664</b>	<b>498,154</b>
<b>Total Budgeted Expenditure</b>	<b>(982,000)</b>	<b>(1,500,472)</b>	<b>(518,472)</b>
<b>TOTAL FUNDING</b>	<b>(8,569,510)</b>	<b>(8,579,234)</b>	<b>(9,724)</b>
<b>NET INCOME AND EXPENDITURE</b>	<b>0</b>	<b>(30,042)</b>	<b>(30,042)</b>

2.4 A detailed explanation of all the key variances is shown in Appendix 2, service by service. Inevitably, within a service, there are often variances which compensate. Some areas may create savings which in turn can be partly or fully offset by overspends elsewhere. In this report we have tried to highlight the major movements to enable Members to appreciate the more significant trends within each service area.

Note – where any of the above variances were deemed to be recurring, the 2017/18 budget was adjusted accordingly.

2.5 The overall effect of the 2016/17 financial year would result in a General Fund Balance of £2,241k which is marginally higher than the Council's own temporary minimum requirement of £8.531 x 25% = £2,133k (agreed by Full Council).

2.6 In addition to the GF Balance, the Council holds a number of Ear Marked Reserves (EMRs) which are used to help make provision for known future expenditure commitments which will require funding in 2016/17. The net movement of £1,664k into these reserves and the end of year balances held on them are shown in Appendix 4.

## 2.7 **Market Walk and Fore Street Shops, Tiverton**

Members will no doubt be keen to see the second year's result's following the acquisition of the shops in March 2015. The return on investment has dropped slightly compared to 2015/16 (4.5%) due to an increase in vacant units during 16-17. The various elements are shown in different areas of the Income and Expenditure account but the overall position is as follows:

	<u>£k</u>
Net rental income after expenses	
(Shown within property Services committee)	(360)
Interest payable on Public Works Loan Board loan	105
Statutory capital Financing (over 50 years)	83
	-----
<b>Net income for year</b>	<b>(172)</b>
	=====

This income equates to an approximate return of **4.1%** (172k/4,173k), net of borrowing costs.

### 3.0 Housing Revenue Account (HRA)

- 3.1 This is a ring-fenced reserve in respect of the Council's housing landlord function. It is increased or decreased by the surplus or deficit generated on the HRA in the year. For 2016/17 the outturn is a net surplus of £nil k after the proposed transfers to/from earmarked reserves.
- 3.2 This surplus is explained in paragraph 3.4 and the effect of it on the HRA Balance is shown below.

#### HRA Balance

HRA balance @ 31/03/16	£ (2,000)k
Budget saving achieved in 2016/17	£ (380)k
Additional transfer to 30yr modernisation programme	£ 380k
HRA balance @ 31/03/17	£ (2,000)k

- 3.3 After the strong closing financial position delivered in 2016/17, it is recommended to transfer a sum of £380k into the Housing Maintenance Fund earmarked reserve. This is in addition to the already budgeted figure of £1,704k. The above position leaves an HRA balance of £2,000k as at 31 March 2017.
- 3.4 The main budget variances during 2016/17 that give rise to the figure of £380k were the £174k underspend generated by the Tenancy teams and the £50k surplus income generated from the Renewable Energy projects. For further details, please see the HRA Outturn Summary for 2016/17, which is attached as Appendix 3 to this report.
- 3.5 In addition to the above, the HRA hold a number of earmarked reserves. The movements on these during 2016/17 and their closing balances are shown on Appendix 4. This money is effectively "ring fenced" and will be held to meet expenditure on projects during 2016/17 and beyond.

### 4.0 The Collection Fund

- 4.1 Mid Devon is a collection authority for council tax and national non-domestic rates, and as such, is required to produce a collection fund account for the Mid Devon area. The Council collects council tax on behalf of Devon County Council, Devon Fire and Rescue Service, Devon & Cornwall Police and the Town/Parish Councils.
- 4.2 The council tax collection rate for 2016/17 was 98.1% (98.1% in 2015/16). This demonstrates how effective our Council Tax section has been in collecting the annual charge in extremely challenging economic times. The Non Domestic Rates collection rate improved to 99.2% for 2016/17 (99.1% in 2015/16).

## 5.0 Capital Outturn

- 5.1 A capital outturn summary is attached as Appendix 5 to this report. The revised capital budget for 2016/17 amounted to £15,710k. At the year-end we had spent £5,293k leaving the capital programme underspent in total by £10,417k.

Capital receipts of £820k (this includes general useable capital receipts and ring-fenced replacement homes capital receipts) were applied to finance the programme with the balance of the expenditure met by a combination of borrowing, external grants and contributions from reserves.

- 5.2 As shown in Appendix 5 there are capital projects totalling £9,184k which have not been completed as at the 31 March 2017. This expenditure, therefore, needs to be rolled forward to be included in the 2017/18 capital programme. These schemes are still fully funded by either unspent capital grants or by provisions held within capital earmarked reserves. In addition there is £628k relating to Affordable Housing, Private Sector Housing Grants, ICT Projects and Major repairs to our Council House stock including Renewable energy solutions underspends which will be placed in relevant earmarked reserves to fund future capital expenditure in these areas.
- 5.3 The Capital Receipts Reserve (note this includes general useable capital receipts and ring-fenced replacement homes capital receipts) is used to part fund the capital programme - the movement on this account for the year is given below:

	£k
<b>Balance at 1 April 2016</b>	<b>(1,442)</b>
• Sale of Council Houses - 28	(1,909)
• Sale of HRA Land	(24)
• General Fund Sales	(116)
• Pooling of Housing Capital Receipts to Government.	233
• Capital Receipts applied in year	820
<b>Balance at 31 March 2017</b>	<b>(2,438)</b>

Note – the remaining balance of £2,438k is committed in order to fund any slippage, specific projects in ICT and Private Sector Housing and to balance the Capital Medium Term Financial Plan.

5.4 The Capital Earmarked Reserve has been set aside from Revenue to fund capital projects; the balance on this reserve now stands at £471k made up by the following transactions:

	£k
<b>Balance at 1 April 2016</b>	<b>(567)</b>
• Budgeted transfer from the General Fund	( 0 )
• Funding required to deliver the 2016/17 Programme	21
• Transfer to Phoenix Lane PC conversion Project EMR	38
• Transfer to Flood Defence Ashleigh Park Project EMR	37
<b>Balance at 31 March 2017</b>	<b>(471)</b>

Note – the remaining balance of £471k is committed in order to fund any slippage and to balance the Capital Medium Term Financial Plan.

5.5 The council also holds New Homes Bonus which can be used for either Revenue or to support future Capital Programmes, the balance held at 31 March 2017 is £2,458k; again much of this remaining balance is committed to fund any slippage and to balance the Capital Medium Term Financial Plan.

## **6.0 Treasury Management**

6.1 A review of the 2016/17 investment performance, including the new CCLA property investment fund and the details of interest payable are included within the separate 2016/17 Treasury Outturn Report.

## **7.0 Conclusion**

7.1 Members are asked to note the revenue and capital outturn figures for the financial year 2016/17 and agree the proposed earmarking of surplus funds generated by in year savings from both the GF and the HRA. In addition, Members need to approve the incomplete projects on the 2016/17 capital programme be rolled forward into the 2016/17 capital programme.
